Vision

Bharatiya Vidya Bhavan's Mehta Vidyalyaya is committed to foster inherent potential that helps in developing creative pursuits, skills, lifelong learning and global leaders with foundation of Indian Culture.

Mission

Bharatiya Vidya Bhavan's Mehta Vidyalyaya, the crusader of Sanskrit and Sanskriti endeavours to provide vibrant platform for holistic quality education with focus to nurture patriotism, sound values, life skills, scientific temperament, environment sensitivity, respect for cultural diversity, child's creative expression, aesthetic appreciation, intellectual, physical, emotional, spiritual development and promote environment of inclusiveness, equality, justice, concern for others, secularism and global perspective through wide spectrum of curricular and co-curricular activities.

GREETINGS

My greetings and good wishes to the students, Parents, teachers, non-teaching colleagues and the Principal of the Bhavan's Mehta Vidyalaya, Delhi. Time and again, the school has made us happy and proud by its consistent achievements in different fields.

But the real Agnipariksha of a school is whether it produces independent-thinking, truth-loving, fearless and enlightened citizens of tomorrow.

I would appeal to the Principal and our teachers to conceive fresh, imaginative ways and innovative methods by which our students are taught and encouraged to think independently and not to be swayed by the deafening sounds of trumpets and drums of false or one-sided propaganda being released relentlessly through T.V. channels, social media and a dozen other instruments of the Devil sowing in the soil of our society the seeds of discord, disharmony, spirit of aggression and even violence. If we fail in the mission, we will be producing only sheep and goats even if they secure 99.99 percent marks in all the subjects.

Please make our children understand, that Truth can never be served on a silver platter. You have to strive, and strive hard to get at it and understand it. Cultivate and develop your sense of discrimination, your vivekabuddhi. Just because a thousand persons repeat it a thousand times fortified by cheers and slogan-shouting, a lie does not become a truth.

And if the truth is dawned inside a human being, then know that the light of love, compassion, sense of service, humility and fearlessness is not far behind.

MESSAGE

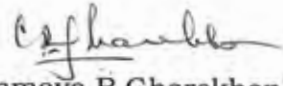

I am extremely happy to learn that Mehta Vidyalaya is keeping up with the tradition of publishing the annual school magazine 'BHAVIDYA'.

The school magazine is in itself a unique universe which reflects the commendable efforts and achievements of the students and staff.

Using every opportunity as a building block and every obstacle as a stepping stone to scale new heights, our students have set new benchmarks through their accomplishments in academics and co-curricular activities.

I congratulate Principal, Dr. (Mrs.) Anju Tandon, Vice Principal, Mrs. Alka Jayaswal, the editorial team and the entire staff of Mehta Vidyalaya on the outstanding effort to make this issue of BHAVIDYA a worthy and exemplary edition.

I wish every success to the team of Bhavan's Mehta Vidyalaya in all its endeavours.

MESSAGE

I am glad to know that Bharatiya Vidya Bhavan's Mehta Vidyalaya is bringing out another excellent edition of the school magazine 'Bhavidya' on the occasion of Annual Day Celebrations.

With increasing globalization, advances in technology and increasing social and environmental issues, the need to instill in the pupils respect and appreciation of diverse cultures and religions has become a necessity. These very core values are encapsulated in the school's Sarva Dharma prayer.

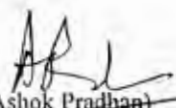

I am happy to note that the school is imparting the key 21st century skills as envisaged by the National Education Policy 2020 through a wide array of curricular and co-curricular activities with emphasis on "Sanskrit and Sanskriti", thus nurturing our students to be global citizens.

The school magazine provides the platform for student development in leadership, ownership, peer relationship, collaborative skills and technological expertise in a meaningful and enterprising manner.

I would like to commend the Principal and staff for their commitment, sincere efforts and responsibility towards fostering the pupils to become holistic individuals of the 21st century.

I take this occasion to wish all success to the team of Mehta Vidyalaya in all its endeavours.

MESSAGE

It gives me immense pleasure to learn that Mehta Vidyalaya is releasing its annual magazine 'Bhavidya' on the occasion of its Annual Day celebration.

The magazine showcases the incessant efforts, glorious achievements and commendable progress of the students throughout the year.

Mehta Vidyalaya is committed to equip today's generation with the 21st century skills required to succeed and meet challenges globally. It strives to develop in each child the desire to grow in wisdom, to embrace diversity, respect Indian culture and heritage and spread our Sanskriti across the world.

My compliments and best wishes to the Principal, Dr. (Mrs. Anju Tandon) and the entire staff who are tirelessly shaping and moulding children to emerge as competent leaders in all spheres of life.

MESSAGE

All students must be prepared to be successful in the 21st century careers – many of which do not even exist yet. Students must know how to think, to problem solve, to innovate and to collaborate.

Students must be provided with authentic learning experiences, and they must be connected to experienced individuals who truly care for them. As the adults in their lives, we must provide guidance in the development of character. We must help students to act with compassion, accept responsibility and choose to do the right thing.

Children acquire skills and knowledge easily if we make the surrounding stimulating and purposeful for them. In the 21st century, the Digital Revolution has affected us all. Quite simply, it is changing everything. In such a surrounding when work and effort is valued, the child's self-esteem is heightened, and from this results self-motivation. We must try to understand and work with these young minds. It is our responsibility to enable the child to develop as a whole. School magazine is the best platform to showcase the talents of our students, and what they think.

I congratulate the Editorial Board on its tireless efforts in bringing out this publication of the school magazine.

I hope and pray that all of you stay safe and healthy. The challenging times have passed and now what counts is our tenacity and perseverance with which we need to proceed further.

BHARATIYA VIDYA BHAVAN'S MEHTA VIDYALAYA

MEHTA SADAN, KASTURBA GANDHI MARG, NEW DELHI-110001

शुभकामना संदेश

भारतीय विद्या भवन संस्कृत और संस्कृति के संरक्षण उत्थान का प्रमुख केन्द्र है। मेहता विद्यालय इसकी एक प्रमुख शैक्षणिक इकाई है। यह वर्ष का विषय है कि मेहता विद्यालय कोरोना काल की विभीषिका से उबर कर नियमित शिक्षण प्रशिक्षण की ओर पूरे उत्साह से आगे बढ़ रहा है। यद्यपि कालखंड की कठिनाइयां हमें लक्ष्य के चरमोत्कर्ष को स्पर्श करने में बाधाएं उत्पन्न करती है। तथापि उत्तम कोटि के लोग लक्ष्य को पूरा किए बिना नहीं रुकते। इसी भावना से मेहता विद्यालय का समग्र स्टाफ कार्य करता है तथा सफलता की ऊंचाइयों को छूने का प्रयास करता है। यह विद्यालय पत्रिका हमारे उन्हीं किए गए प्रयासों की देख पाने का गवाक्ष है।

यह विद्यालय बालक के सर्वतोमुखी विकासार्थ सदा उद्यत है तथा यहाँ के शिक्षक आधुनिकता के साथ-साथ भारतीय संस्कृति के प्रति भी सर्वथा समर्पित हैं।

मेहता विद्यालय सदा ही नए कीर्तिमान स्थापित करता रहता है चाहे वह छात्रों द्वारा विद्या के विविध क्षेत्रों में सफलता को पाना हो या शिक्षकों द्वारा शिक्षा में नवीन प्रयोगों को व्यवहारिक रूप देना हो। नवचारों तथा नवीनतम पाठ्यक्रमों के लिए भारतीय विद्या भवन का मेहता विद्यालय अन्यतम उदाहरण है।

मैं विद्यालय के सभी शिक्षकों एवं विद्यार्थियों को इसी प्रकार ऊर्जावान बने रहने की प्रभु से कामना करता हूँ।

डॉ. छविकृष्ण आर्य

प्रबन्धक, मेहता विद्यालय, भा.वि.भ.

From The Principal's Desk

It gives me great pride and joy to pen down my thoughts and feelings on the occasion of yet another edition of our Annual magazine, **Bhavidya**.

At the very outset, I would like to express my heartfelt warmth to all my dear students, parents and teachers in this academic session 2022-23. With the commencement of physical classes, the entire school is pulsating with jubilation all around. The feeling is indeed overwhelming!

Heraclitus, the Greek philosopher said, "Change is the only constant in life". Embracing changes gives us the opportunity for continuous renewal and growth. This fast and ever-changing world brings its own set of challenges and needs.

As educationists, it is our endeavour to mould our students to be robust individuals who would be prepared to meet those challenges.

Dedicated to the vision and mission of our school, we at Mehta Vidyalaya are in tune with the 21st century skills incorporated in NEP 2020. Towards this end, we are striving to equip our students with skills like communication and collaboration, creativity and innovation, environmental sensitivity, problem solving, critical thinking, digital literacy, entrepreneurship and student leadership through innovative activities, projects and experiential learning.

Bhavan believes in Vasudhaiva Kutumbakam. We are committed to providing the best of opportunities to our students to unleash their potentials, thus empowering them to become responsible and productive members of the society, the nation and the world.

Research has demonstrated that there is a positive correlation between brain development and exercise which also has an impact on cognitive development thus helping to improve academic grades. Keeping the well being and holistic development of child's personality the school has added state of art games and sports field with international dimensions. Children are excited to participate in games and sports active activities that is helping them to acquire the knowledge, skills, right attitudes and values true to Bhavan's vision and mission. **Bhavidya** mirrors the growth and progress of our school as well as the creativity of our students and teachers.

My felicitations to the entire editorial team for their hard work and dedication and best compliments to the Vice Principal, the entire teaching and non-teaching staff for their whole hearted support and cooperation.

Dr. (Mrs.) Anju Tandon
Principal

Editor's Voice / Message 2022

A warm greetings to all !

With the opening of the physical schools in Delhi region we feel a surge of new energy pervading all around us. The uncertain period of the pandemic is now a past. Though the period had been tumultuous we did not stop at Bharatiya Vidya Bhavan. In fact our school had been abuzz with activities, awards and recognition which were won with accolade.

It is my proud privilege to present to you our Annual Magazine, 'Bhavidya 2022'.

Bhavidya is a platform for our students' creative expressions, artistic talents, and our journey which showcases our performances, achievements and success.

We appreciate the diligent efforts of our Student Editors.

I express my gratitude to the school Principal Dr. Anju Tandon and Vice Principal Mrs. Alka Jayaswal for their valuable guidance and unstinted support in this endeavour. I also extend my sincere thanks to the editorial team and to all those who have contributed in different ways in the making of Bhavidya 2022 a success.

ANNUAL REPORT 2020-21

I take great pleasure in welcoming the dignitaries on the dais on this special occasion of our Annual Day and Prize Distribution Function. This is a very precious moment for us because this function underlies our school's successful completion of 63 years in the realms of imparting education. I am so delighted and proud to welcome our Chief Guest Mr. Hwang IL-Yong in today's function who is an ideal of knowledge and experience.

It is an honour to welcome our Chairperson Kum. Surrendar Saini to bless our students.

I welcome Shri Ashok Pradhan, our Director, whose distinct vision and illuminating ideas have been an inspiration to all of us.

I heartily welcome all dignitaries of Bhavan for joining us today.

It is my honour to present the Annual Report 2021 which documents the progress and achievements of our school.

Under the dynamic leadership of our Director Shri Ashok Pradhan, and Manager Shri C.K. Arya we review our academic results to further improve the same in order to create an environment in school which helps the young minds to blossom further.

Students of class X of Bhavan's Mehta Vidyalaya once again made us proud through their meritorious performance in the CBSE Board Examination 2020-21. Chetan Kumar of class X D has made the school proud with his stellar performance. He has topped the school in class X with an amazing score of 98.8%. He is also a subject topper in Mathematics, Science, Social Science and Information Technology with perfect score of 100 in each subject, proving his academic brilliance. An industrious and focused child, he is truly exceptional.

Palak Sharma of class X B follows with a laudable score of 97.8% and is the subject topper in English and Hindi with a score of perfect 100. Palak is courteous, well-mannered and an enthusiastic learner. She displays a positive approach in carrying out the responsibilities assigned to her.

Three students made Bhavan proud by securing 96.8%. Nikki Gautam exhibited her academic excellence by scoring a perfect 100 in Hindi. She is a multifaceted and talented student with a flair for creative writing. Rishika Gosukonda of X-D has scored a perfect 100 in Sanskrit. She is a hardworking and focused student, a trained pianist and a Blue Belt in Karate. Chitesh Marmat of X C is a very focused, sincere, polite and responsible student who actively participates in all school activities.

The students of Class XII, Bhavan's Mehta Vidyalaya, have once again made us proud through their meritorious performance in the CBSE Board Examination 2020-21. K. Amrita of XII-A topped the Humanities stream with an amazing score of 98 % and has made the school proud with her stellar performance. An industrious and focused student, she represented the school at National Integration Camp at Bhavan's Vidyashram Jaipur in 2019. She was the student editor for the school magazine and has a keen interest in Creative Writing and Indian Classical Music. She is a truly exceptional student. Ritika Gupta leads the way in the Commerce Stream with a laudable score of 98 % and 99 in Economics, Accountancy and Business Studies. A superbly accomplished student, she was the Head Girl of the school and also the Marketing Executive of Kala Naipunya. She was also short listed to participate in 'Pariksha pe Charcha' with our honorable Prime Minister. Shounak Das exhibited his academic excellence and flair for science by topping the Science Stream with an amazing score of 96.8 %. He is a sincere student with a strong determination to successfully accomplish his goals. A talented student, he has qualified *Kishore Vaigyanik Protsahan Yojna* (KVPY), NTSE and has scored 99.1 percentile in JEE Mains. PERFECT

SCORER, Ayush Raj has scored a flawless 100 in Mathematics. He has scored 99.3 percentile in JEE MAINS.

Even the CWSN Students who appeared in class X CBSE Board exams 2020 - 21, cleared the examination with flying colours. All the students secured First Division with distinctions in multiple subjects.

The school ensures that all students are exposed to different subject wise Olympiads and compete with students at National and International levels. Every year the school holds National and International Olympiads. Students are guided and prepared to participate in NTSE, JSTE and **Kishore Vaigyanik Protsahan Yojna (KVPY)** examinations. Shounak Das and Aryanil Sarkar have made us proud by qualifying for NTSE scholarship conducted by National Council of Educational Research and Training and KVPY Scholarship Award 2020. In addition to it, Harshul Singh I A, Triyan I C, Pranshi Singh III C and Shounak Das XII B won state level Awards in Science Olympiads in January 2021. Also, Tejas Anand I C, Triyan I C, Ahaan I D, Darsh Jain II A, Heeti Marwari II A, Aneshya Das IX D, Atishay Jain XI D, Akash Srikanth and Shounak Das XII B won state Level awards in Maths Olympiads held in January 2021.

Mehta Vidyalaya was also selected among the 10 schools from all over India to pilot the use of the digital platform for students, teachers and parents, under the aegis of Diksha (VidyaDaan Program), MHRD Government of India. The aim of the VidyaDaan Programme is to synergize the country wide development by providing schools and teachers from metro cities to the smallest villages with good quality content. It is based on NCERT syllabus which enables better understanding of concepts by the students. Our teachers are regularly contributing digital contents.

Besides academic achievements, our students participated in number of co-curricular and sports activities and brought laurels to the school.

- **Prithvi Singh** IV B was cast as a child artist in a Hindi movie “Barah by Barah” which was screened during the International Film

Festival of Kerala in Feb 2021.

- **Tulimita Bhadra** X B qualified state level “Saksham” Competition 2021 in English essay writing competition conducted by Petroleum Conservation Research Association. She won a certificate and cash prize in July 2021.
- Students brought laurels to school by winning in various events at Kala Utsav organized by DOE in Nov 2020 –

Due to the covid-19 pandemic, the school has been working online since the beginning of the new academic session. Nevertheless, the school teachers have been carrying out all their duties timely rising to the new challenges and incorporating technology as per the requirements.

This year presented several challenges as the normal classroom teaching was replaced by online teaching. E-classes for the students were conducted using Skype, Zoom, WhatsApp and Google meet applications. Learning content in the form of tutorials, assignments, worksheets, books, notes, presentations, digital question banks, YouTube links, audios, videos, animations etc. were shared with students on class WhatsApp groups, Snap homework application and through Google drive links. Parents were counseled on their queries pertaining to the learning material prepared by the teachers. Students were given access to the content and online courses provided by Extramarks, Aavishkar & Diksha by CBSE & e-pathshala.

On July 10, 2020 an orientation programme was held by IT department of Mehta Vidyalaya via zoom meeting for all staff members on using G- Suite Platform for effective teaching. G-suite has better connectivity and high privacy, works faster, has unlimited storage and data security and is cost effective. It is a cloud-based platform and comes with unlimited storage for files, documents and emails. Teachers were trained on the G – Suite platform for smooth conduct of the online classes.

Besides this, the school conducted all activities and competitions on the online platform which had been planned at the starting of the academic session. All events like SAS Camp for Class XI, Earth day, Munshi Memorial Inter School Recitation and Lilawati Munshi Painting Competition, Dewang Mehta Memorial IT Inter school Competition, Independence Day, Teachers' Day, Janmashtami Celebrations, Spic Macay, Vanmohotsav, Investiture ceremony, Parents' orientation programmes etc. were all conducted online with full zeal and enthusiasm.

Skill development activities like drawing, painting, craft, dance, vocal music, instrumental music, robotics, wood craft as well as sports, games and yoga were taught through videos and online classes on Zoom and Google meet. Students participated in "Fit India" movement organised by CBSE.

Regular counseling sessions are held for students and parents on various relevant topics like career mapping, handling loneliness especially during lockdown, time management, emotional intelligence, stress management, dealing with anxiety etc. These sessions are taken by the School Counselor and various guest speakers from respective fields.

The school is also committed to make educational process inclusive of Value Education and Life skills. The school is also associated with Ramakrishna Mission by incorporating Awakened Citizen and Life skill Programme. This programme facilitates in engaging the students to undertake practical exercises which help them to get greater clarity and consciousness through 'Self Reflection'.

During the covid-19 pandemic, Ramakrishna mission launched the digital version of the ACP programme that could be shared via online platforms with students.

Cultural Exchange Program broadens students' perspective of the world. Under the umbrella of ICEP, our students have been exposed to new learning perspectives as well as opportunities, to develop an adaptability to embrace new cultures and to promote liberal mindset. Under the coordinator ship of Mrs. Aradhana Gambhir, some of the activities were conducted through ties and collaborations with the following countries. They are—

INDO – KOREAN EXCHANGE PROGRAMME

Our School conducted a virtual meeting on 8 July, 2020 in which the students of class XI had a live interaction with students of Gonjiam High School. Dr. (Mrs.) Anju Tandon, Principal joined the session and interacted with Ms. Sung Se Jang, Principal, Gonjiam School about the education systems of the respective countries and the measures taken to deal with the pandemic. Through the virtual interaction, the students of our school learnt more about Korean culture and traditions and expressed their interest in Korean pop and dramas like BTS, Black pink and EXO. The students also discussed the Covid-19 situation in their respective countries and exchanged the ways that were being observed to deal with it. Mrs. Alka Jayaswal, Vice Principal appreciated the efforts of the students and teachers.

INDO-KOREAN PARTNERSHIP

Bharatiya Vidya Bhavan's Mehta Vidyalaya and Korean Cultural Centre, India signed a Memorandum of Undertaking (MOU) on Friday, March 11, 2021. The MOU reaffirms the long-standing partnership between the two organisations. School Principal, Dr. Anju Tandon and Director Hwang, IL-Yong signed the MOU on behalf of their respective organizations. The major thrust of the MOU is to promote mutually beneficial cooperation between Mehta Vidyalaya and Korean Cultural Centre in various fields such as promoting

curriculum based Korean Language and as hobby class, sports, co-operation for celebrating 'Korean International Day' and related events in school.

INDO-CZECH PARTNERSHIP

Ten selected students of our school from classes V & VI got the wonderful opportunity to interact with the students and teachers of ZS Hucak Elementary School, Hucak, Czech Republic. This interactive session was organized on 15th March 2021 and Ms. Kamila Koubova and Ms. Jinna Vlkova from Czech Republic joined the session with their students.

In this introductory session, all the students enthusiastically spoke about themselves, their family, school and country and displayed their work. It was indeed an interesting interaction where everyone looked forward to more such sessions in the near future.

Ms. Elisa Kenton, teacher of Howells Cambourne College, Cambridge, U.K; our partner school teacher, made us proud by participating as a panelist in session 9 of the 48th Annual National Progressive Schools' Conference on 26 February, 2021 and sharing her valuable insights on online education during the pandemic.

School also conducted various webinars under Hubs of learning initiative. The main objective of conducting these webinars was to exchange the resources and the best practices with the hub schools. The webinars were conducted for the teachers and students for the host schools and the hub schools that included Kerala School, Andhra School and Delhi Kannada school.

It is an undisputed fact that great teachers help create great students. At Mehta Vidyalaya, we strongly feel that an inspiring and informed teacher is the most important medium influencing a student's achievement. Hence, training of teachers is an ongoing process in the school. Teachers attended various webinars which focussed on areas such as increased use of educational technology, creation of lesson plans that aim to develop Higher Order Thinking Skills (HOTS), classroom management techniques etc.

