20th April 2026

Dear students

You are hereby advised to follow the guidelines given below to stay safe during the ongoing heat wave conditions:

- Carry your own water bottles from home every day.
- Drink water regularly and avoid unnecessary movement within the school premises.
- No outdoor activities will be conducted after 11:00 AM. All activities will be held indoors.
- Remain inside classrooms during peak heat hours and ensure proper ventilation.
- In case of fatigue, dizziness, or any discomfort, immediately inform the teacher on duty.

All students are expected to cooperate and adhere to these instructions in the interest of their health and safety.
