2026 - 27

NURSERY LEARNING OUTCOMES

Bharatiya Vidya Bhavan's Mehta Vidyalaya

NURSERY 2026-27

The learning outcomes for Nursery kids according to NEP 2020 may include:

1. Cognitive Development:

- Recognizing and naming colors, shapes, and basic objects.
- Developing basic numeracy skills like counting, recognizing numbers, and basic arithmetic concepts.
- Developing pre-reading skills, such as recognizing letters and sounds.

2. Language Development:

- Expressing themselves verbally and using simple sentences.
- Listening and understanding simple instructions.
- Building vocabulary through storytelling and interactions.

3. Social and Emotional Development:

- Developing social skills, like sharing, taking turns, and cooperating with others.
- Identifying and expressing emotions appropriately.
- Developing empathy and understanding others' feelings.

2026 - 27

NURSERY LEARNING OUTCOMES

4. Physical Development:

- Fine motor skills development, like holding a pencil, using scissors, and building with blocks.
- Gross motor skills development, such as running, jumping, and balancing.

5. Creative Development:

- Engaging in creative activities like drawing, coloring, and crafts.
- Participating in music, dance, and drama activities to foster creativity and self-expression.

6. Environmental Awareness:

- Developing an understanding of the natural world, plants, animals, and basic ecological concepts.
- Cultivating habits for sustainability and caring for the environment.

7. Play-based Learning:

- Emphasizing learning through play and exploration.
- Encouraging imagination and creativity through various play activities.

It is essential to note that the NEP 2020 focuses on creating an inclusive and enjoyable learning environment for young children to foster their natural curiosity and love for learning.