I feel immensely proud to share some of our achievements –

- Dr. (Mrs.) Anju Tandon, School Principal, Mehta Vidyalaya was conferred the prestigious State Teachers' Award- 2020 by Directorate of Education on the occasion of Teachers' Day on 5th September, 2020. The Grand Felicitation Ceremony took place at the Secretariat on 26th March 2021 where she was honoured by Shri. Manish Sisodia, Deputy CM of Delhi. The award constituted a cash prize of Rs 25,000/-, a citation, a silver medal and a shawl.
- Mrs. Alka Jayaswal, School Vice Principal, was conferred IT Guru Awards on 28th December, 2020 for IT Action research and exemplary contribution in carrying out students' learning during this pandemic.
- Three of our teachers- Mrs. Sharmila Saha (HOD, English Dept.), Ms. Uma Sengupta (TGT, English) and Mrs. Vijaya Lakshmi Sharma (Special Educator) made their contributions in the form of self-composed Haiku, (a Japanese poetic form of three lines) for 'The Haiku Collection' brought out and released on the occasion of 48th NPSC Annual Conference (Day two, i.e., 26th February, 2021) by the Chief Guest, Shri. Manoj Ahuja, IAS, Chairman, CBSE.
- This year, Smt. Dimple Joneja was honoured with Smt. Sarla Shankar Award for Best Teacher, instituted in the memory of Smt. Sarla Shankar and Late Prof. Vijay Shankar, sister and brother-in-law of our Director Shri Ashok Pradhan by his family members.
- Dr. Jyoti Dev Rishi (School Counselor) and Mrs. Aradhana Gambhir (PGT, Psychology) received Certificate of Appreciation from NCERT for providing psychological support and counseling to students, their families and teachers under –MANODARPAN, an initiative of the Ministry of Education (MOE), Govt of India for dealing with mental health concerns during COVID-19 pandemic and beyond.
- Mrs. Vijaya Lakshmi Sharma (Special Educator) from our school was awarded the Meritorious Service Award, on 30 June

2021 announced via Sama Hindi dailies and Facebook page of the group.

- Dr. Anju Bala, TGT, Sanskrit won the 3rd prize in an online Sanskrit Teaching Competition. She was awarded a cash prize of Rs 1100/- by Sanskrit Shikshak Sangh on 5th September 2020.
- Mrs. Ritu Sehgal (Coordinator Class I & II) was awarded Super 7 Certificate of Achievement for participating in the National Level Poetry Competition organised by Super 7, India in the month of October 2020.
- Seven of our teachers, Mrs. Kirti B. Sarkar, Mrs. Papiya Das, Mrs. Hema Bisht, Mr. Mukesh Chugh, Mrs. Bharti Bhagi, Mrs. Renuka Upadhyay and Mrs. Vijayalakshmi Sharma have been honoured during the Online Teachers' Day Celebration conducted on 5th September, 2020 for completing 25 years of meritorious service.

I am also very happy to share that the School has now its own You tube Channel and various sessions are held on this platform. Very recently on 3 Oct, 2021, we conducted a session for the parents on School Reopening. The session was taken by Prof Dr. Sidharth Ramji, our alumnus of 1973 batch.

Keeping NABET standards in mind we at Mehta Vidyalaya have also joined hands with QCI to enhance the quality of teaching / learning process, and to improve the overall performance. To fulfill the standards of NABET, the school has been conducting various activities since last year. We also had a successful first round of inspection by the QCI team in the month of July, 2021.

Our Chairperson Kum. Surrender Saini has been very kind and benevolent. She has instituted a corpus fund of Rs. 10 lakhs, in memory of her brother and sister-in-law Shri. Salig Ram Choudhry and Smt. Usha Choudhary, to honour the children with special needs in the field of Academics, Art and Culture.

Our Director Shri Ashok Pradhan has instituted a scholarship of Rs.11,000/- every year to the Best Science and Commerce student. The award is instituted in the name of his parents Smt. Premda

and Shri. Shadi Lal Pradhan. Our Director has also instituted an award of Rs.5000/- for a primary school girl child and the amount is deposited in “Kanya Dhan Yojna” in the memory of his sister Smt. Sarla Shankar. He has also been instrumental in instituting an award of Rs. 25000/- per year in the name of Dr. Daya Narayan Nigam by his daughter Ms. Pooja and son-in-law Mr. Manish. Recently, he has also instituted a corpus fund of Rs. 2 lakhs to provide scholarship to the needy children of the primary section.

Chairman, Delhi Kendra, Shri C.R. Gharekhan, has instituted two annual awards of Rs. 2500/- each for Excellence in Music by creating a corpus of Rs. 1 lakh.

Ladies and Gentleman....Bhavan's Mehta Vidyalaya has a long established tradition to stay in touch with the Alumni. In 2019, the website of

Bhavanites Association was launched with a view to connect with its alumni since its inception in 1957.

The presence of our noted alumni in the function today places the testimony of their strong bonding with their Alma Mater. We are grateful to our Alumni for instituting financial scholarships for our students.

Our special thanks to Mr. Manish Ahuja, an alumnus, for actively engaging with school in reviving the alumni association.

I would end my speech by saying that the Pandemic year posed great challenges along with new opportunities.

I assure you that we will meet them all and make this year the best year in our history.

BVB FELICITATES ITS GURUS

SMT. SARLA SHANKAR & PROF. VIJAY SHANKAR AWARD

BVB's Mehta Vidyalaya, felicitated Mr. Ajay Bhardwaj, PGT Commerce, on 5 September, 2022 on the occasion of Teachers' Day, with Smt. Sarla Shankar and Prof. Vijay Shankar Award for rendering 19+ years of dedicated service to the institution. During this period, Mr. Ajay Bhardwaj has served the institution in various capacities with utmost diligence and sincerity.

The award is instituted by Shri Ashok Pradhan, Director, Bhavan's Delhi Kendra, in memory of his sister and brother-in-law and constitutes a certificate and a cash prize of ₹11000/-.

TEACHERS FELICITATED

Mrs. Jagriti Sharma, HOD, Social Science Department, Mrs. Dimple Joneja, HOD, Hindi Department and Mrs. Rajni Bhatt, PRT were felicitated on 5 September, 2022 on the occasion of Teachers' Day, for completing 25 years of meritorious service to the institution.

STAFF ACHIEVEMENTS

1. SMT. SARLA SHANKAR & PROF. VIJAY SHANKAR AWARD

Mehta Vidyalaya felicitated Mrs. Dimple Joneja, HOD, Hindi Department, on 4 September, 2021 on the occasion of Teachers' Day, with Smt. Sarla Shankar and Prof. Abhay Shankar award for her dedicated service to the institution. In her 24 years of service, Mrs. Dimple Joneja has served the institution with commitment and proactive leadership in various capacities. The award is instituted by Shri Ashok Pradhan, Director, Bhavan's Delhi Kendra, in memory of his sister and brother-in-law and constitutes a certificate and a cash prize of Rs 11000/-.

2. APA INTERNATIONAL STATUS

Mrs. Aradhana Gambhir, PGT Psychology was elected to International Status as per the Bylaws and Association Rules of APA (American Psychological Association) in 2021.

3. SANSKRIT SHIKSHAK AWARD

Dr. (Mrs.) Anju Bala was conferred with the Sanskrit Shikshak Award by the Sanskrit Teachers Association on the occasion of Teachers' Day. This award was given in recognition of her outstanding contribution and facilitating students to score perfect 100 in Class X & XII Board Exams 2020-21.

4. STORY MIRROR READER'S CHOICE - POET CERTIFICATE

Story Mirror is a multi-lingual platform for Readers & Writers as it motivates poets and writers to make their contributions in not only English & Hindi but also 8 other regional languages. In the month of September, Story Mirror organized a self-composed poem and story competition. Mrs. Vijaya Lakshmi Sharma (Special Educator) participated in poem writing and was awarded the Reader's Choice Certificate and her name has been recommended for 'Author of the year - 2021'.

SCHOOL ACHIEVEMENT

Our school, Mehta Vidyalaya has added yet another feather in its cap as we have obtained All India Ranking 174, State Ranking of 97 and City Ranking of 45 as per the survey conducted by Education World, published in its issue of November 15, 2021. Mehta Vidyalaya received an overall score of 1064 out of the total score of 1550. It is a matter of great honour for our school and Bharatiya Vidya Bhavan for this unique distinction.

Another matter of great pride for the institution is that out of 3000 schools our school is one among the 17 schools to have been selected for the 2021 Global Human Rights Protection Award conducted by the Steering Committee of 21st World Human Rights Congress Indian Institute of Human Rights. The award was conferred upon Dr. Anju Tandon, Principal for creating awareness about Human Rights in students through an array of activities conducted. The award was received by Mrs. Alka Jayaswal, Vice Principal on behalf of Dr. (Mrs.) Anju Tandon, Principal, Mehta Vidyalaya from Dr. Rahul Rai, Director, IIHR at India International Centre, Delhi on 10 December, 2021.

ACCREDITATION STANDARD FOR QUALITY SCHOOL GOVERNANCE

Former President Dr. A. P. J. Abdul Kalam emphasized on “a quantitative and qualitative measure of evaluating educational services leading to the comprehensive qualitative development of the nation”.

The Quality Council of India (QCI) developed the “Accreditation Standard for Quality School Governance” with the mission to lead nationwide quality movement in India by involving all stakeholders for emphasis on adherence to quality standards in all spheres of activities primarily for promoting and protecting interests of the nation and its citizens.

Under the able guidance and leadership of our Principal, Dr. (Mrs.) Anju Tandon, Vice Principal, Mrs. Alka Jayaswal, and Accreditation Co-ordinator, Mrs. Dimple Joneja, we at Bharatiya Vidya Bhavan's Mehta Vidyalaya took the big step in 2019-20 to go in for the Accreditation process under Quality Council of India, National Accreditation Board for Education and Training (NABET). Mehta Vidyalaya was able to implement the standards laid down by QCI and got NABET Accredited in April 2022.

CONGRATULATIONS TOPPERS XII (2021-22)

Bharatiya Vidya Bhavan congratulates the toppers of 2021-22 Batch for their exemplary performance in the CBSE Board examination for class XII. They have added yet another feather to the school's cap.

PARENTS' ORIENTATION PROGRAMME

NURSERY

Online Kindergarten Orientation Programme was held on 9th April, 2021. Mrs. Gopa Chatterjee welcomed the parents and briefed them about the aim of the programme.

Principal, Dr. (Mrs.) Anju Tandon in her address threw light upon the mission and vision of the school. Vice Principal, Mrs. Alka Jayaswal highlighted the school activities, events and achievements. School Counsellor, Dr. Jyoti Dev Rishi shared valuable parenting tips. Mrs. Vasundhra Sharma showcased and explained about the variety of activities being conducted in nursery classes. The programme ended with a vote of thanks by Mrs. Neha Sharma.

CLASS I

An Online Orientation Programme for the parents of class I was organised on 25th March, 2021. The programme commenced with a short prayer followed by welcome address by Mrs. Ritu Sehgal, Coordinator of class II. Dr. (Mrs.) Anju Tandon, Principal welcomed the parents and gave an insight on the ethos and values of Bhavan's ideals. She laid stress on effective communication between the teachers and parents and

also sought their support and suggestions for the overall development of the students. Mrs. Alka Jayaswal, Vice Principal congratulated and welcomed the parents. She appreciated the cooperation given by the parents in the smooth shift from offline to online mode of teaching during COVID 19. The programme progressed with a power point presentation by Mrs. Indu Banerjee, Coordinator class I in which school curriculum, evaluation system,

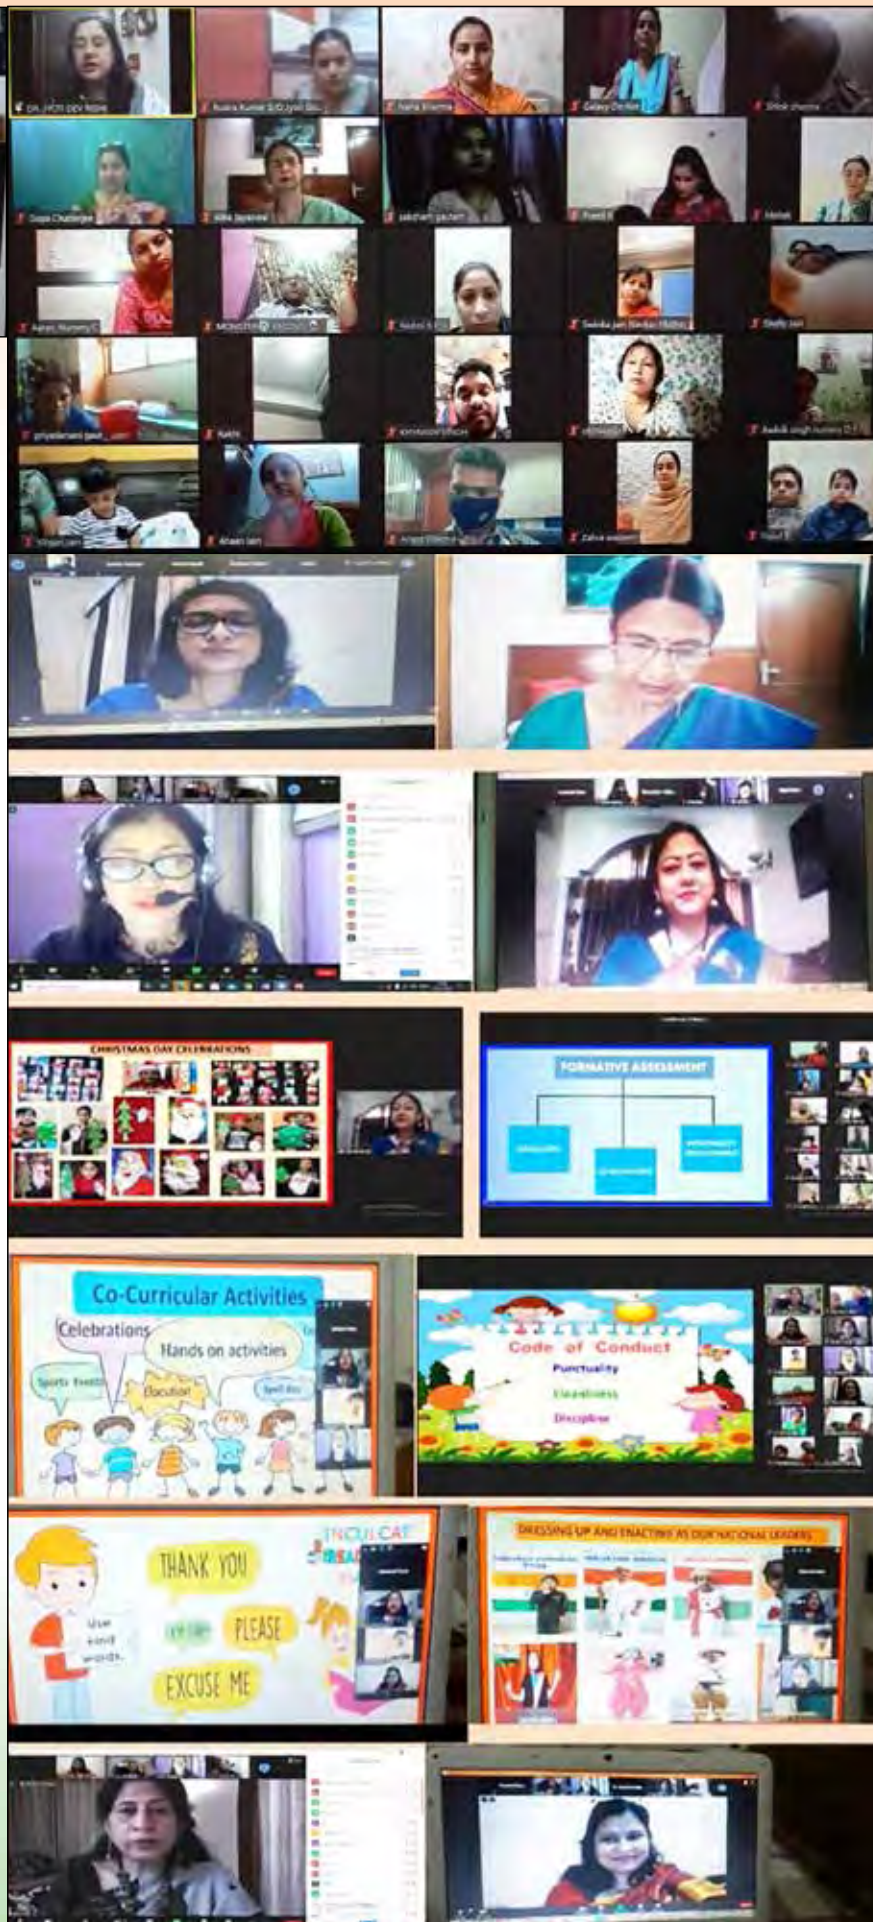

code of conduct for students and parents and various co-curricular activities were highlighted.

Parenting tips and guidelines on “Screen Timing” were shared by the School Counsellor, Dr. Jyoti Dev Rishi.

CLASS III

Virtual Orientation Programme for the parents of class III was held on 26th March, 2021 under the guidance of our Principal, Dr. (Mrs.) Anju Tandon. The programme started with the school prayer, followed by the welcome address by our Vice Principal, Mrs. Alka Jayaswal.

Mrs. Mona Jayant Patras and Ms. Gunjan Kakar opened the session by sharing the school’s mission and vision with the parents and briefed them about the pattern of online classes and the online evaluation process. Mrs. Vijayalakshmi Sharma and Mrs. Supreet Sharma briefed the parents about the offline classes to be resumed after the situation improves. They also explained about the fee structure and procedure to apply for leaves. School Counsellor, Dr. Jyoti Dev Rishi gave parenting tips, talked about screen time, and screen use.

INTERNATIONAL CULTURAL EXCHANGE PROGRAM (ICEP)

Under the umbrella of ICEP, our students have been exposed to new learning perspectives as well as opportunities, to develop an adaptability to embrace new cultures and to promote liberal-mindedness. Under the Coordinatorship of Mrs. Aradhana Gambhir, some of the activities conducted through ties and collaborations with the following countries are–

INDO-KOREAN PARTNERSHIP

Bharatiya Vidya Bhavan's Mehta Vidyalaya and Korean Cultural Centre, India signed a Memorandum of Undertaking (MoU) on Friday, March 11, 2021. The MoU reaffirms the long standing partnership between the two organisations. School Principal, Dr. Anju Tandon and Director Hwang, IL-Yong signed the MOU on behalf of their respective organizations. The major thrust of the MoU is to promote mutually beneficial cooperation between Mehta Vidyalaya and Korean Cultural Centre in various fields such as promoting curriculum based Korean Language and as hobby class, sports, co-operation for celebrating 'Korean International Day' and related events in school.

Our school Principal, Dr. Anju Tandon was given an appreciation letter on behalf of the Korean Cultural Centre India and Cultural Affairs department of Embassy of the Republic of Korea for her devoted endeavour of introducing Korean language in the school and successful completion of Curriculum & Korean programs.

The Korean Chapter saw these opportunities being available to our students -

CURRICULUM BASED KOREAN LANGUAGE PROGRAMME

In collaboration with the Korean Cultural Centre, on 12 April 2021, the Curriculum Based Korean Language Programme was started off for our students of class VI. This is a prestigious program where 42 students were enrolled in the first phase completely free of cost. Mr Harsh Sharma, conducted the Korean classes. He taught the Korean language to the students in a very engrossing way and gave personal attention to each and every student. Students learnt the language with lot of eagerness and enthusiasm.

Under the program, students are provided free books and study material. The syllabus covers the introduction of vowels, consonants, syllable making and simple words followed by reading and writing of simple sentences. The classes were held thrice a week through zoom meetings and the evaluation was done

online via Google form.

Mrs. Aradhana Gambhir & Mrs. Tulsi Baura also enrolled themselves in the weekend online course of Korean language that started from 25 April, 2021.

CERTIFICATE GIVING CEREMONY FOR KOREAN LANGUAGE LEARNING PROGRAMME

The Korean Cultural Centre hosted an online certificate giving ceremony for the participants on 2

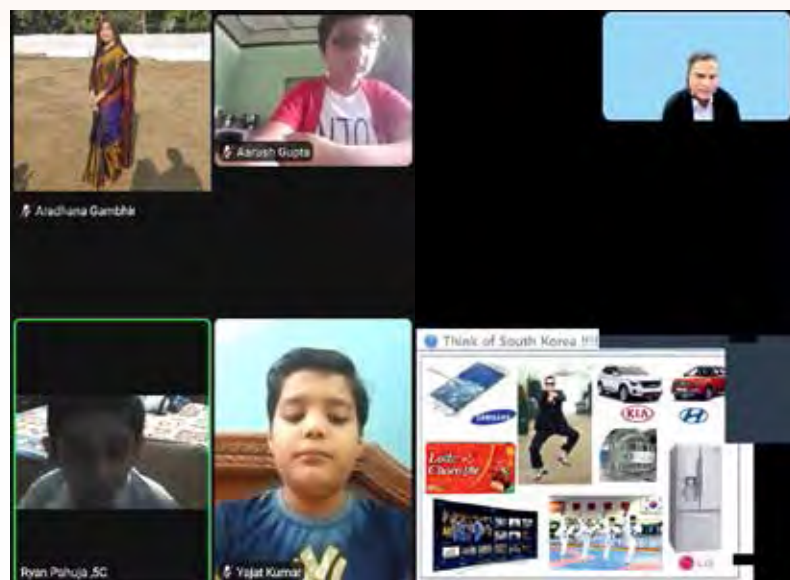

July, 2021. Mr. Harsh Sharma awarded certificates to the students with 100% attendance and also to the students who showed excellence in learning the language.

He thanked Principal Dr. Anju Tandon; Vice Principal, Mrs. Alka Jayaswal and Mrs. Aradhana Gambhir, Programme Coordinator for providing this wonderful opportunity to the students. He expressed his elation and hope that Bharatiya Vidya Bhavan's Mehta Vidyalaya and Korean Cultural Centre will work in collaboration and organize similar events in near future.

TAEKWONDO CLASSES

Taekwondo classes for the students of middle school were organized in the school's newly constructed state of the art playground. The online Taekwondo classes started from December 2021 & physical Taekwondo classes began by January-February 2022. One of the goals of these classes is to instill The Five Tenets of Taekwondo in our students – Courtesy, Integrity, Perseverance, Self-Control & Indomitable Spirit

HOBBY BASED KOREAN LANGUAGE LEARNING PROGRAMME

‘Korean Language Hobby (School)’ is designed specially to learn the basic structure of Korean alphabet along with the exposure to Korean culture.

Hobby based Korean language Batch-1 started on 4 May 2021 for a total of 43 students from classes V and VI. The classes were held on zoom, thrice a week for a duration of 30 hours. The course included learning the basics of Korean Language and culture. Students were made aware of Korean National Symbols, Korean alphabet historical background, Korean Culture. Learning took place through games, fun activities and audio-visual teaching material.

Hobby based Korean language Batch-2 started on 10 November 2021. Total of 40 students from all sections of class VII participated. It was a 30 hour course where the Korean alphabet and basic grammar were taught. Classes were held thrice a week through zoom meetings.

