STAY HOME STAY SAFE

In this time of Pandemic, We all should practice the virtue of 'Stay Home Stay Safe'. By following this, we are not only protecting ourselves but our entire Family.

Children are advised to enjoy their Summer Holidays at Home with their Parents. They should try to learn new things such as playing new Games, Vocabulary building, Dressing up on their own, Rhymes, Stories, Eating Independently, Keeping Toys at their Place, Helping others and many more.....

SUMMER ROUTINE

This is an advisable schedule for kids. You may follow this:

- Wake Up: Early in the Morning and Rearrange your Bed.
- Exercise Time: Enjoy Yoga also.
- Bathing Time: Brush your Teeth, have Bath, get Dressed, comb your Hair.
- Breakfast: Have one Seasonal Fruit along with a glass of Milk.
- Study Time
- Lunch: Eat what Mummy cooks.
- Quiet Box time: Nap
- Play Time: Have Fun and enjoy Indoor Games
- Snacks: Relish Finger Food.
- Cook time: Helping mom in Household chores.
- Brush your Teeth: Say no to Cavity and have a Sweet Smile.
- Bed Time: listen to a Value Based Story.

Given below are some suggestive activities which you may carry out
With your child, it will be a joyful learning experience for them:

Experiment Time

Bottle wave: Fill a waste bottle with one third of oil and one third with water. Close the lid and turn the bottle side to side, Observe the waves formed in water.

Sink and Float: Collect different objects like rubber, pens, spoons, toys etc and observe which one floats and which one sinks.

Grow a plant: Sow the seeds available in kitchen like tomato, mustard, methi etc in a small pot or disposable box. Water the pot daily, keep it under sunlight and observe the changes.

Fun With Craft

Best out of waste: Use waste material to make a craft.

Paper Bag: Use waste paper to make a paper bag and decorate it.

Recreational Time

Build a Pillow House

Play Hide & Seek

Treasure Hunt Game

Bowling Game using old bottles/ toys

Study Time