KOREA INDIA FRIENDSHIP ONLINE QUIZ COMPETITION-2021

Korean Cultural Centre, India organized an exciting online quiz competition for students of Classes VII to XII from 1 April to 30 May, 2021. The quiz tests the knowledge of the students on Korea and its culture.

The quiz offers exciting prizes for the winners. For every school winner, they offer Cash Prizes, for City Runner Ups they offer a sum of Rs.5000/- and a silver medal, City Champions are awarded a sum of Rs.10, 000/- and a gold medal and Grand Prize Winners are given a free trip to Korea.

Many students of Mehta Vidyalaya enthusiastically enrolled themselves for the quiz.

SESSION ON CAREER OPPORTUNITIES AVAILABLE IN KOREAN LANGUAGE -

Mr. Harsh Sharma from the Korean Cultural Centre, New Delhi took an online session for the students of Class XI, under SAS Camp in order to sensitize them about their subject choices. He talked about career opportunities available in Korean Language and various other things related to South Korea. The students thoroughly enjoyed the session and found it highly informative.

STOP ASIAN HATE CAMPAIGN -

Live Together Campaign was launched by the South Korean Ministry of Foreign Affairs in collaboration with UNESCO to spread awareness against racism, especially in light of the recent hate crimes against Asians. Students of Mehta Vidyalaya actively participated in the noble campaign by making attractive and appealing posters.

Our school looks forward to strengthening this Indo- Korean partnership with further interactions with the Korean Cultural Centre in the field of sports, education and culture for providing our students an international exposure and experience. In the near future under educational experience programme, we would like to host students from South Korea and organize such trips for our school students too.

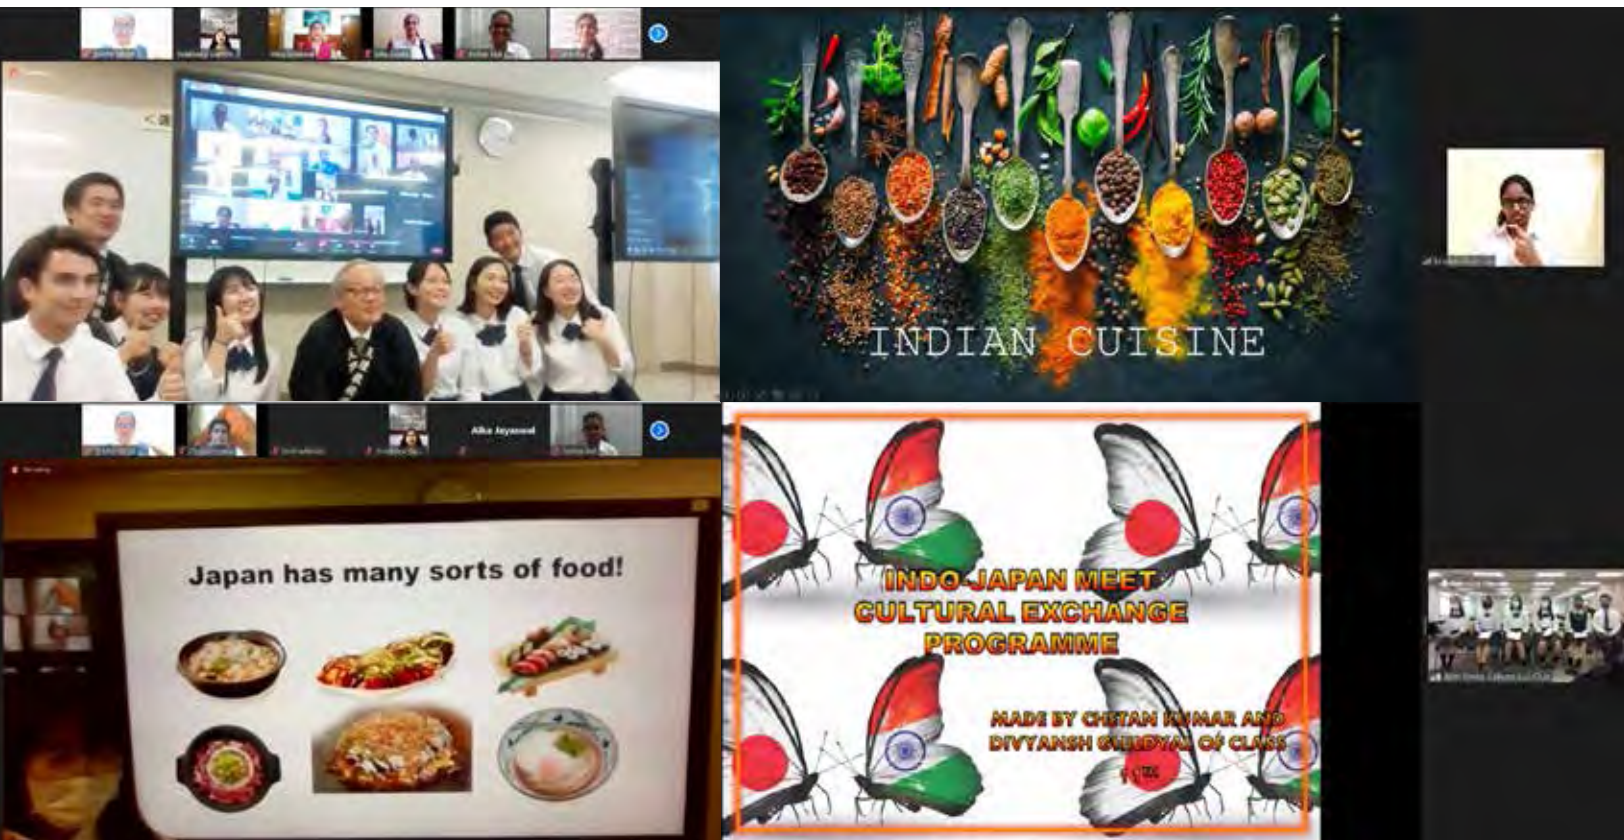

INDO-JAPAN PARTNERSHIP

The Indo-Japan Exchange Program took off on 29th May, 2021 with its first Indo- Japan Zoom Meet between the students of Bharatiya Vidya Bhavan's Mehta Vidyalaya, India and Tensi Kyoka Gakuen High School, Japan. This meet was led by Mrs. Aradhana Gambhir, Ms. Saumya Nair, Mrs. Indu Banerjee, Mr. Scot and Mr. Paul.

The Principals of both schools, Dr. Anju Tandon and Mr. Hajime Nakata welcomed this exchange program and expressed gratitude for collaborating together to exchange their rich culture and traditions in this globalized world.

The students of both the schools showcased their PPT's on the history of the country, different festivals, cuisines, dresses, flowers, tourist places etc. The presentations were informative as well as appealing.

Mrs. Alka Jayaswal, Vice Principal presented the vote of thanks and appreciated the PPTs made by the students of both the schools. She stated that these programmes would surely provide a platform to the students to share their thoughts and ideas. She concluded by congratulating the coordinating teachers of both the schools for organizing such interactive session.

The programme ended with a photo session of the students and teachers of Indo –Japan cultural exchange group.

INDO-TAIWAN PARTNERSHIP

The Inauguration and MoU Signing Ceremony of International Education Programme between 28 Primary and Secondary Schools of India and 28 Taiwanese Schools was hosted by Mount Abu School, Rohini on 24th March, 2022.

Mr. Ge Baoxuan, the representative of the Republic of China in India, and Mr. Chen Liying, the head of the education team, were present to witness the event.

One among the 19 participating schools from the capital Delhi was Bharatiya Vidya Bhavan's Mehta Vidyalaya while the other 9 primary and secondary schools were from Kerala, Karnataka, Central Madhya Pradesh, Northern Punjab and other provinces.

Our school Principal, Dr. Anju Tandon signed the MoU thus laying a foundation for inter-school exchange and cooperation which will surely broaden students' horizons as "global citizens".

Right now both the Indian & Taiwanese schools will focus on video communication in the initial stage with exchanges in the fields of multiculturalism, religion and customs, and hope to have the opportunity to lead students to visit Taiwan in the future.

SAS CAMP-2021

Mehta Vidyalaya organized the Social Awareness and Sensitivity Camp, online from 26th April to 7th May, 2021 under the coordinatorship of Mrs Aradhana Gambhir, Dr Jyoti Dev Rishi & Mr Rakesh Rai.

Some of the topics addressed during the Camp were– The Art of Living through healthy breathing, Understanding Law as a career & Legal Studies as a subject, Sanskrit as a subject & its prospects, Building Resilience through Story Telling, Understanding Journalism & Sports Management as a career, Personality Development, Career Counseling, The Jungle Book & Colonial Imagination, Food Psyche, Exploring Korea, Scope of Psychology, Understanding Disabilities: Promoting Community Support, Body Image & Self and Emotional Intelligence.

The students also practiced theatre art and creative writing techniques. The two week long Camp with the well-crafted sessions was highly appreciated by the students as well as their parents.

International Yoga Day - June 21, 2021

On the occasion of International Yoga Day, Mehta Vidyalaya organized an online Yogautsav on 21 June 2021 under the guidance of Yoga Guru Shri Mukesh Dwivedi. School Principal, Dr. Anju Tandon, Vice Principal, Mrs. Alka Jayaswal along with the teachers, students as well as their parents participated in the Yoga Utsav.

Yoga Acharya Shri Mukesh Dwivedi led the Common Yoga Protocol (CYP) session with the sports teachers which lasted for 90 minutes. The students practiced various asanas, pranayama and meditation in a gradual change under the direction of the yoga teacher and under the supervision of trained volunteers. The entire “yoga practice” ended with an oath by all the participants that they would continue to practice yoga to keep their body and mind in a healthy, stress free and cheerful state. The basic objective of this event is to give wide publicity to the various dimensions of Yoga and its utility as well as to promote health, happiness, harmony and peace.

Some of the pre-program activities organized in our school for students to commemorate International Yoga Day-2021 included making a chart on any of the 5 asanas and stating their benefits. A ten day special yoga session was arranged for the school staff who practiced asanas and also enthusiastically practiced pranayama and meditation under the guidance of Yoga Acharya.

Munshi Memorial Inter School Recitation and Lilavati Munshi Memorial Painting Competition 2021

Bharatiya Vidya Bhavan's Mehta Vidyalaya organized its first online and 48th Munshi Memorial Inter school Recitation and Lilavati Munshi Memorial painting competition from 13th to 22nd April, 2021 culminating in the online valedictory ceremony on 24th June 2021. The competition saw participation of 20 schools of Delhi NCR in four main events – English Recitation, Hindi Recitation, Sanskrit Shloka Gyan and Painting. Dr. (Mrs.) Anju Tandon, Principal, Mehta Vidyalaya lauded the spirit of participation of all the students, further adding that each one of them was a winner and that success is a journey, not a destination.

Dr. C. K. Arya, Manager, Mehta Vidyalaya highlighted the various facets of the dynamic personality of the Founder Father, Kulapati K.M. Munshi. Dr. A. K. Sharma, Regional Education Officer, Mehta Vidyalaya assured the participants that the skills gained through participation in such competitions, would stand them in good stead in their future. In his inspiring speech, Chief Guest, Shri Ashok Pradhan, Director, Bhavan's Delhi Kendra mentioned that Bharatiya Vidya Bhavan's uniqueness lay in promoting India's rich culture, heritage and values through "Sanskrit and Sanskriti". The winners were honoured with e-certificates. The ceremony concluded with a vote of thanks proposed by Smt. Alka Jayaswal, Vice Principal, Mehta Vidyalaya.

National Accreditation Board for Education and Training (NABET) Visits

National Accreditation Board for Education and Training (NABET) planned their first virtual visit for Accreditation between **July 29 - 30, 2021**. Dr. Meenakshi Bana and Group Captain BCS Bharathi were the assessors.

During their two-day visit, the assessors were given a virtual tour of the school infrastructure which included labs, library, classes, toilets, playground, etc. Their main focus was around our stringent controls on Health and Security of students and staff members. It was followed by assessing the key domain(s) namely, School Governance; Education & Support process; and; Performance Measurement & Improvement. The assessors interacted with the respective process owners and went through the documentation maintained by each process.

They provided their valuable feedback on Quality Objectives to the respective process owners. They also appreciated the school's infrastructure and the highly energetic teaching staff.

The final physical visit was conducted on **March 16 – 17, 2022** to check the smooth implementation of NABET assessment. Dr. S.C. Kaushik was the Lead assessor and Dr. B. Singh was the Co-assessor for the accreditation process.

The assessors went on rounds for the observation of functioning of labs and interacted with lab in charges, followed by observation of school infrastructure and learning environment. Then, the team of assessors advanced to complaint handling committee, action research team, feedback committee, SWOT, School Office functioning, Physical Education department. They also looked into the key findings of the internal audit done in the school and discussed about the Accreditation Manual, Mission of the school, Quality objectives and afterwards they surveyed the dispersal of students.

The Assessors and the respective process owners of Admissions, Human Resources and Transport department interacted with the parents/ stakeholders. The Assessors communicated with the senior students of the school about the significant role of school in their overall growth. Then the Administrative department of the school was visited by the Assessors and the suggestions were given to improve the functioning. Thereafter, a visit to school library was done. Financial Resources; Examination and Assessment; Ethical values, continual improvement; Self-Assessment

and Compliance with CBSE requirements were discussed and their valuable points were taken and noted by the process owners for future reference. The two days physical visit by QCI (NABET) culminated with a brief discussion with all the process owners and the school administration by the Assessors.

They finally appreciated the able guidance of the school Principal Dr. (Mrs.) Anju Tandon and Vice Principal, Mrs. Alka Jayaswal and Accreditation Co-ordinator, Mrs. Dimple Joneja.

AUTHORITY AND RESPONSIBILITY

ACTIVITY COORDINATORS

AUTHORITY (It means the decision-making power of the person or persons in charge, to decide the activities of their process)

1. Planning dates and structuring manner to ensure programme of assemblies and events.
2. Delegation of duties to Class teachers, work experience department, student council for planning and organizing assemblies and events.
3. Give a reminder call/ explanation call to the defaulters.

RESPONSIBILITY (Duties they are responsible for the smooth conclusion of the program)

1. Ensuring availability of resources for smooth conclusion of assemblies, events and celebrations.
2. Follow up with teachers to ensure effective participation of students.
3. Issuing timely notices and instructions to various in-charges.

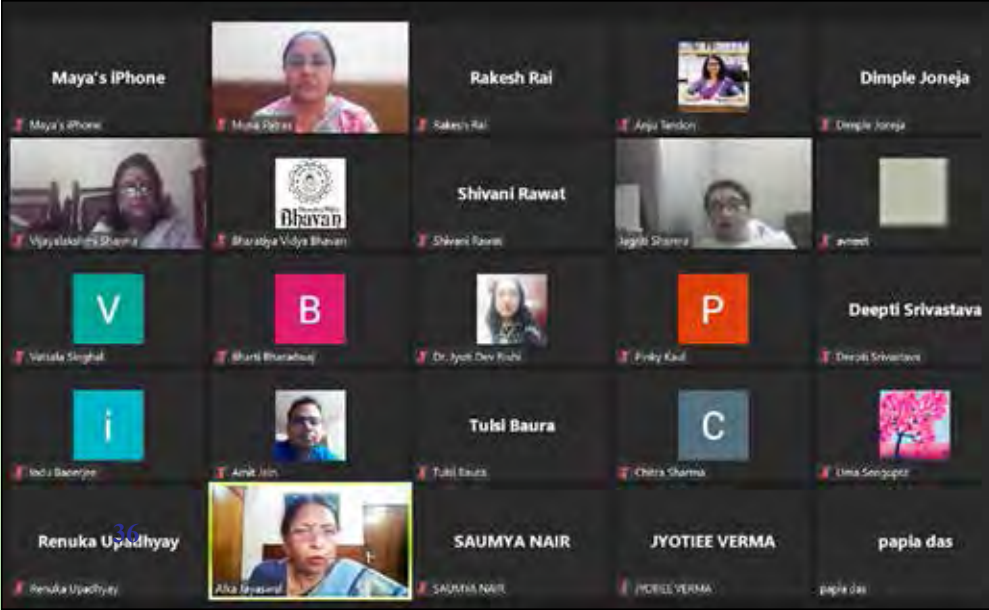

QCI Briefing Report

An Online meeting was conducted by Mrs. Dimple Juneja, QCI Coordinator in the presence of Dr. (Mrs.) Anju Tandon, Principal, BVBMV and Mrs. Alka Jayaswal, Vice Principal for all Heads of the Department and the teachers of Nursery classes to XII on October 08, 2021.

The Core Team members of QCI presented the Mission and Vision statement, SOPs, Quality Check of processes (SWOT, PDCA Review Meeting), and Master List. The members explained the three Smart Quality Objectives selected by the committee, i.e. Intellectual development, creative expression and environmental sensitivity. The team members stressed that the teachers while conducting all the class activities should be prepared to keep in mind the smart quality objectives.

Mrs. Jagriti Sharma, Examination Head, displayed a comprehensive matter on data-driven monitoring of Scholastic and Co-Scholastic aspects to be followed while evaluating the students and to be recorded and maintained by each class teacher. The changes in assessment pattern were explained to the teachers and a sample blue-print pattern was also shown along with analysis of the question paper to be done by the subject teachers.

Mrs. Kirti Sarkar, HOD Fine Arts Dept. revealed the assessment scheme for Painting as a subject while Mr. Prakash Rawat, HOD Physical Education Dept. spoke

about the assessment in Physical Education as a subject.

Demonstration on data-driven monitoring of Co-Curricular activities was exhibited by Mrs. Keerti Chaturvedi, Chief House Coordinator, who highlighted that Co-curricular activities in term-II will be divided into two different categories - Communicative and Creative skills.

Mrs. Sharmila Saha, Feedback Committee In-charge explained how feedback questions will be received centrally via the four e-mail ids for the different levels, the feedback sample questions to be prepared by different Committee In-charges and the frequency of taking the feedback from the parents.

The Complaint Handling Process was explained by Dr. Jyoti Dev Rishi, School Counselor with new format of complaint forms to be filled by Class Teachers.

Mrs. Aradhana Gambhir, In-charge of the newly formed Action Research Committee put forward the Action Research Plan of the committee. The meeting concluded with Mrs. Dimple Juneja, School QCI Coordinator proposing the vote of thanks.

Complaint Handling Committee

DR. JYOTI DEV RISHI I/C

MRS. NEETA SRIVASTAVA
MRS. ANNU SAGAR
MRS. JESSAMA JOSEPH
MRS. RITU SEHGAL
MRS. NEERU NIGAM (SPECIAL EDUCATOR)
MRS. TULSI BAURAH (SPECIAL EDUCATOR)
MR. RAKESH RAI

REVIEW MEETING

- ▶ An effective method for quality check
- ▶ Minimum one meeting per month
- ▶ Compiled record of MOM (Minutes of the Meeting)

BIG DATA ANALYTICS

Mrs. Alka Jayaswal
VICE PRINCIPAL

Big Data is today, the hottest buzzword around, and with the amount of data being generated every minute by consumers, or/and businesses worldwide, there is huge value to be found in Big Data analytics. Big Data analytics is a process used to extract meaningful insights, such as hidden patterns, unknown correlations, market trends, and customer preferences. Big Data analytics provides various advantages-it can be used for better decision making, preventing fraudulent activities, among other things. In today's world, Big Data analytics is fueling everything we do online-in every industry. Today, there are millions of data sources that generate data at a very rapid rate. These data sources are present across the world. Some of the largest sources of data are social media platforms and networks. Let's use Facebook as an example- it generates more than 500 terabytes of data every day. This data includes pictures, videos, messages, and more. Data also exists in different formats, like structured data, semi-structured data, and unstructured data. For example, in a regular Excel sheet, data is classified as structured data-with a definite format. In contrast emails fall under semi-structured, and your pictures and videos fall under unstructured data. All this data combined makes up Big Data. Benefits and Advantages of Big Data Analytics Businesses big or small, across industries can benefit from using big data effectively. The benefits of big data and analytics include better

decision-making, bigger innovations, and product price optimization, among others. Let's look at the top benefits closely:

1. **Customer Acquisition and Retention** The digital footprints of customers reveal a lot about their preferences, needs, purchase behavior, etc. Businesses use big data to observe consumer patterns and then tailor their products and services according to specific customer needs. This goes a long way to ensure customer satisfaction, loyalty, and ultimately a considerable boost in sales. Amazon has utilized this big data benefit by offering the ultimate personalized shopping experience, wherein suggestions pop up based on previous purchases as well as products that other customers have bought, browsing patterns, and other factors.
2. **Focused and Targeted Promotions** Big data allows businesses to deliver customized products to their targeted market—no more spending fortunes on promotional campaigns that do not deliver. With big data, enterprises can analyze customer trends by monitoring online shopping and point-of-sale transactions. These insights are then used to design-focused and targeted campaigns that help brands live up to customer expectations and build brand loyalty.
3. **Potential Risks Identification** Businesses function in high-risk environments, so they require effective risk management solutions to address issues. Big data plays a critical role in developing effective risk management processes and strategies. Big data analytics and tools promptly reduce risks by optimizing complex decisions for unexpected events and

potential threats. The insights you gain using big data analytics are the key to innovation. Big data allows you to update existing products/services while innovating new ones. The large volume of data collected helps businesses identify what fits their customer base. Information on what others think of your products/services can help in product development. The insights can also be used to twist business strategies, improve marketing techniques, and optimize customer service, employee productivity. In today's competitive market space, it is necessary for businesses to implement processes that help track customer reviews, the success of products, and monitor competitors. Big data analytics facilitates real-time tracking of the market and keeps you ahead of competitors.

4. **Complex Supplier Networks** Companies that use big data offer supplier networks or B2B communities with higher precision and insights. Suppliers can apply big data analytics to evade constraints they usually face. Big data allows suppliers to use higher levels of contextual intelligence that is crucial for success.
5. **Cost optimization** One of the most compelling benefits that big data tools like Hadoop and Spark offer include significant cost advantages for storing, processing, and analyzing large volumes of data. The cost reduction benefit of big data is aptly demonstrated through an instance from the logistics industry. Typically, the cost of returns is 1.5 times higher than normal shipping costs. Companies use big data and analytics to minimize product return costs by calculating the chances of product returns. Thus they can take suitable measures to minimize product-return losses.

6. **Improve Efficiency** Big data tools can improve operational efficiency—your interaction with customers and their valued feedback help to collect large amounts of valuable customer data. Analytics can then extract meaningful patterns hidden within the data to create customized products. The tools can automate routine processes and tasks, thereby freeing up valuable time for employees, which they can utilize to perform tasks requiring cognitive skills.

BIG DATA ANALYTICS TOOLS

Here are some of the key big data analytics tools :

- ♦ Hadoop - helps in storing and analyzing data
- ♦ MongoDB - used on datasets that change frequently
- ♦ Talend - used for data integration and management
- ♦ Cassandra - a distributed database used to handle chunks of data
- ♦ Spark - used for real-time processing and analyzing large amounts of data
- ♦ STORM - an open-source real-time computational system
- ♦ Kafka - a distributed streaming platform that is used for fault-tolerant storage

BIG DATA INDUSTRY APPLICATIONS

Here are some of the sectors where Big Data is actively used:

- ♦ E-commerce - Predicting customer trends and optimizing prices are a few of the ways e-commerce uses Big Data analytics
- ♦ Marketing - Big Data analytics helps to drive high ROI marketing campaigns, which result in improved sales

- ♦ Education - Used to develop new and improve existing courses based on market requirements
- ♦ Healthcare - With the help of a patient's medical history, Big Data analytics is used to predict how likely they are to have health issues
- ♦ Media and Entertainment - Used to understand the demand of shows, movies, songs, and more to deliver a personalized recommendation list to its users
- ♦ Banking - Customer income and spending patterns help to predict the likelihood of choosing various banking offers, like loans and credit cards
- ♦ Telecommunications - Used to forecast network capacity and improve customer experience
- ♦ Government - Big Data analytics helps governments in law enforcement, among other things

Despite the numerous benefits of big data and analytics, there are still many untapped possibilities in the data world that remain to be explored. As businesses look to exploit the power of big data, there is a high demand for professionals with data analytical skills who can boost the organization as well as their careers.

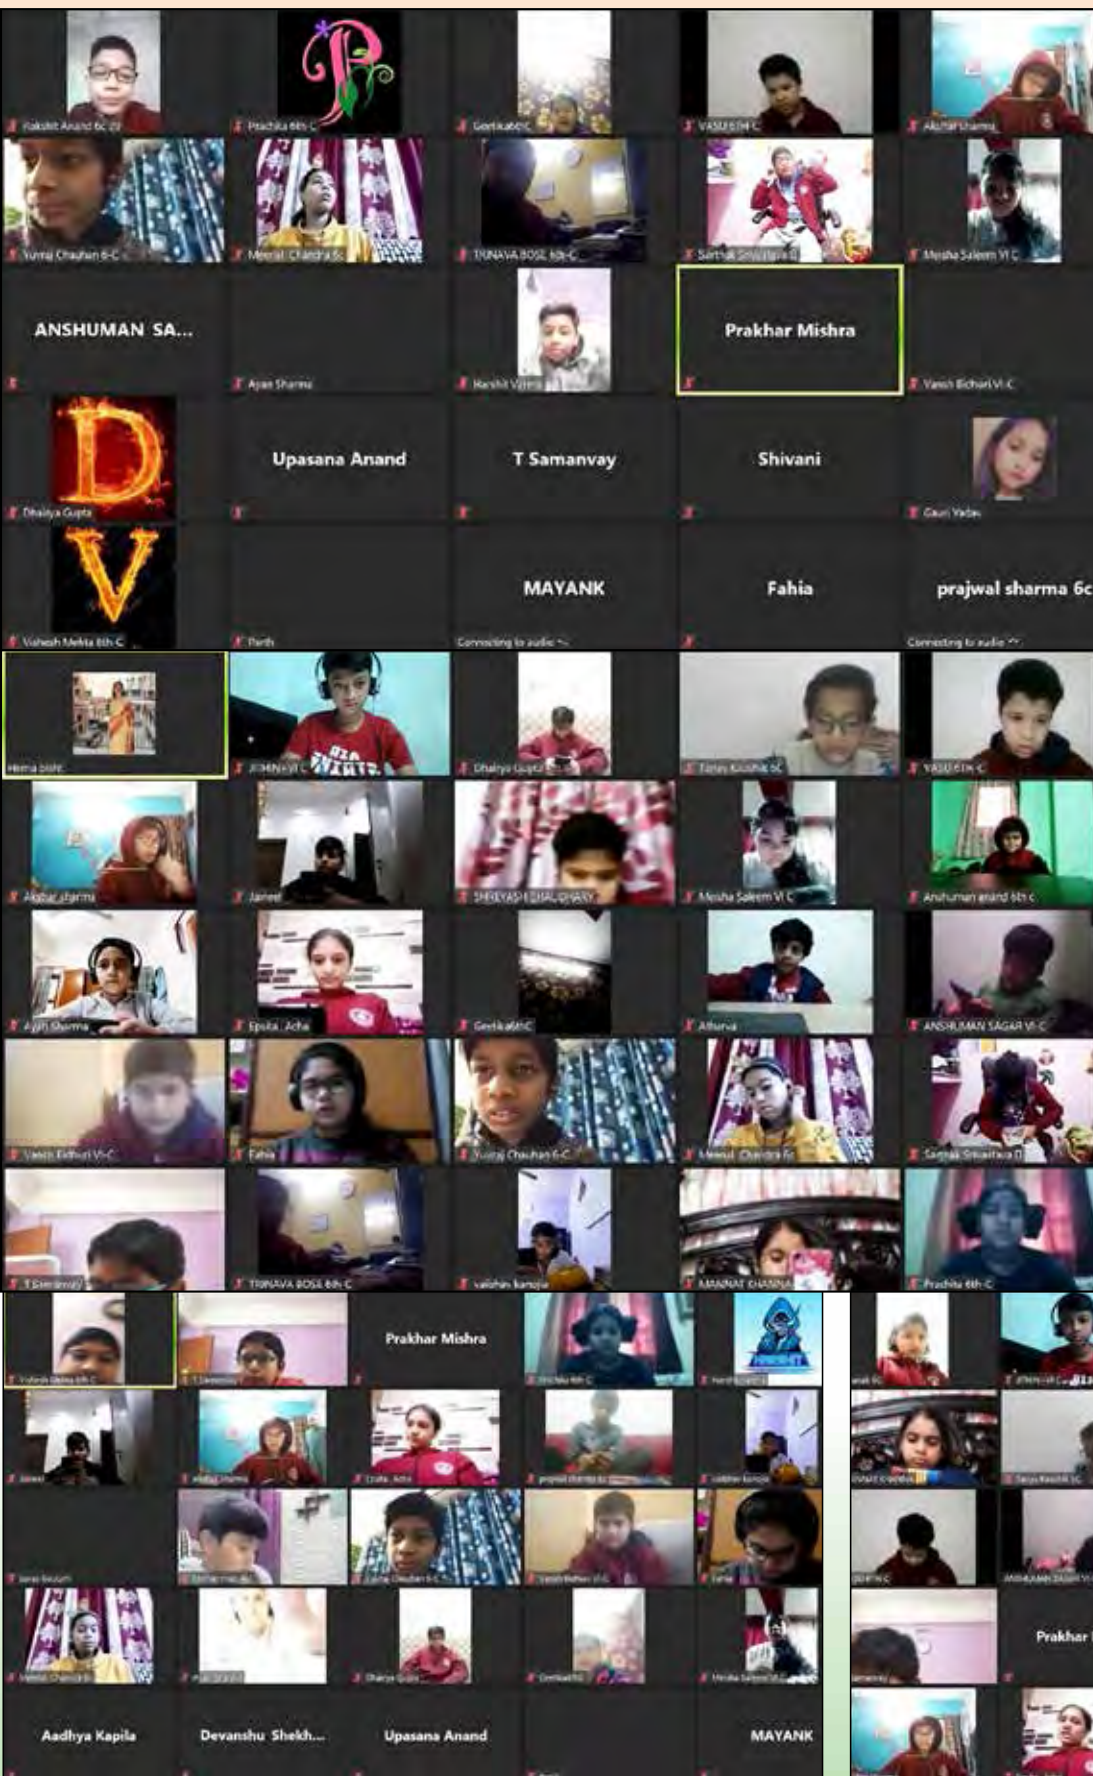

HAPPINESS CURRICULUM SESSION 2022

Happiness curriculum during the zero period/class teacher period is taken up by the class teachers and students with great enthusiasm and interest.

During the zero period the specific happiness curriculum of the month prepared by teachers is followed. The happiness classes start daily with activities like meditation, deep breathing exercises and eye exercises.

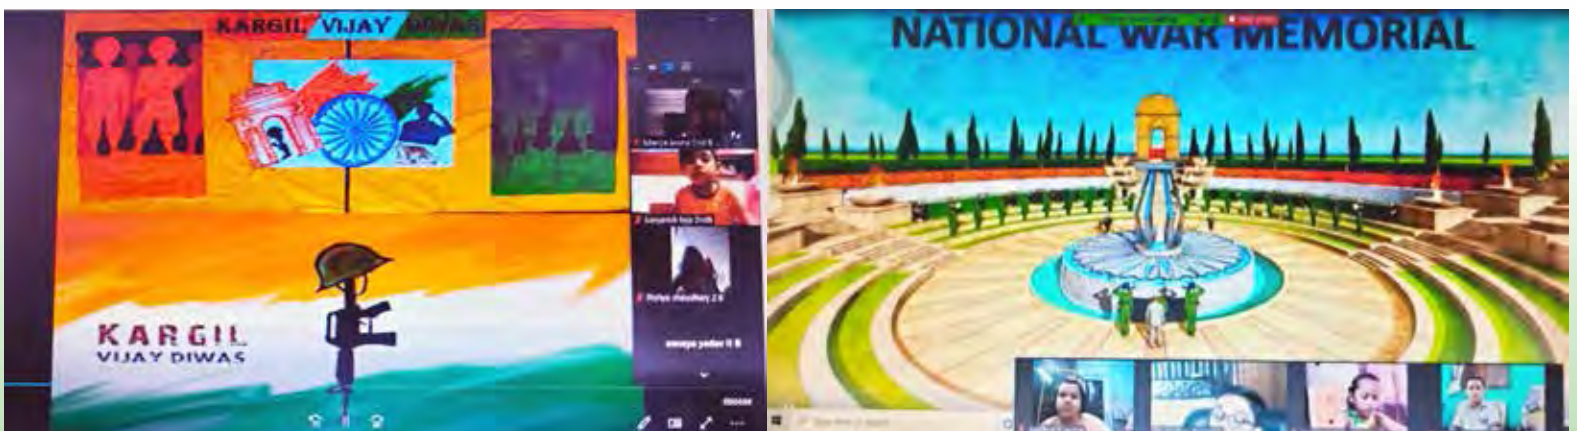

This is followed by students participating in activities planned for the month. The activities planned for the session were like “What I want to become when I grow up”, “Financial literacy”, “Traffic rules to follow”, “Places I visited during vacation”, “Show and tell activity” etc.

All these activities helped students to start their day with a positive note, a relaxed mind which helped them to focus better in their studies.

KARGIL DIWAS

The students of classes I & II celebrated Kargil Vijay Diwas on 23rd July, 2021 to honour the brave soldiers who sacrificed their lives in Kargil War to save our motherland. An enlightening and informative PowerPoint presentation prepared by teachers was shown to the students in which the significance of Kargil War and sacrifices of our Kargil heroes was shown to the young learners. The students were taken to a virtual tour to War Memorial built in the memory of the martyrs of Kargil War. The young learners learnt and sang the song “Hum Bharat ke Vir Sipahi “ and participated in on the spot online drawing and colouring activity depicting our brave soldiers. The activity instilled a feeling of patriotism and respect in the tiny tots.

SCHOOL APPOINTMENTS 2021-22

The final round of interview for the school appointments and vice-appointments were conducted online through Zoom platform on 2nd September, 2021.

The Interview Panel comprised of -Mrs. Alka Jayaswal (Vice Principal), Mrs. Jagriti Sharma (Senior Academic Coordinator XI-XII), Mrs. Dimple Joneja (HOD, Hindi Department), Mrs. Sharmila Saha (HOD, English Department), Mr. Prakash Rawat (HOD, Sports Department), Mrs. Keerti Chaturvedi (Chief House Coordinator), Mrs. Saumya Marwah (Activity Incharge VI-VIII) & Dr. Jyoti Dev Rishi (School Counsellor). After scrupulous interviewing and selection, the following students were selected as the Main Appointments and Vice Appointments for 2021-22:

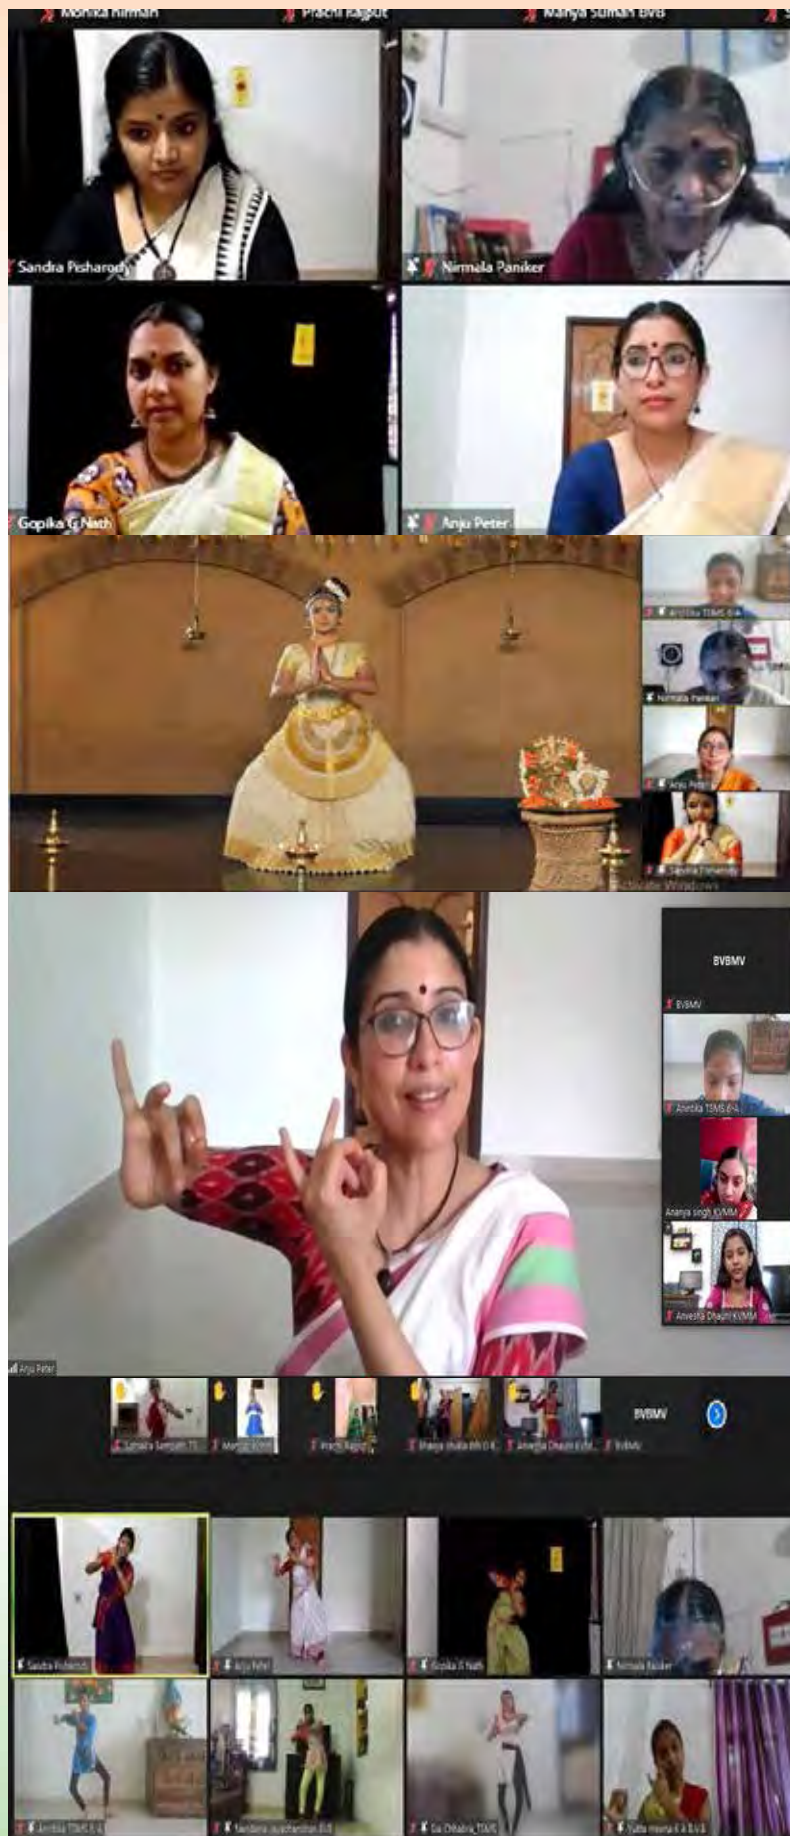

MAIN APPOINTMENTS (BOYS)-CLASS XII

S. No	Post	Name Of the Student	Class & Section
1.	Head Boy	Kushagra Gajjar	XII-B
2.	Cultural Head Boy	Nikhil Suresh	XII-D
3.	Cultural Head Boy	Rishi Gupta	XII-B
4.	Discipline Head Boy	Parth Bahl	XII-C
5.	Discipline Head Boy	Ujjawal Gupta	XII-B
6.	Sports Head Boy	Keshav Jaggi	XII-B

MAIN APPOINTMENTS (GIRLS)-CLASS XII

S. No	Post	Name Of the Student	Class & Section
1.	Head Girl	Shambhavi Naithani	XII-A
2.	Cultural Head Girl	Aditi Kediya	XII-A
3.	Cultural Head Girl	Ishita Raj	XII-B
4.	Discipline Head Girl	Tnisha Budhiraja	XII-B
5.	Discipline Head Girl	Aditi Madhotra	XII-A
6.	Sports Head Girl	Anya Gupta	XII-A

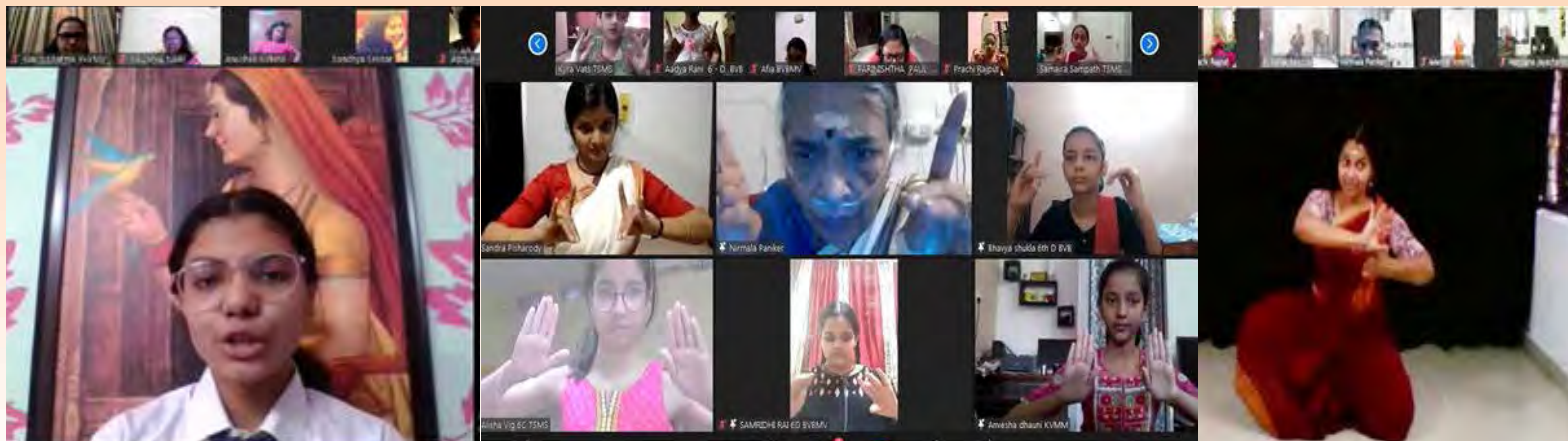

SPIC MACAY – ANUBHAV SERIES

Mehta Vidyalaya under the aegis of SPIC MACAY hosted the Anubhav Series from 10th to 14th October, 2021 on the virtual platform. This five day interactive workshop was taken by renowned Mohiniyattam dance exponent & choreographer, Guru Nirmala Panicker, who is the recipient of the highest award of Kerala, 'Kerala Nrithya-Natya Puraskaram'. The workshop saw an enthusiastic participation of 70 students from 3 schools – the host school-Mehta Vidyalaya; The Shriram Millennium School, Noida & Kendriya Vidyalaya, Masjid Moth.

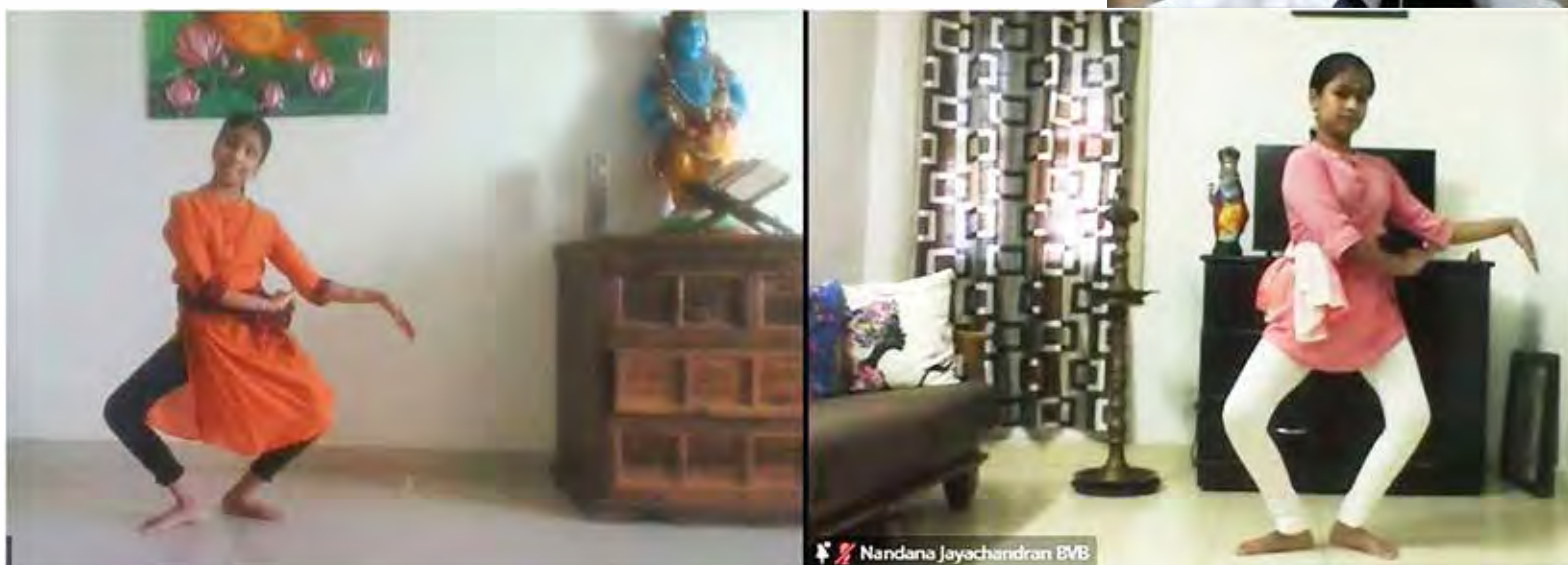

Over the course of five days Guru Nirmala Panicker and her three disciples – Gopika G.Nath, Sandra Pisharody & Anju Peter taught the enthused participants about the Classical dance form-Mohiniyattam, its origin, its basic eye movements & facial expressions, 24 Mudras & Slokhas, how to perform Namaskaram & Aramandala posture. Guru Nirmala Panicker and her disciples with their lecture-cum-demonstration displayed the mudras with skillful hands and delicate dance postures which took the student participants into a journey of 'Indian Performing Arts'.

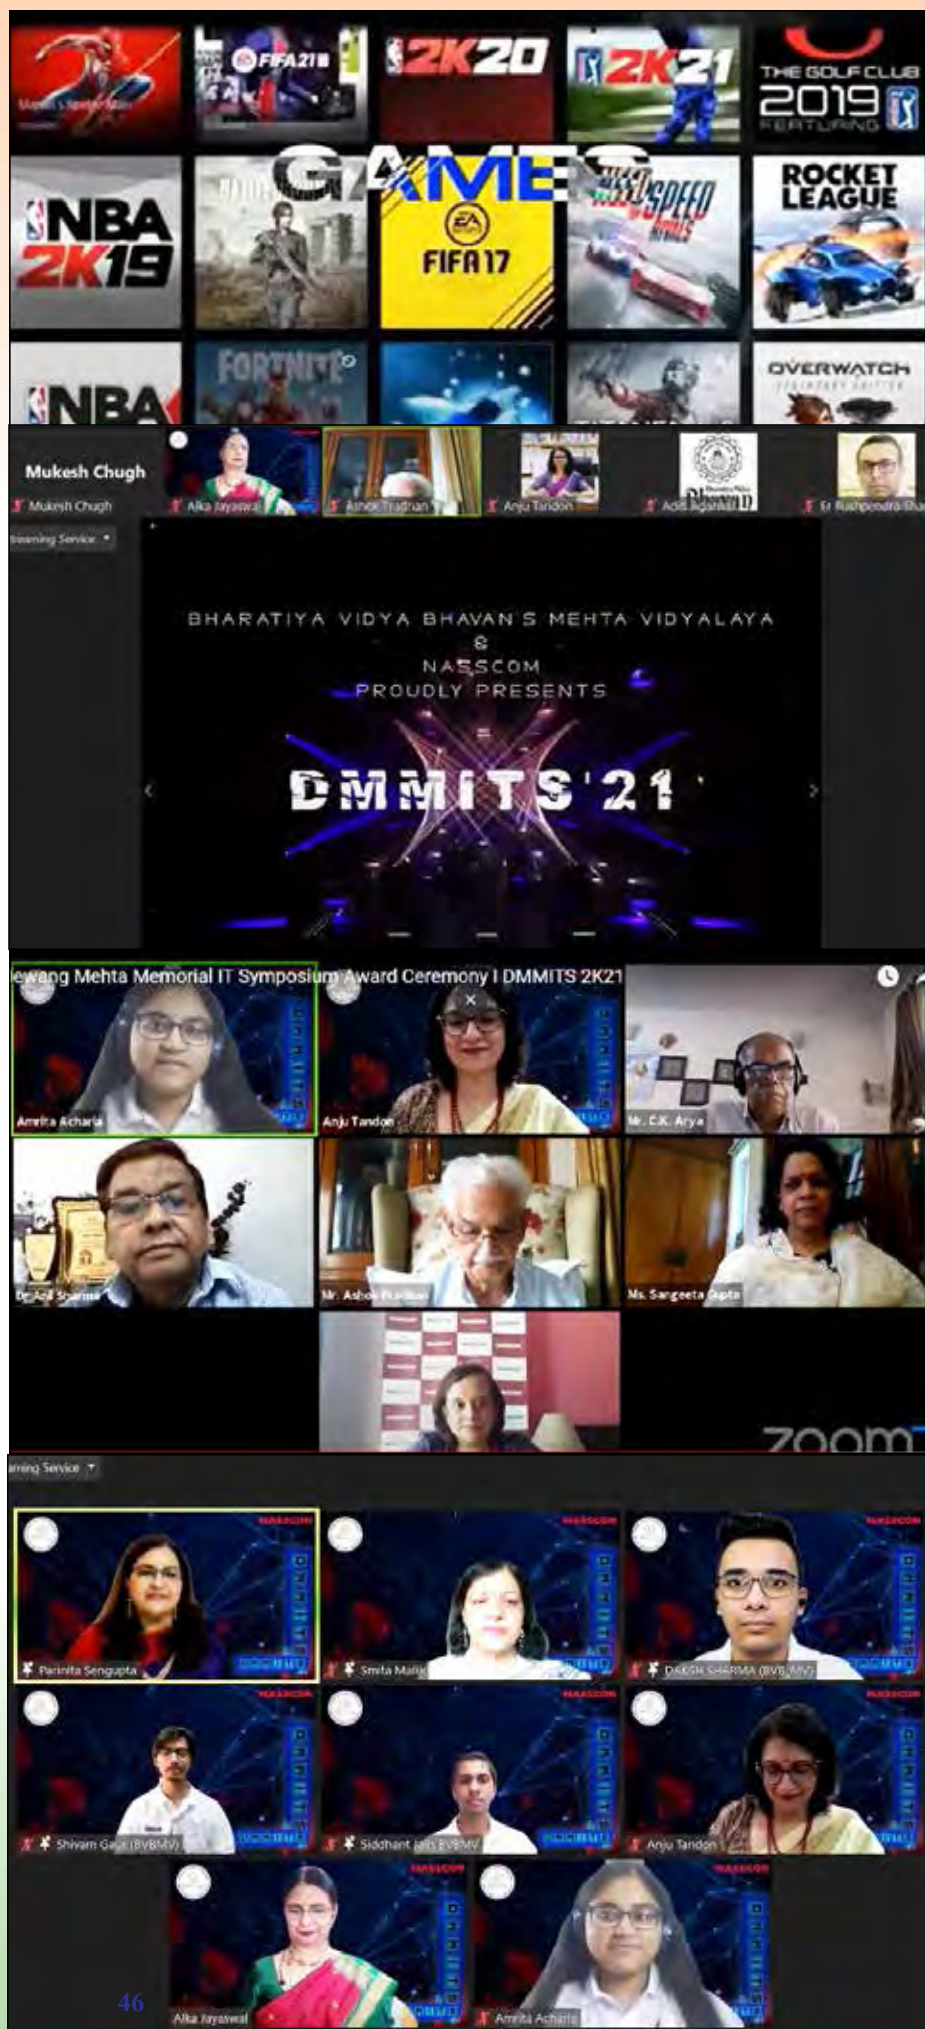

On 14th October, 2021 the concluding day of the Series, a special Presentation Ceremony was graced by Dr. Anju Tandon, School Principal, BVB Mehta Vidyalaya; Mrs. Alka Jayaswal, Vice Principal, BVB Mehta Vidyalaya and Ms. Itika Gupta from SPIC MACAY. Also present were the teacher coordinators of all 3 schools and parents of the student participants. The Presentation Ceremony began with a brief introduction of the Classical dance form – Mohiniyattam followed by Guru Nirmala Panicker sharing her experience about the five days intensive workshop and 2 students from the participating school sharing their individual experience about learning from the Guru under this workshop. The ceremony saw the student participants in groups showcasing the 24 Mudras and Krishna Mukunda Dance that they learnt during the course of this workshop. The ceremony also showcased the Mohiniyattam performances of the two students nominated by Guru Nirmala Panicker namely- Anintika of

Shriram Millennium School, Noida & Nandana Jayachandran of BVB Mehta Vidyalaya. The ceremony concluded with the vote of thanks being proposed by Shnaya Aggarwal of BVB Mehta Vidyalaya.

The Anubhav series has truly provided the registered student participants over the span of five days, an opportunity to experience the inspiration and mysticism embodied in Indian Culture and Heritage and an 'anubhav' to cherish forever.

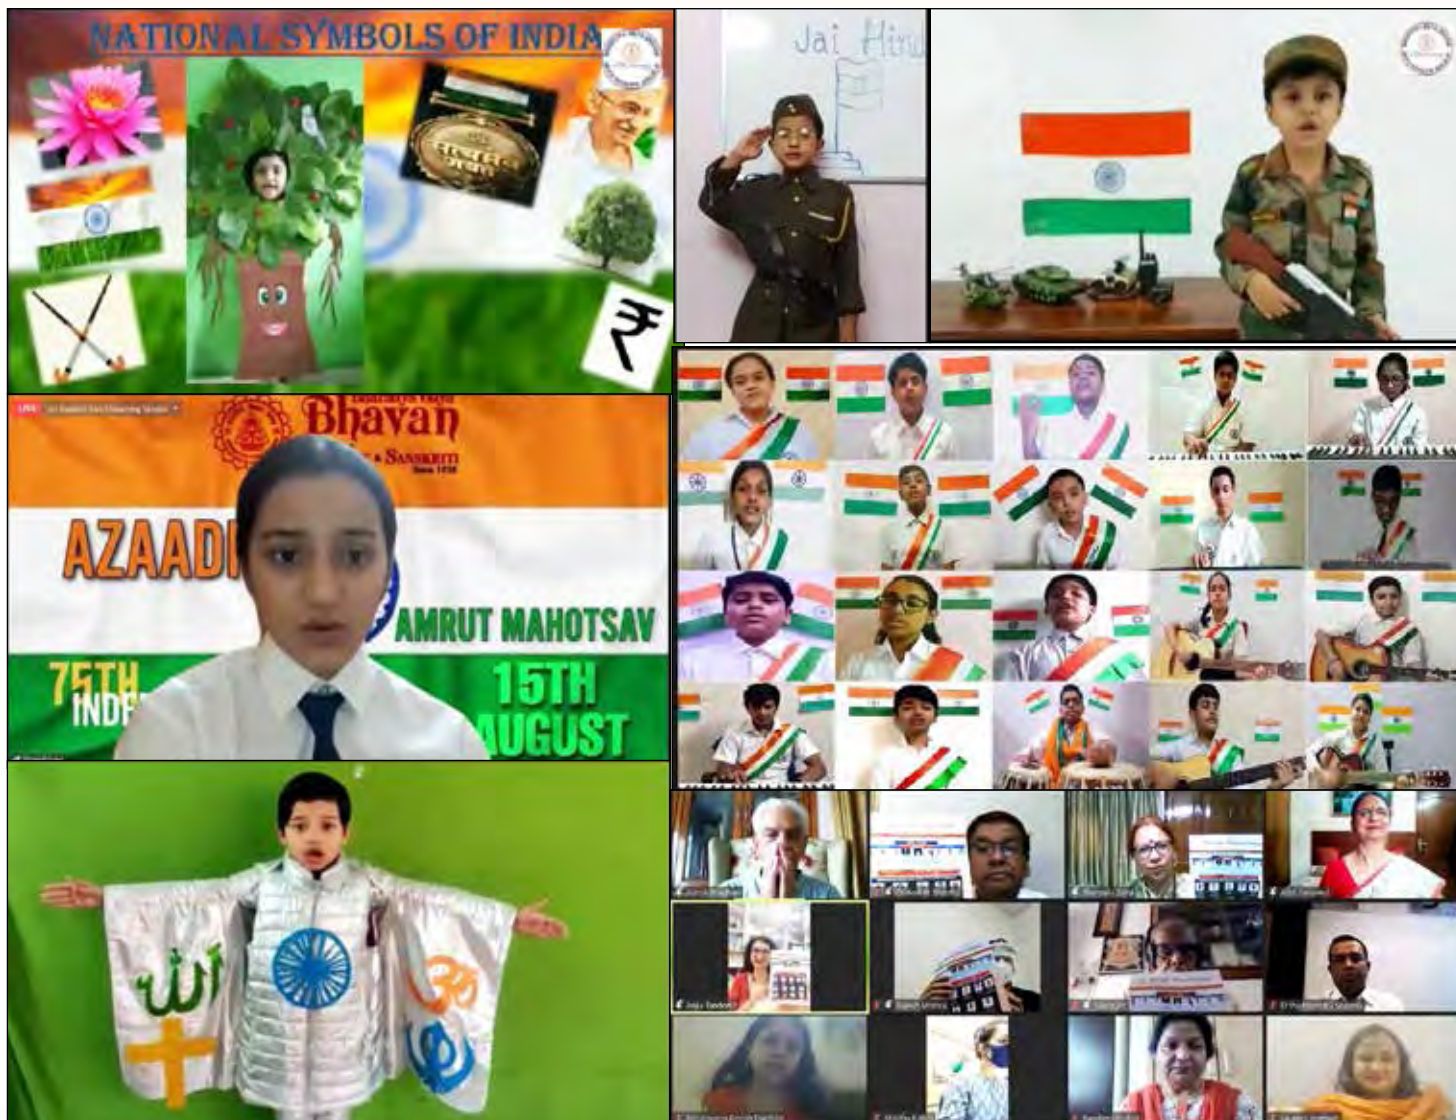

Dewang Mehta Memorial Inter-School IT Symposium - 2021

Bharatiya Vidya Bhavan's Mehta Vidyalaya hosted the 2nd online and 21st Dewang Mehta Memorial Inter-School IT Symposium on 10th August, 2021 in collaboration with NASCOM. This prestigious event witnessed the competition amongst 45 leading schools of India and 6 international schools to showcase the use of IT innovation skills, integration skills, intelligence and engineering skills in various events like Esh Wars, Eco-Bots, Encode etc.

Ms. Debjani Ghosh, President NASCOM and a veteran of the technology industry was the Chief Guest and Ms. Sangeeta Gupta, Senior Vice President, NASCOM was the Guest of Honour. Dr. (Smt) Anju Tandon, Principal, Mehta Vidyalaya in her address warmly welcomed the dignitaries. Indraprastha World School, Paschim Vihar bagged the Winner's Trophy with Bhavan's Vidyalaya, Panchkula standing as the Runners-up. Smt. Alka Jayaswal, Vice Principal, Mehta Vidyalaya, proposed the vote of thanks.

75TH INDEPENDENCE DAY CELEBRATION

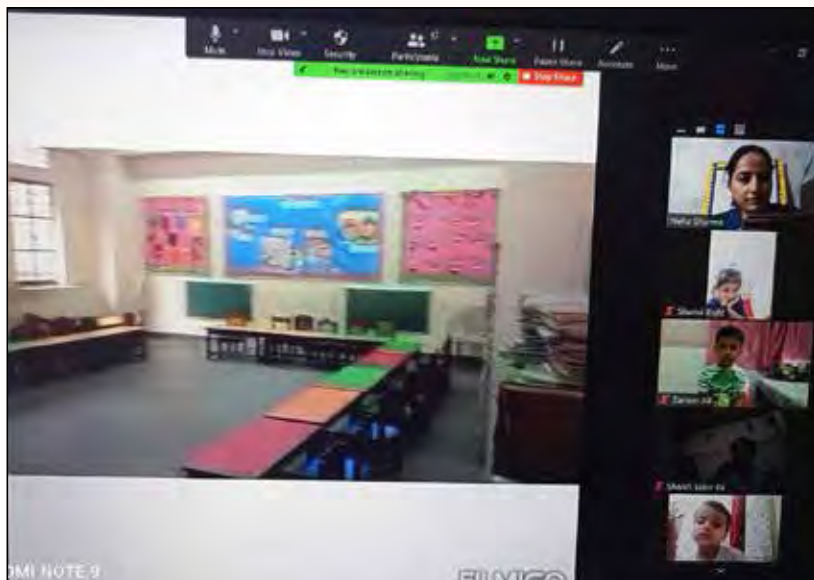

Bharatiya Vidya Bhavan's Mehta Vidyalaya celebrated the 75th Independence Day of India with remarkable fervour on 13th August 2021 on a virtual platform. The programme was graced by Shri Ashok Pradhan, Director Bhavan's Delhi Kendra, Shri Rajesh Mishra, Registrar Bhavan's Delhi Kendra, Dr. A.K Sharma, Bhavan's Regional Education Officer, Dr.C. K Arya, Manager Bhavan's Mehta Vidyalaya, Dr. (Mrs.) Anju Tandon, Principal Bhavan's Mehta Vidyalaya and Mrs. Alka Jayaswal, Vice Principal Mehta Vidyalaya. A short video showcasing a plethora of activities organised virtually to infuse the spirit of unity, brotherhood and patriotism among the students, was presented. To commemorate the sovereignty of our nation, the tricolour flag of India was virtually hoisted by Dr. Ashok Pradhan, Director, Bhavan's Delhi Kendra. He addressed the gathering with his pearls of wisdom on the occasion of Independence Day.

The highlight of the function was the release of the school's biannual Newsletter by the Director, Shri. Ashok Pradhan and other dignitaries. Students of classes Nursery and KG staged an awe-inspiring program 'Azadi ki Kahani, Tab Se Ab Tak', followed by a presentation of the 'national symbols of India', by the students of classes I and II. Thereafter Master Syed Mohammed Musavvir Alam Rizvi recited a patriotic poem. Students of classes VI to IX performed a brilliant dance followed by a soulful patriotic song. The celebrations culminated with a vote of thanks proposed by Faliha Farid Usmani. The celebration was coordinated by Mrs. Keerti Chaturvedi (Chief House Coordinator), Mrs. Saumya Marwah (House Coordinator, Middle School) & Mrs. Ronangona Ghosh Dastidar (House Coordinator, Primary School).

VIRTUAL TOUR OF KINDERGARTEN BLOCK

On August 2, 2021, tiny tots of Nursery and KG got an opportunity to see their kindergarten block through a Virtual Tour. Students were very excited to see their colourful classes, music room, dance room and their play area and couldn't wait to join the school physically. Parents also gave wonderful feedbacks which was quite encouraging and motivating.

Organized by Bhavanites Association & Bhavan's Mehta Vidyalaya

Dr. Mandlik Prahladray Chhaya born on 27 January 1929 in Bhavnagar, Gujarat, was an enterprising and a natural leader who was appointed the Principal at Bhavan's Mehta Vidyalaya in October 1969. A veteran educationist & an avid sportsman, he was instrumental in bringing about many reformatory changes at Mehta Vidyalaya. He was also a wonderful example of a caring educator and Principal whose positive attitude was infectious. He is still fondly remembered for his exemplary leadership by his students and staff members. His demise on 24 August 2021 has left a void in the hearts of every one who knew him. May God grant him eternal peace! To pay tribute to Chhayaji, a virtual 'Shraddhanjali' celebrating his life and legacy was organized by Bhavanites Association and Bhavan's Mehta Vidyalaya on 26 September, 2021 at 7 pm that was live streamed on Facebook as well as YouTube.

EARTHQUAKE PREPAREDNESS:

- DROP
- COVER
- HOLD

MOCK DRILL

Disaster Management Committee of Mehta Vidyalaya conducted an Earthquake Preparedness: Drop Cover Hold Mock Drill in the House Activity period on 19 August, 2021 on Google meet under the guidance of Teachers in-charges Mrs. Anupa Jaitly and Mrs. Jyotiee Verma.

The Mock drill was conducted with the aim of preparing students in case of a disaster. It trains them to follow certain Do's and Don'ts in case of a disaster, which always comes unexpectedly. It is the mock drills that when practiced helps one to face the situation with confidence.

This was the first Online Mock drill since current Pandemic situation to create awareness about Do's and Don'ts during Earthquake situation in the home scenario.

The programme started with a colourful PowerPoint presentation showing information about what is an earthquake,

how we can measure Earthquake magnitude, how many Seismic Zones are in India, Delhi lies in 4th seismic zone and what are the various methods to protect ourselves during Earthquake vibrations with special focus on DROP COVER AND HOLD. Students were shown slides related to steps taken before, during and after an Earthquake. Some important tips like avoiding lifts during Earthquake, not to stand close to trees, electric poles etc. were shown in the PowerPoint presentation.

The presentation was followed by class discussion in which class teachers further explained and discussed the slides and students were encouraged to give their suggestion for Earthquake preparedness. A Quiz on DROP COVER HOLD was held on Google form for students from classes VI-XII.

The programme was attended enthusiastically by students from classes I–XII and was a great success.

Janmashtami

Janmashtami was celebrated with mirth and joy by the students of pre- primary and primary classes. On 26th August, 2021 students of nursery and K.G. decorated 'matkis' using colourful paper cut outs and varied decorative material. Stories of Krishna's birth and tales of his bravery wherein he saved the innocent people of Mathura were narrated to them. On 27th August, 2021 students of classes I and II dressed up as Lord Krishna and Radha with flutes, peacock feathers, matkas in hands and sang Krishna bhajans. They celebrated the birth of Lord Krishna with beautiful dance performances as well.

Ganesh Chaturthi

On 17th September, 2021, celebrating the holy festival of Ganesh Chaturthi, the tiny tots of Nursery prepared delicious coconut ladoos using 2 ingredients - milkmaid and desiccated coconut. They mixed the ingredients and binded them in the shape of ladoos. They coated the ladoos with desiccated coconut and decorated them using dry fruits. The students performed the activity with great vigor and offered their prayers to Lord Ganesha.

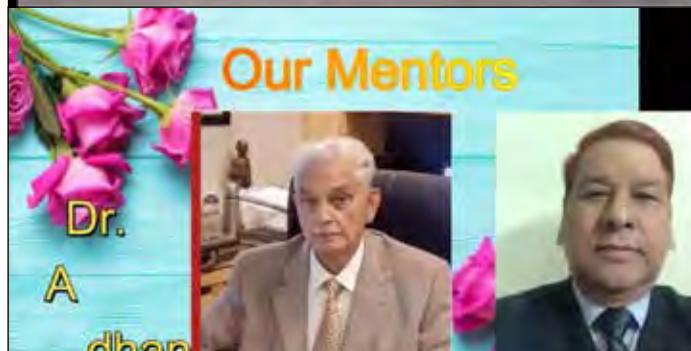

Students of K.G participated in colouring activity by making vibrant and colourful Ganesha.

TEACHER'S DAY CELEBRATION (2021-22)

Bharatiya Vidya Bhavan's Mehta Vidyalaya celebrated Teacher's Day on 4th September, 2021 on the virtual platform. Shri Ashok Pradhan, Director, Bhavan's Delhi Kendra and other dignitaries conveyed their wishes and gave their blessings to all the teachers. Smt. Sarla Shankar and Prof. Vijay Shankar Award instituted in the memory of Smt. Sarla Shankar and Prof. Vijay Shankar, sister and brother-in-law of Director, Shri Ashok Pradhan was awarded to Mrs. Dimple Joneja, HOD Hindi Department. The award included a cash prize of Rs. 11000/- and a certificate.

The programme began by offering floral tribute to Maa Saraswati, the Goddess of knowledge and homage to Dr. Sarvapalli Radhakrishnan. This was followed by the school Head Girl, Shambhavi Naithani (XII A) conveying her best wishes on the occasion and students from Nursery to class II gave their heart-warming wishes in the form of poems and vibrant cards. A splendid self-composed poem recital was presented by Aditi Kediya (XII A) and Chetan Kumar (XI B). A magnificent video assortment of all the faculties was presented. Mrs Vijayalaxmi Sharma recited a self-composed, heart touching poem 'Bin Tumhare Adhuri Hun Main' followed by 'Guru Paduka Strotam', a scintillating dance performance presented by Mrs. Poornima Roy.

shown to the learners. Students were made aware of the key role played by Gandhiji in India's freedom struggle. Followed by this, a quiz was conducted and a cleanliness drive was organized in which students cleaned their houses under all safety measures. Students participated in the quiz and cleanliness drive with great zeal.

In Conversation with Prof. Siddharth Ramji

Our school organized a session “In conversation with Prof. Siddharth Ramji” on October 3, 2021 to prepare students as well as parents on school reopening. Prof. Siddharth Ramji, Director, Professor of Pediatrics Neonatology and former Dean of Maulana Azad Medical College (MAMC), New Delhi and also an alumnus of our school batch 1973, discussed various tips on how parents can help their children in adapting to the new school environment. With schools reopening across India, he highlighted the role of parents in preparing the children learn about the importance of following Covid Appropriate Behaviour. He urged the parents as well the school to motivate and guide students to adjust to hybrid model of learning and also encouraged them to build healthy habits.

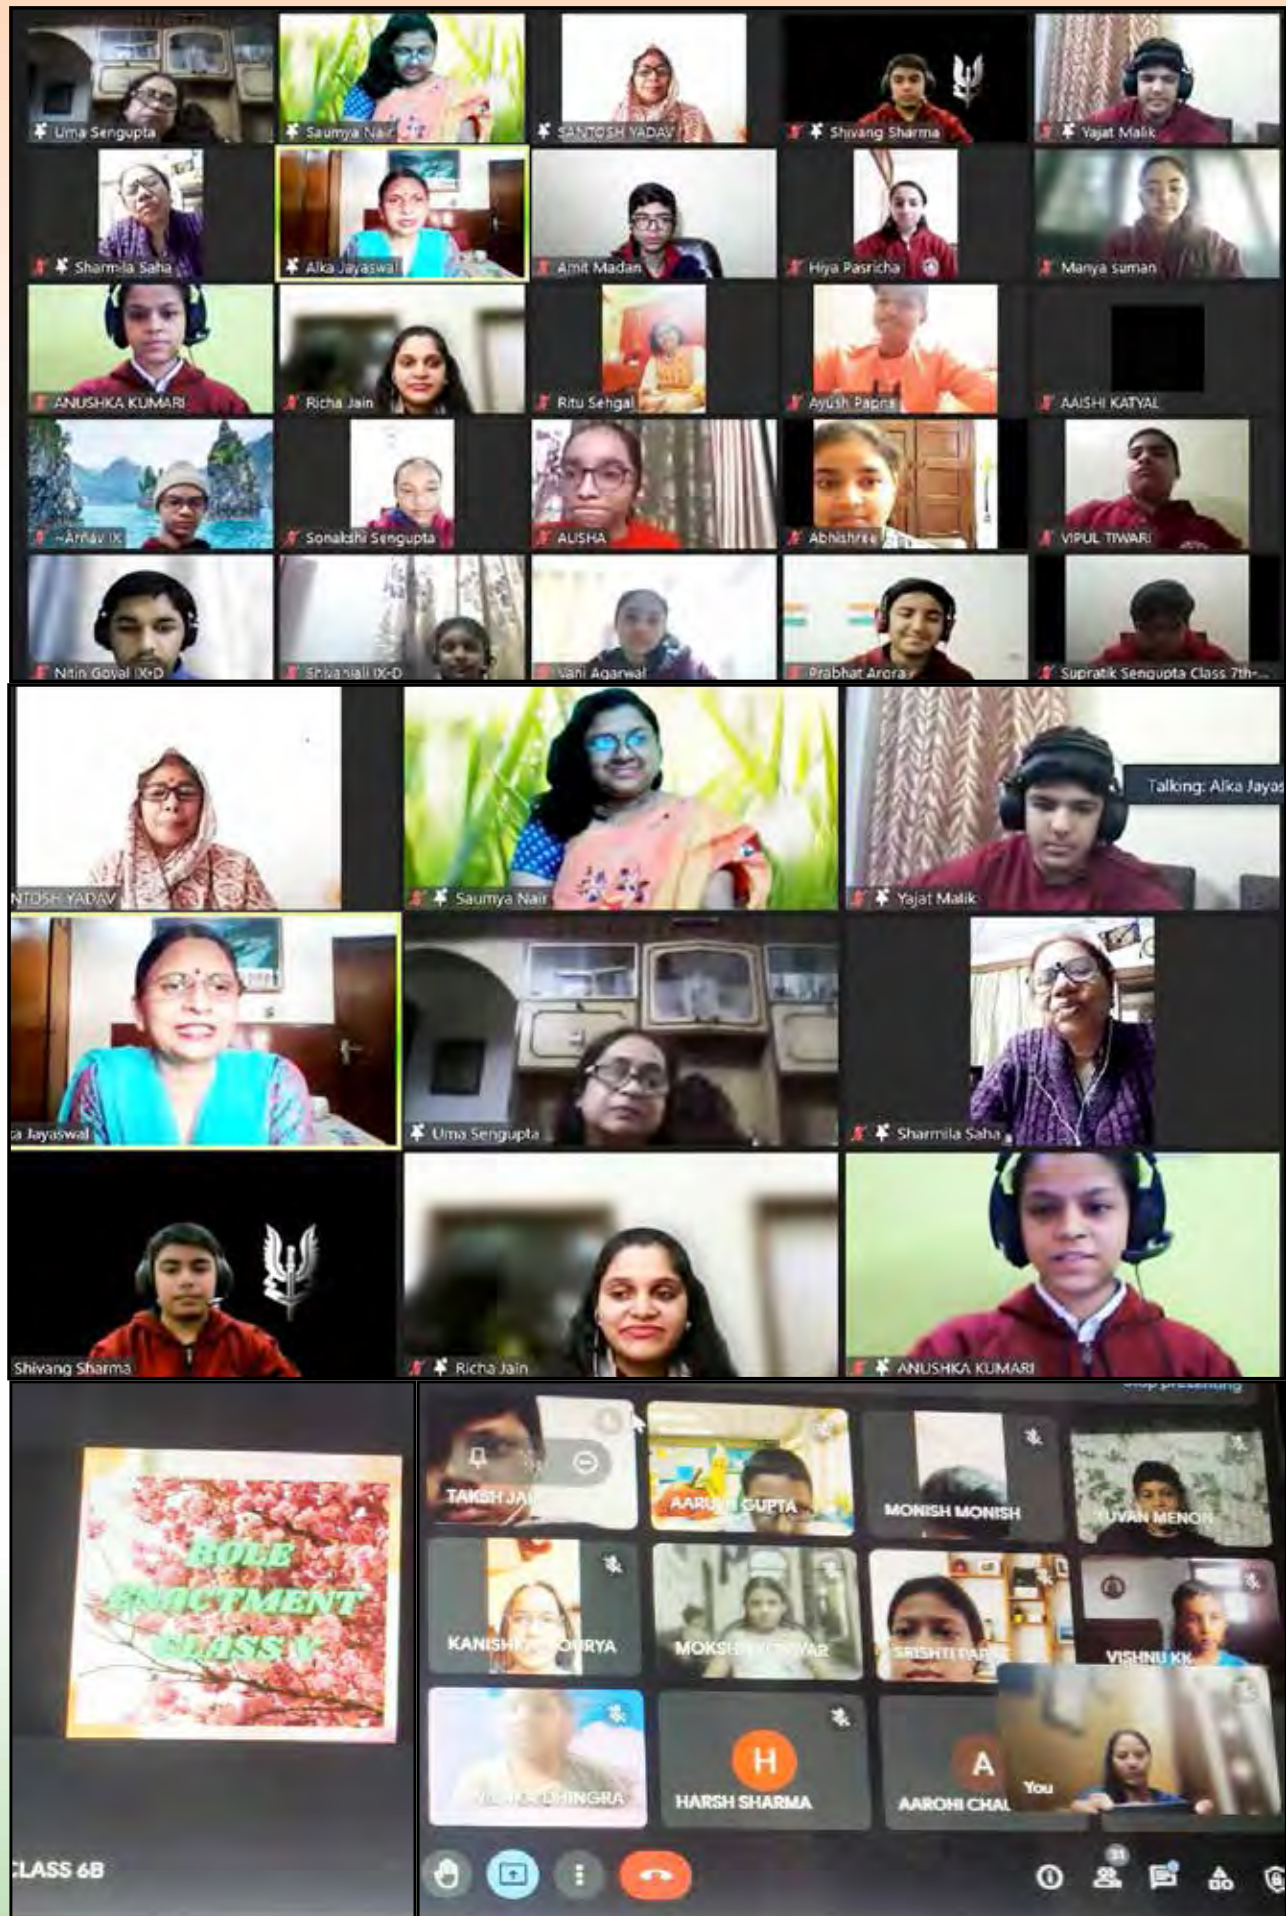

Virtual Interaction With Padmashri Santosh Yadav

Class IX students of Mehta Vidyalaya were privileged to have a virtual interaction with Padmashri Santosh Yadav on 5 th December, 2021. The event was conducted by the students under the guidance of

the teachers of English Faculty. Mrs. Alka Jayaswal, Vice Principal, Mrs. Sharmila Saha, HOD, English, Ms. Uma Sengupta, Ms. Saumya Nair, Mrs. Ritu Sehgal, Mrs. Richa Jain, Mrs. Jayashree and Mrs. Rakhi Chopra attended the session.

Harayana’s illustrious daughter, who holds the Guinness Book of World Records for being the first woman in the world to scale Mt. Everest twice, is a prolific speaker. By sharing anecdotes from her life, she extolled the advantages of waking up early, healthy diet, regular regime of exercise which sharpens the brain and determination and perseverance to remain focused on and achieve one’s goal. She further advised the students to never be afraid of failures and rather than thinking of winning, to give one’s best to a task taken up. Enthusiastic students put up a variety of questions, each of which were answered in detail. A short video showcasing Santoshji’s achievements was played. It was an enlightening and enriching experience for the students as well as the teachers.

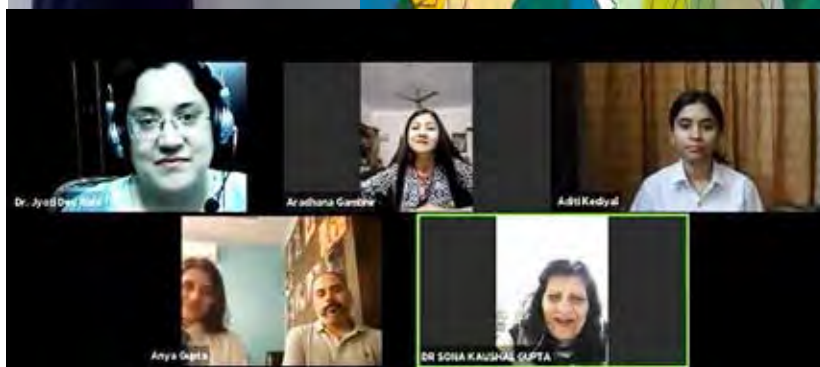

PSYCHOLOGY DEPARTMENT ACTIVITIES

Under the dynamic leadership and guidance of Mrs. Aradhana Gambhir PGT, Psychology the department has been growing and expanding and is a popular subject among students. Here is a glimpse of activities undertaken for the session 2021-22.

MENTAL HEALTH WEEK (4- 10TH OCTOBER, 2021)

Our school gives utmost importance to mental well-being of students. Therefore, the school observed Mental Health Week from 4th to 10th October, 2021. Various sessions related to Mental Health like Emotional Intelligence, Anger & Stress Management, Battling negative thoughts, Peer Pressure, Bullying, Stress Management etc. were organized for students of classes VI – XII.

Activities like story-telling, poem composition, slogan writing and poster making on Mental Health were organized to spread awareness about Mental Health among students. The School also organized sessions on “Healthy Diet and Healthy Mind” for students of classes III- XII.

A quiz competition on Mental Health Awareness was also organized for students of classes IX – XII.

The school also organized a session on “Positive Parenting” for parents of classes Nursery – X on 9th October, 2021. The session was taken by renowned Neuro- Psychologist, Dr. Sona Kaushal.

Dr. Jyoti Dev Rishi, School Counselor along with Mrs. Aradhana Gambhir, PGT, Psychology planned and coordinated Mental Health Week in school and students participated with full zeal and enthusiasm both on online

and offline Mode.

Under the guidance of Mrs. Aradhana Gambhir, PGT Psychology, students participated in various

summer internships and other webinars:

FORTIS SCHOOL MENTAL HEALTH CARE SUMMER INTERNSHIP

Fortis Mental Health Care webinars related to different categories such as - Positive Psychology, Psycho-Oncology, School Psychology, Pro Social - Peer Moderator Program, Media Literacy etc. were organized in which our students participated with great interest.

Following are the students who participated under the above mentioned categories-

- * **Ridhi sharma** - Fortis School Mental Health Program Summer Internship webinars related to positive psychology, school psychology, psycho- oncology.
- * **Pranjali Kapoor-** Fortis Pro-social Peer Moderator Program on aggression management and media literacy,
- * **Kapish Rishi** - Fortis Pro-social Peer Moderator program on media literacy.
- * **Rujul Patil** - Fortis Pro-social Peer Moderator program on aggression management.
- * **Chetan Kumar** - Fortis Pro-social Peer Moderator program on aggression management and media literacy.
- * **Lakshay** - Fortis Mental Health Care webinars on clinical psychology, art therapy, addictive disorders, anxiety disorders and depression and CBT.

BRICSMATH COMPETITION

Students of Mehta Vidyalaya participated in BRICS Math Competition which is being conducted in 7 countries namely Brazil, Russia, India, China, South Africa, Indonesia and Vietnam. This is an online competition and a total of 212 students participated from our school. Preparatory round of the competition was held from 1st May – 30th June 2021. The main round of the competition was held from 15 October – 30 December 2021.

BRICSMATH.COM+ is an international online math competition that brings together children from 7 countries.

 **Main goal of BRICSMATH.COM+**

The main goal of the competition is to develop students' logic skills, broaden their minds, and help them understand some basic concepts that they can apply in real life.

 **Interactive tasks on math, spatial thinking and logic**

Students completing BRICSMATH.COM+ tasks on logic and spatial thinking try new non-standard approaches, learn to analyse and look for rational solutions, and develop their logical reasoning skills.

Parking

In this competition questions are based on competency and logical thinking. It also helps in developing logical reasoning of a child.

The main goal of the competition is to develop student's analytical and critical thinking, broaden their minds and help them understand basic concepts that can be applied in real life.

The competition consists of 10 colourful interactive mathematical tasks. The tasks on logical and spatial thinking help the child to move away from rote learning.

Winner certificates were awarded to the children who scored maximum points and solved all the tasks in shortest possible time. Each participant and all coordinating teachers received an E-certificate.

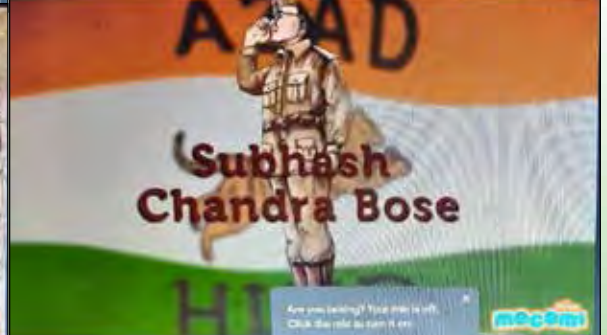

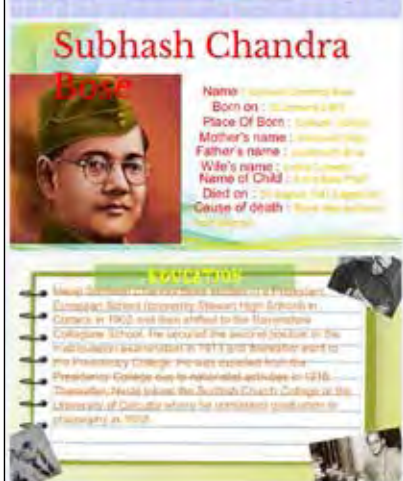

Azadi ka Amrit Mahotsav

– Activity on Subash Chandra Bose and Indian National Army

Bharatiya Vidya Bhavan's Mehta Vidyalaya celebrated the spirit of 75th Independence Day -Azadi ka Amrit Mahotsav with great enthusiasm. A series of activities related to Subash Chandra Bose and Indian National Army were conducted on 21st October 2021, to commemorate the declaration of the Provisional Government of Free India (INA Raising Day).

Students of classes III, IV and VI made digital collages on the life of Subash Chandra Bose and Indian National Army. Class V students made posters on role of Subash Chandra Bose and the INA in the freedom struggle of India. Class VIII students made charts on the quotes of Subash Chandra Bose.

Students of classes IX and XI watched movies and documentaries related to Subash Chandra Bose INA and designed theatrical posters. The students participated in these activities with immense zeal and developed a sense of pride for this great leader of India's Independence struggle.

Ek Bharat Shrestha Bharat Activities

Our school organized a series of activities under the project Ek Bharat Shrestha Bharat wherein Sikkim has been assigned as the partner state of Delhi. This project initiated by the Government of India and conducted by Mehta Vidyalaya aims to promote 'unity in diversity among the students, enabling them to appreciate our culture and traditions.

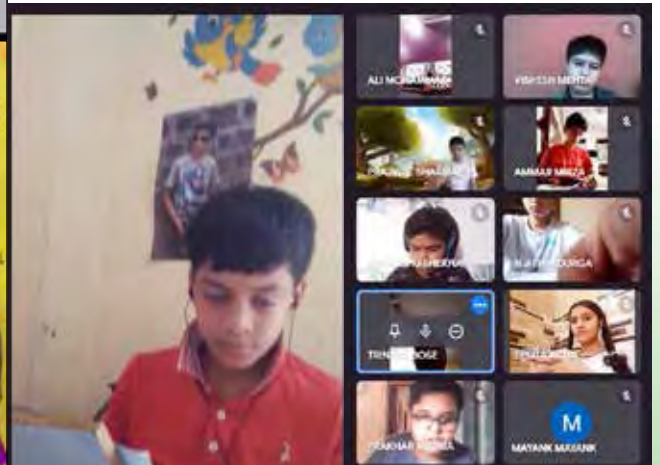

Students of class V collected pictures and information on the topic - "Dussehra Celebration in Sikkim" and made a chart on this theme.

Class VII Students made posters on the theme of Culture of Sikkim depicting their art, music, religions, cuisine, traditional dress, celebrations etc.

Class VIII students made charts on the famous personalities of Sikkim in the fields of art, literature, music, theatre, sports etc.

Students of classes IX and XI wrote essays on the topic 'Sikkim -the land of culture' covering details on art, culture, festivals and rituals of Sikkim.

Students participated in these activities with great zeal and enthusiasm which enabled them to get an insight of the Sikkimese culture and develop a sense of appreciation for it.

Report on: All India Bharatiya Vidya Bhavan's Virtual Science Exhibition-2021-22

"VIGYAN YAATRA"

All India Bharatiya Vidya Bhavan's Virtual Science Exhibition-2021-"Vigyan Yaatra" was organised for students of classes VI, VII and VIII to showcase their innovative projects/ models/ exhibits on the use of Science and Technology in Education and Nation Building and provide a common platform to Bharatiya Vidya Bhavan Schools to give shape to innovative ideas, scientific skills and learn from each other's experience. Students of Bharatiya Vidya Bhavan's Mehta Vidyalaya, K.G Marg, Delhi had participated in the Virtual Science Exhibition and

received first prize of Rs5000/ and participation certificates on the Theme 3: Futuristic Transport and Communication, Subtheme- Developing innovative designs / models for the children with special needs with visual and audio impairment. Saanchi Baweja VII B and N. Jitin Sai VII C had also participated and received appreciation from the judges for presenting their innovative model on the Theme 3 Futuristic Transport and Communication, Subtheme- Efficient management of roadways and railways and the title of the Exhibit 2- MINION and the Teacher In charge was Ms Preeti Gupta.

NATIONAL CONSTITUTION DAY

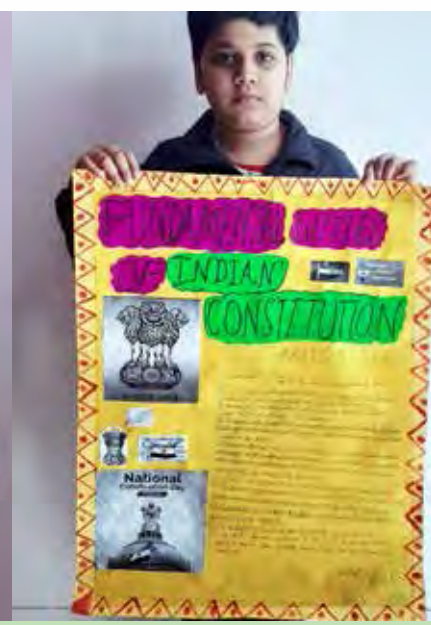

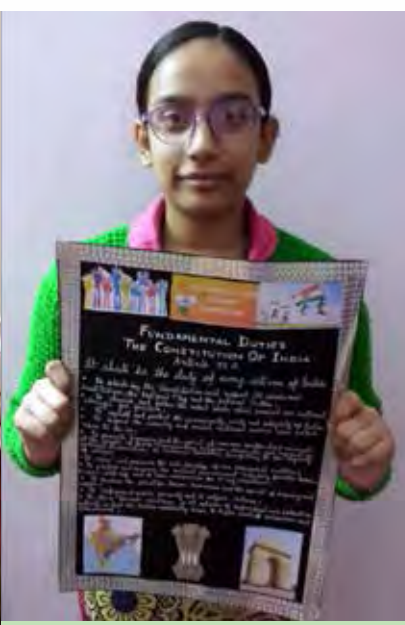

Bharatiya Vidya Bhavan's Mehta Vidyalaya conducted Constitution Day special assembly with great enthusiasm. The programme began with the school prayer. Drishti Chauhan of class XI gave a speech on the making of Indian constitution and shared some important facts about the constitution of our country. Harsh Tomar thereafter read the preamble of the Indian constitution and Himani Indora administered the constitution day pledge.

Mr Abhay Krishna legal studies teacher introduced the legal studies magazine 'Legis' made by students of classes XI and XII. He shared valuable features of the Indian constitution with the students and emphasized on the importance of understanding not just our fundamental rights but also fundamental duties. Followed by this our Principal Dr. Anju Tandon highlighted the role of our founder father Kulapati KM Munshi ji in the making of the constitution. This instilled a sense of pride in all our students.

The assembly was coordinated by Chief House Coordinator Mrs Keerti Chaturvedi, Middle Wing Activity Coordinator Mrs Saumya Marwah and Primary Activity Coordinator Mrs

Ronangona Ghosh Dastidar along with HOD Social Science Department Mrs Jagriti Sharma and PGT History Mrs Jasmine Nisha under the guidance of Vice Principal Mrs Alka Jayaswal.

REPORT ON VIGILANCE AWARENESS WEEK 2021

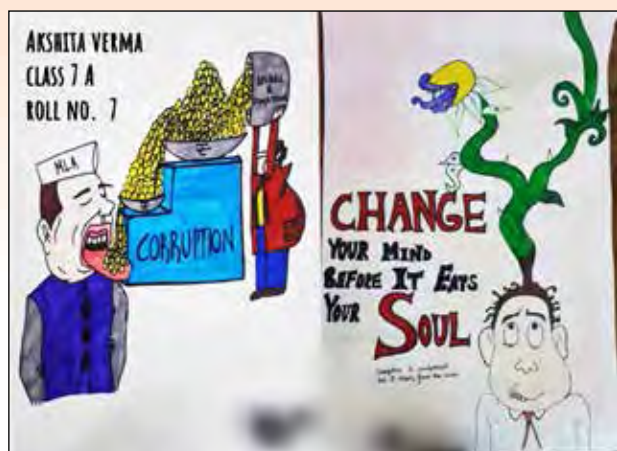

The Vigilance Awareness Week is observed every year across India to promote integrity in public life and achieve a corruption free society.

This year the Vigilance Awareness Week was observed on digital platform 26th October to 1st November 2021, to create awareness amongst civil society and public at large towards the policy of achieving transparency, accountability and corruption free governance. The Central Vigilance Commission (GOI) is the apex anti-corruption body in the country, that resolves to fight corruption and ensure integrity in public life to usher a new era of self-reliant India. The theme for this year's Vigilance Day is, "Self-Reliance with Integrity"

An awareness session was conducted to sensitize students about the need to fight corruption for ensuring integrity in administration. The students were explained that the CBSE drive towards vigilance is a tool of good governance. After that the students took the Integrity pledge. The students promised that they will follow the probity and rule of law in all walks of life and would never follow the path of corruption. The school organized several online activities at different levels to create awareness on vigilance in public life.

Students of class VII expressed views of corruption free India by preparing video on the theme, "Corruption Free India". Students of class VIII actively participated in the Comic Strip preparing activity on 'Stop Corruption'. All these activities were conducted to make the students honest and responsible citizens of India.

All the activities were planned and executed by Chief House Co-ordinator, Mrs. Keerti Chaturvedi, middle school house coordinator, Mrs. Saumya Marwah and Primary School Co-ordinator, Mrs. Ronangona Ghosh Dastidar, under the able guidance of our Principal, Dr. Mrs. Anju Tandon and our Vice Principal, Mrs. Alka Jayaswal.

63rd ANNUAL DAY CELEBRATIONS

Mehta Vidyalaya celebrated its virtual 63rd Annual Day on 29th October, 2021. The Chief Guest for the occasion was Mr Hwang IL – Yong, Director Korean Cultural Centre India and Shri Ashok Pradhan, Director, Delhi Kendra was the Guest of Honour.

The Chief Guest, Mr Hwang IL – Yong, in his address expressed his happiness on collaborating with Mehta Vidyalaya and looked forward to many more synergetic ventures to promote the cultural bridge between the Korean Culture and the students of Mehta Vidyalaya. A zestful

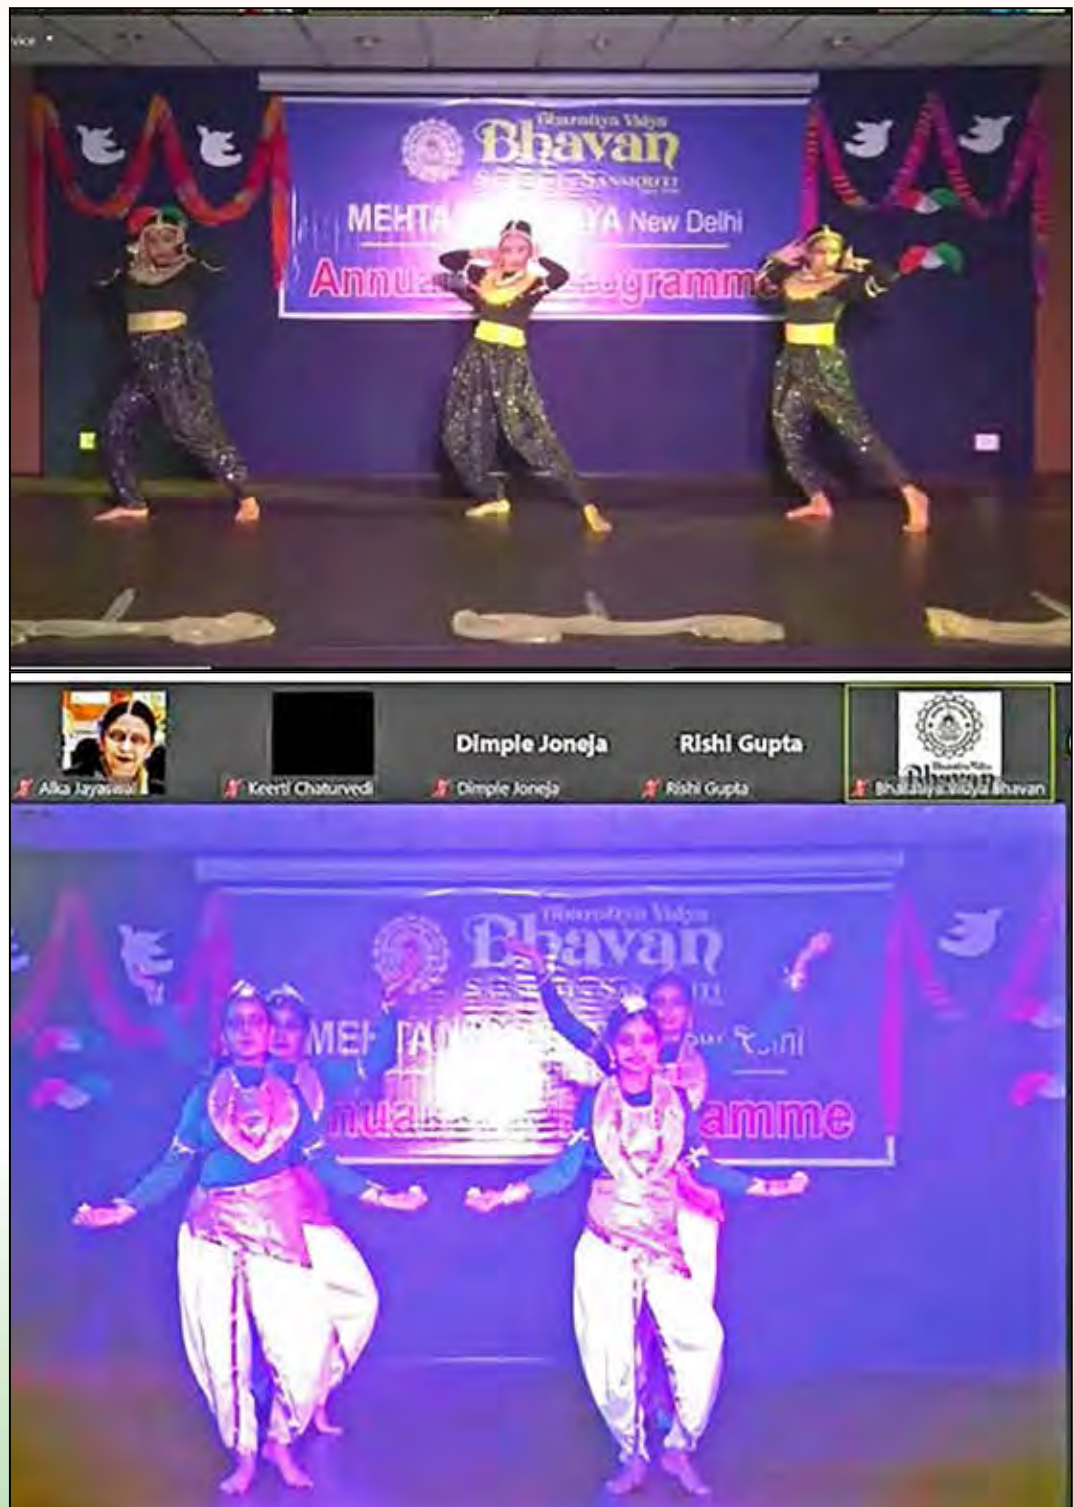

video by Korean Taekwondo Academy presenting the stunts of Taekwondo was showcased.

Shri Ashok Pradhan, Director, Delhi Kendra welcomed the Chief Guest and congratulated Mehta Vidyalaya for promoting Sanskrit and Sanskriti as India's traditional heritage.

School Principal, Dr. (Smt.) Anju Tandon accorded a warm welcome to the Chief Guest, dignitaries and presented the School's Annual Report. The annual magazine 'Bhavidya' was released by the Director and the dignitaries present.

Ceremonial prizes were conferred upon Mrs. Megha Relan (PGT,

Maths), Mrs. Jasmin Nisha (PGT, History), Ms. Uma Sengupta (TGT, English), Ms. Saumya Nair (TGT, English), Mrs. Neeta Srivastava (TGT, Hindi), Mrs. Neelam Rani (TGT, Hindi), Dr. Anju Bala (TGT, Sanskrit), Mr. Atul Chandra (TGT, Maths), Mrs. Jyotiee Verma (TGT, Social Science), Mr. Amit Jain (TGT, Physics), Mrs. Shilpi Joshi (TGT, Chemistry), Mrs. Vandana Pandey (TGT, Biology) and, Mrs. Parinita Sengupta (TGT, Information Technology) for their outstanding contribution and motivating students to score perfect 100 in Class X Board Exams 2020-21.

The much-awaited prize distribution ceremony saw certificates like School Topper Award, Subject Toppers Award, Student Council Award and other coveted cash prizes being awarded to the meritorious students.

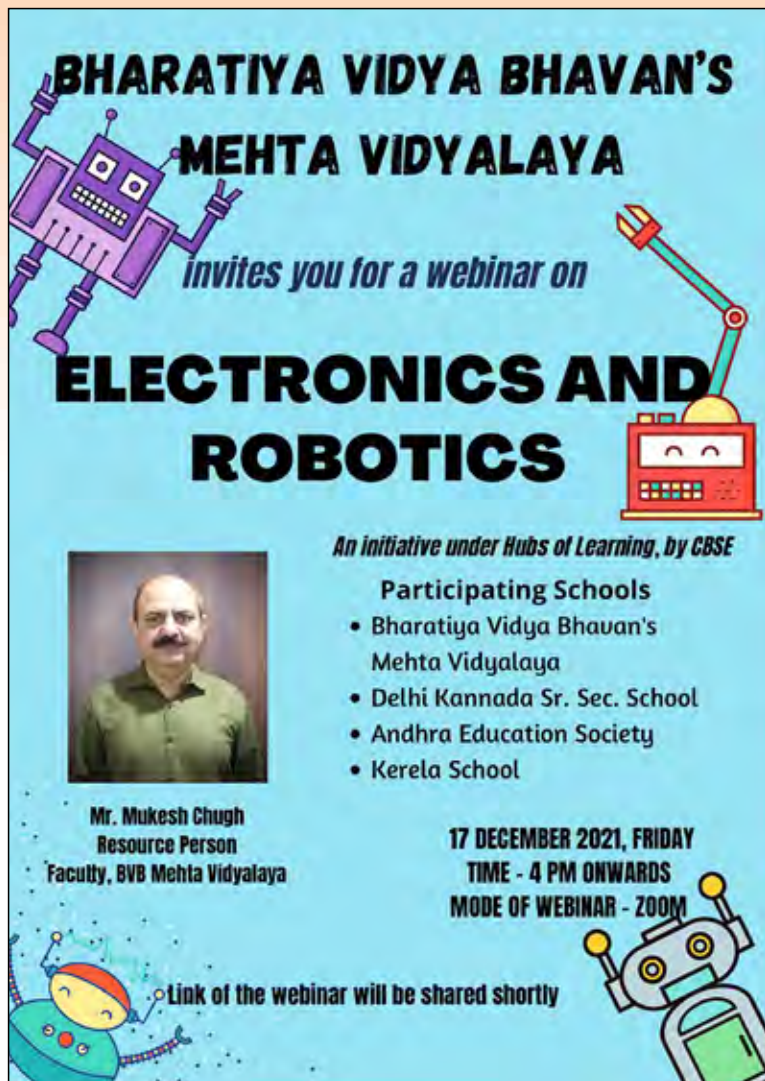

The highlight of the celebration was the cultural extravaganza - HAMARI VIRASAT which began with a scintillating Shiv Tandav followed by poetry and prose put to music and dance inter-woven by narration. It included the invaluable creations of legendary poets such as- Sumitra Nandan Pant, Mahadevi Verma, Jai Shankar Prasad and Kazi Nazrul Islam, to name a few. The programme was coordinated by Mrs. Dimple Joneja (HOD, Hindi), Mrs. Kirti Chaturvedi Chief House Coordinator along with Mrs. Kirti Sarkar (HOD, Fine Arts) and her faculty members. The Vote of Thanks was proposed by Smt. Alka Jayaswal, Vice Principal.

HUBS OF LEARNING

Bharatiya Vidya Bhavan's Mehta Vidyalaya conducted various webinars under 'Hubs of Learning'. These webinars were conducted under the supervision and leadership of Dr.(Mrs) Anju Tandon, Principal, Mehta Vidyalaya and Mrs. Alka Jayaswal, Vice Principal, Mehta Vidyalaya. The main objective of conducting these webinars was to exchange the resources and best practices with the hub schools. The webinars were conducted for the teachers and students of the host schools and the hub schools that included Kerala School, Andhra School and Delhi Kannada School. The brief description of all the webinars conducted during session 2021-2022 are as follows:

- A series of webinar on 'Electronics and Robotics' was conducted by Mehta Vidyalaya on 21st June 2021, 9th July 2021, 30th November 21 and 17th December 21. Mr Mukesh Chugh, TGT Computer Science, Mehta Vidyalaya was

Awakened Citizen Program (ACP)

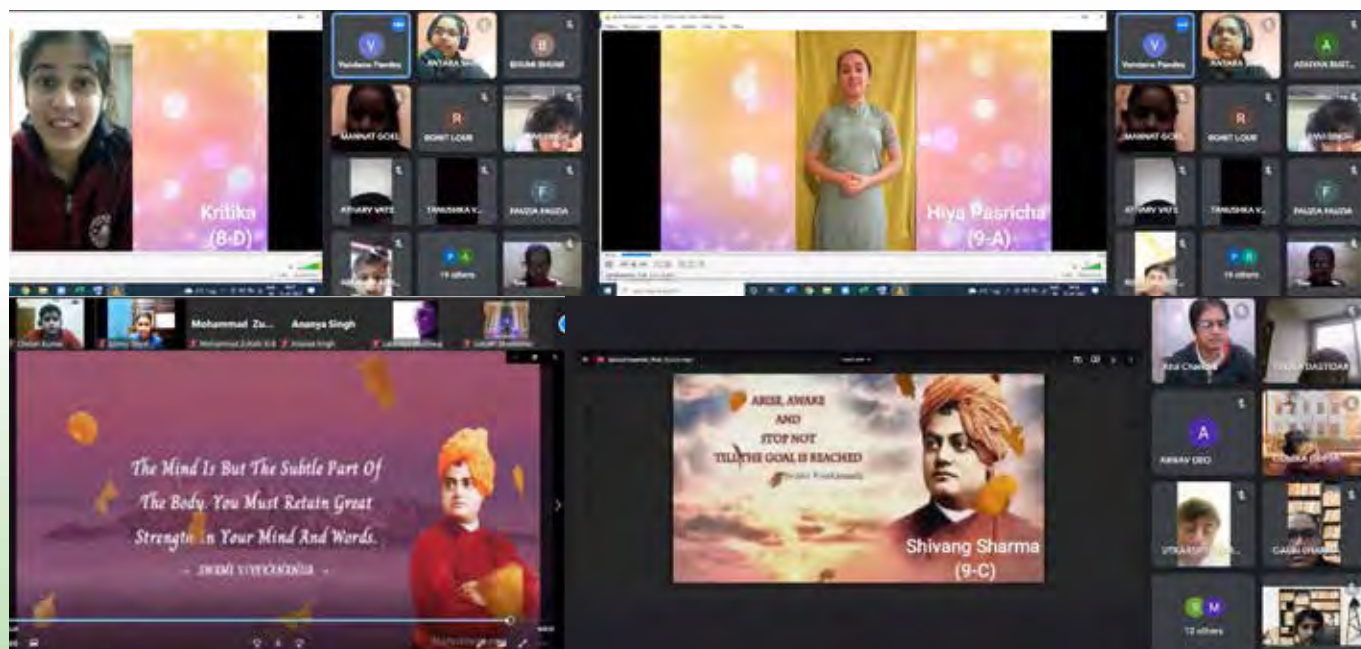

During the unpredictable pandemic times apart from academics, our students learnt a lot and expanded their vision through the ACP sessions. Leadership, decision making and quality of being humane is inculcated via these sessions. The ACP modules have been designed to help the students deal with real life problems and at the same time it promotes independent moral reasoning through logical discussions. The students from Classes VI-VIII have been attending their ACP classes with enthusiasm as they explore the real life situations and examples with the teachers during their virtual sessions.

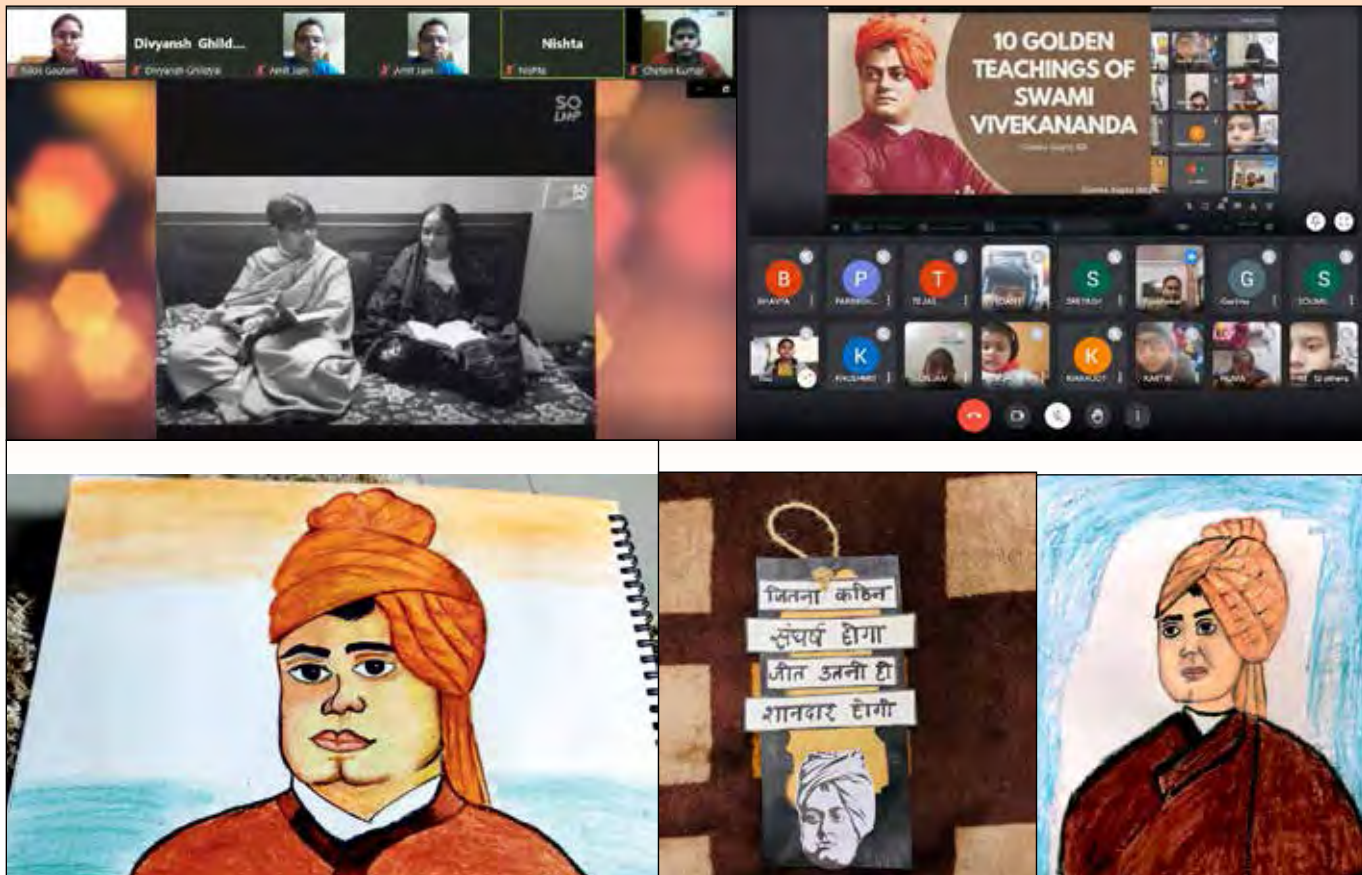

On 3 September, 2021 the virtual ACP class was taken up by Dr. Jyoti Dev Rishi. Present during her class was Mrs. Piya Chakravarty, Training Lead resource person from R.K.Mission. After the session, she provided valuable feedback and interacted with the students of VIII- C & D.

NATIONAL YOUTH DAY CELEBRATION

To commemorate the 159th Birth Anniversary of Swami Vivekananda, maker of Modern India, National Youth day was observed at Bharatiya Vidya Bhavan's Mehta Vidyalaya with a special virtual

assembly on 13 January, 2022. The assembly began with a brief introduction by Hiya Pasricha of IX-A. This was followed by a short biography of Swamiji's life read out by Kritika Sharma of VIII-D. Gunika Gupta of IX-D shared ten Golden teachings of Swami Vivekananda presented in the form of effective PowerPoint slides. An inspiring episode of Swami Vivekananda's compassion for all mankind was enacted out by Supratik Sengupta of VII-A & Sonakshi Sengupta of VI-C. Shivang Sharma of IX-C briefed the students about the ideas and principles of Swamiji motivating them to be good citizens of India, thus contributing to the development of the country.

Additionally, videos with inspiring stories of Swami Vivekananda's life were shown to the students of Classes VI-VIII making the session more interesting and captivating. A number of activities were conducted for Classes III –XI to sensitize the students about the philosophies, principles and ideals of Swami Vivekananda. Some of these activities included - making digital collage on Swamiji's life, making bookmarks with quotes from Swami Vivekananda, making posters highlighting his teachings, making creative portraits of Swamiji, making Powerpoint presentation/ videos on the role of today's youth in nation-building, essay writing & declamation on 'Channelizing Youth Power for Nation Building'. These activities were planned and coordinated by ACP Incharges – Ms. Saumya Nair & Mrs. Ritu Sehgal.

AWAKENED AMBASSADORS FOR COMMUNITY TRANSFORMATION (AACT)

Awakened Ambassadors for Community Transformation (AACT) is a new initiative launched by R.K.Mission, New Delhi for those students who have successfully undergone the three years of ACP and to help them in their onward journey of life. On 4th February, 2022 eight students of our school including K.Amrita, an alumni of Batch 2020-21 attended the online second session of AACT with 90 other participants of various schools. The mission of AACT is to provide a platform where students get an opportunity to discover their potential by diving deep within themselves to remove their barriers, enabling them to do good for themselves and for others. AACT session included experience sharing, storytelling and breakout room sessions. AACT further hopes to help students by holding monthly meet-ups, giving them support from like-minded mentors & groups, boost their confidence, develop skills to execute projects & learn to lead. The feedback collected from the attendees of AACT

—

1. *Today's AACT session was very interesting and interactive, I liked the way how they gave everyone a chance to speak and taught us about concentration on a particular task which is lacking in many people these days. Also they answered our questions on how to concentrate on studies rather than social media which was very helpful. I liked today's session very much! Thank you so much mam for giving me an opportunity to participate in it.* - Aarushi Pandey (9-C)

4. *I had a wonderful opportunity to attend the AACT Programme held on 4th February as the "Brand Ambassador" representing my school. It was really an exciting session which unfolded many views on how to improve our concentration during studies, especially the benefits it provides for one's personal development. The session was very participative and we all interacted extensively in the programme. I would look forward to attend similar self-development programme in near future.*
- Aneshya Das (10-C)

2. *It was a really wonderful opportunity and great experience to get knowledge by Maharaj ji and all the resource persons who were present and also the students who shared their experiences including me. It was very interesting and helpful for our future decisions and all other steps for improving our self. Thank you so much for the great time and for this lovely session by AACT group. I was overwhelmed after hearing wonderful thoughts by Maharaj ji. I will be more happy if I get to attend one more session in future.* - Kalash Shukla (10-B)

5. *AACT session was very interesting. The presentation was good with lots of opportunities to ask questions and talk with real life examples made the session really enjoyable. I liked how the resource persons answered our questions and gave tips to concentrate on studies and not get distracted by social media.*
- Abhishree (10-C)

6. *The session was difficult to engage with at first because a lot of the discussion was derived from the previous sessions that I'm yet to watch, but the interaction with swami ji was very enjoyable and informative. The format and content was simplistic and easy to comprehend, therefore it had more scope for interaction, I had fun attending it.*
- K. Amrita (Alumni Batch 2021)

3. *It was a very interactive class everyone got the chance to speak and type their doubts. I didn't even feel nervous answering the questions. There were around 90 participants*
- Anushka Shukla (10-C)

LIFE SKILL PROGRAMME

Life skill Programme stresses on inculcating positive and adaptive behaviour in students that will enable them to live an effective and smooth life. In recent years there has been an increasing acknowledgement of the important role played by life skills in developing emotional and mental well-being of students. The objectives of Life Skill Programme is to equip students with the ten core life skills i.e. Self-awareness, Empathy, Critical thinking, Creative thinking, Decision making, Problem Solving, Effective communication, Inter-personal relationship, Coping with stress and Coping with emotion. The objective and benefits of life Skill programme are as follows -

- Equip students with the necessary life skills, values, attitudes and morals.
- Help students to effectively deal with real life challenges.
- Enhance the role parents and teachers play in the holistic development of students.
- Instill basic values while reinforcing the importance of family and friendship.
- Increase Self-confidence, allow students to express their thoughts and feelings and reduce stress levels.

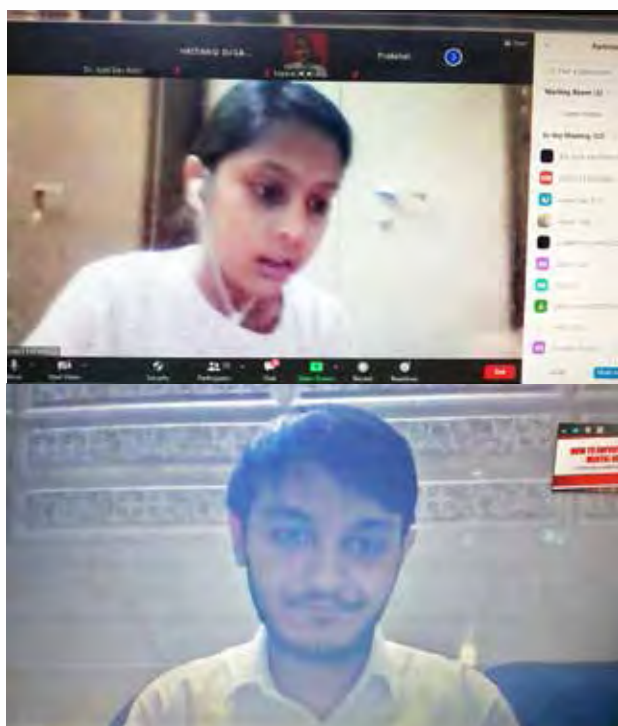

Life skill sessions for classes III – V were taken on the Virtual Platform by the School Counselor, Dr. Jyoti Dev Rishi as per the calendar scheduled for Life Skill Programme 2021-22.

- Emotional Intelligence
- Peer Pressure
- Bullying
- Self Confidence
- Drug Addiction

- Anger and time Management
- Self esteem
- Adolescence issues
- Effect of Media on teenagers
- Personality Development
- Understanding Aptitude
- Health Issues and Adolescents
- Positive thinking
- Life skills
- Handling Exam Anxiety

School Heroes

School has many Children with Special Needs who often face difficulties in writing their respective Board Exams. According to CBSE guidelines, these students can use scribes to write their exams.

Kartike Sharma (XII), Adanya Vikram Singh (XII), Prateek (XII), Sumedha Sharma (XII) and Girisha (XII) acted as Scribes for writing CBSE Class XII Board Examination 2021-22 for Children With Special Needs. Kudos! to their initiative in the times when most of us are so occupied with our own assignments and commitments. Indeed they are our School heroes!

Annual Report Of Bhavanites Association; Year 2021-2022

Dear Friends,

It is a matter of privilege for me to share the Annual Report 2021-22 of the “Bhavanites Association” with you.

At the beginning of the session, the country was recovering from the perils and trauma of the second wave of the pandemic. The Bhavanite fraternity was no exception and we lost many dear friends during the wave. The Facebook page of the Association became a link where many Bhavanites were seeking help and many were providing help in the best manner possible. It became an important thread of communication.

To mark our respect and pay tributes to the loved ones whom we lost, an Online Prayer meeting was held in June 2021. Mr. Sandip Bose Mullick (1964), Mr. Amit Anand Saxena (1993) and Udit Sarkar (2010) recited soulful bhajans in the memory of the departed souls. Mr. Manish Ahuja read out the citations written by the family and friends of the dear ones in the most sombre manner. The prayer meeting managed to touch the hearts of many and provide a healing touch for the Bhavan's family.

The Bhavan's family was in for further shock when we received the sad news of the demise of our most beloved Dr. M P Chayya in August 2021. Dr. Chayya's larger than life persona has influenced thousands of Bhavanites during his tenure as the Principal of the school.

The Association organised another Online Prayer meeting for Dr. Chayya in September. Hundreds of his students joined in via Facebook and Youtube for the meeting. The meeting was bound in a thread by Shri. Shyam Banerji (1977). Soulful Bhajans and devotional music was rendered by Ms Shobha Mishra (1980), Ms Anjuman Saxena (1985) and Shri. Sharat Chandra Shrivastava (1990). The entire family of Dr. Chayya including 'Ba', his daughters and grandchildren joined in to be part of the meeting.

Bhavanite, Brig. Umesh Singh Bawa, Vir Chakra and Kargil Hero and an alumnus (1974 batch). Brig. Bawa blessed the outgoing batch and motivated them to uphold humanistic values and be good human beings.

Friends, the Association has grown multifold under the leadership of its President Dr. Sidharth Ramji (1973), Secretary Shri. Manish Ahuja (1984) and Shri. Rakesh Jain (1976). The team decided to pass on the Baton to a new group of leaders after the end of their tenure in March 2022. We thank Dr. Ramji and his team from the bottom of our hearts in providing selfless service to the Association.

Brig. Manjit Singh Rana (1964) has taken over as President from Dr. Ramji and Shri. Anoop Sharma (1980) has taken over the Secretariship from Shri. Manish Ahuj. Sh. Manish Ahuja has taken over the baton of the Treasurer of the Association from Shri. Rakesh Jain. The strong Core Group consisting of Ms Neena Malik (1985), Ms Parinita Sengupta (1986), Ms Suman Kukreja (1989), Ms Bharti (1989), Sh. Sumit Arora (1993), Ms Charulata (1994), Mr. Yogesh Negi (1997) and Mr. Gautam Singh (2011) continues to be the backbone of the Association. I would like to particularly mention Shri. Kuldeep Pablay (1975) and Sh. Gaurav Gulati (1984) for their encouragement and wholehearted participation in all Bhavanites' activities. The new team is dedicated in its efforts to take the Bhavanites Association many leaps forward.

We thank Principal Dr. (Mrs.) Anju Tandon, Vice Principal Mrs. Alka Jayaswal and Mrs. Hema Venkat (PS to the Principal) for their unstinted support in taking the Association activities forward. The bond between the Alumni and the Alma Mater has never been stronger.

Till next year, Shabba Khair

Manish Ahuja, Secretary

Bhavanites Association Meeting

Bhavanites Association Meeting was held on 28th March, 2022. In the meeting, Brigadier M.S. Rana gave his kind consent to take over as the new Chairperson with his Deputy, Mr. Anoop Sharma with effect from 1st April, 2022.

Discussions on a few major topics were undertaken, such as -Introduction of LinkedIn page, Fund raising campaign, Membership drive and Alumni Career Counseling.

The meeting was concluded by thanking Dr. Siddharth Ramji, Mr. Manish Ahuja and Mr. Rakesh Jain for the dedication with which they managed the association work and for being the binding force for the members.

Bhavan's Alumni Meet

The Alumni batch of 1995 celebrated its Silver Jubilee on 19th December, 2021 in the school premises. The event was graced by the Vice-Principal, Mrs. Alka Jayaswal and the retired teachers who had taught the batch. The alumni attended the programme, recalled their school days with nostalgia and the quantum of knowledge they gained in the campus, shared their experiences in the outside world, appreciated the developments in the school campus and cherished their school days. A striking Madhubani painting and a trophy were gifted by the alumni to the Principal, Dr. (Mrs.) Anju Tandon. Mrs. Alka Jayaswal, Vice Principal received the gifts on behalf of the Principal. It was a heart-warming reunion of both the teachers and the students.

Bhavanites Alumni Association launches its new web portal & honours the legacy of Late Shri G.S. Negi, Former Principal, Bhavan's Mehta Vidyalaya

The Bhavanites Alumni Association was pleased to launch a web portal for Alumni engagement and its revamped website on 22nd August 2022 to commemorate the birth anniversary of Late Shri Govind Singh Negi, former Principal of Bhavan's Mehta Vidyalaya, who served from 1991 to 2009.

The Bhavanites Association is an umbrella organization of Bharatiya Vidya Bhavan's Mehta Vidyalaya's alumni from batches as early as 1960 and, in its current avatar, has been in existence since 1996. The association, through the efforts of its core members, had a website www.bhavanitesdelhi.org, but a need was felt to have a modern-age, interactive web portal. It was decided to launch the revamped web portal around the birth anniversary of Shri G. S. Negi, which falls on 25th August.

Director Delhi Kendra Shri Ashok Pradhan, Manager Shri C.K. Arya, Principal Dr Anju Tandon, President, Bhavanites Association Shri M.S. Rana and Vice Principal Mrs Alka Jayaswal graced the event. Former Principal Mrs Rekha Sharma, former teachers of Bhavan's and the family of Shri G. S. Negi also marked their gracious presence. Principal Dr Anju Tandon addressed the gathering of alumni, former teachers and students and was pleased to state that the Bhavanites Association led by President Brig. MS Rana of the 1964 batch, Secretary Anoop Sharma of the 1980 batch, and Treasurer Mr Manish Ahuja of the 1984 batch is one of the most active school alumni associations in the entire city.

Following the official launch of the web portal by the dignitaries, a documentary showcasing the life journey and the legacy of Shri G. S. Negi was screened, which left the gathering in tears and filled the hearts of those present with nostalgia. A true visionary and devout follower of Swami Vivekananda, Shri G. S. Negi took the institution to great heights and was instrumental in establishing the Bhavanites Association.

Everyone present could recount the time they had spent in Negi Sir's guidance, and sentiments of many of his students and colleagues were expressed when Mrs Swasti Shree of the 2003 batch read out the tributes sent by students and teachers to the Association earlier. The family of Shri G. S. Negi, his sons Mr Siddharth Negi of the 1993 batch, Mr Yogesh Negi of the 1997 batch and Mr Bhim Negi of the 2000 batch, along with their spouses, took the stage to share their tributes and expressed their overwhelming thanks to the school and the association for organizing this memorable event. The Bhavanites Association thanked its entire alumni family for their constant support and engagement, which makes the Association attain new heights with each passing day. The event was conceptualised by Gautam Singh of the 2011 batch, and

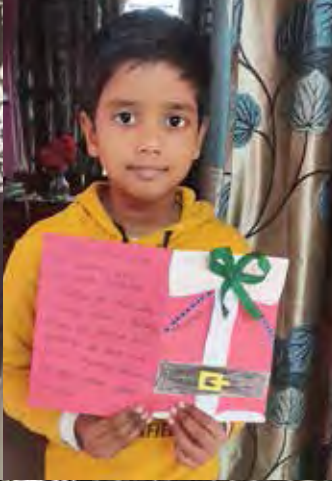

the web portal was designed and executed by Manish Singh of the 2009 batch. The organization of the event could not have been possible without the contributions of Mrs Neena Malik of the 1985 batch, Mrs Parineeta Sengupta of the 1986 Batch, Mrs Bharti Sharma of the 1989 Batch, Mrs Suman Kukreja of the 1989 batch, Mr Sumit Arora of the 1990 batch and Charu Lata of 1995 batch.

The Bhavanites Association invites all students graduating from the school to register on the alumni portal and become a part of the vibrant alumni family.

CHRISTMAS CELEBRATION

On 24th December, 2021 students celebrated Christmas through virtual assembly. A speech on Christmas celebration was presented by Tnisha Buddhiraja of class XIIB. The tiny tots of Nursery and KG presented a video on the life of Jesus Christ. Sanvi Maurya of class V D presented the story of the birth of Jesus Christ. Students of classes VI to VIII presented a beautiful dance to the tune of a Christmas song. The senior choir group presented joyful Christmas Carols.

Students of class III made Christmas cards with beautiful messages, class IV students decorated the Christmas trees and class V students made photo frames with Christmas as a theme.

Activities Commemorating Kulapati K M Munshiji's Birth Anniversary (Founder's Day)

To commemorate the birth anniversary of our founder father Kulapati K M Munshiji which falls on 30th December, a series of activities were organised throughout the month of December 2021 for the students of classes III to XI. Students of classes III to V prepared digital collages on KM Munshi highlighting his role as a freedom fighter, Constitution maker and an educator who promoted Indian culture and values. Students of class VI made a philately collage of postal stamps related to Munshiji, students of class VII made charts on the role of K M Munshi in India's freedom

struggle, class VIII students made scrolls on role of Munshiji in making the Constitution of India, class IX students made posters on Munshiji as an environmentalist and class XI students did book review and book jacket making of some of the fine books written by Munshiji.

These activities instilled a great deal of respect and pride among the students for our multifaceted founder father as they gained a deep insight of the contributions made by him.

Welcome New Teachers and Staff Members

FAREWELL :

MRS. PUNAM SHARMA (TGT BIOLOGY) joined Bharatiya Vidya Bhavan's Mehta Vidyalaya in the year 1985. She served the institution for more than three decades with dedication.

The school bid adieu to **MR. RAJENDRA BHANDARI (LAB ASSISTANT)** who joined Bhavan in 1992 as chemistry lab assistant and superannuated on 31 January 2021. He discharged his duties sincerely.

MR. JAYA KUMAR K.P joined the school in 1981. During his tenure he worked in various capacities with full dedication.

A few other teachers who took voluntary retirement from service this year are **Mrs. Mini Sikri** (Coordinator Pre primary), **Mrs. Ruby Kapoor** coordinator classes 1 and 2, **Mrs. Neela Sarkar** (Vocal Music Teacher) and **Mrs. Shubhi Mehrotra** (Pre Primary Teacher).

We wish them a very happy and healthy retired life.

EARTH DAY CELEBRATION -2021

On 22nd April 2021, 51st anniversary of Earth Day was celebrated with great zeal and enthusiasm. Eco club organized a plethora of activities virtually for Nursery to class 12th. The event began with an awareness video on “Restore our Earth” which was the theme for 2021, The tiny tots of Nursery – class II enjoyed the dance on the song “Save the planets for me and you”; students of primary wing recited poems on “I am the Earth and the Earth is me” OR “What you can do”. Students were also engaged in various activities like Poster making, Slogan Writing, Making Planters for vertical garden, Making carry bags using old T-Shirts. These activities were organized to spread awareness among everyone about our environment and to adopt measures to save mother Earth. The event concluded with a pledge to save and honour mother Earth.

STOP POLLUTION ON DIWALI - AN AWARENESS CAMPAIGN

Diwali is marked by heavy use of firecrackers, which releases toxic pollutants like sulphur dioxide, carbon monoxide and many others which pollute the air and causes serious ailments like asthma, bronchitis etc . The air quality deteriorates by bursting fire crackers. In view of the above situation an Awareness Campaign was organized by the Eco club of Bharatiya Vidya Bhavan on the theme ‘Stop Pollution, Only Solution’. Various activities were planned and organized for different classes from Nursery to Class XII , on 28 th Oct , 2021. The students were encouraged to celebrate the festival by lighting candles, electric fancy lights, earthen lamps and keeping the environment neat and clean.

Various Activities such as Making of Toran , Slogan writing, Video Presentation on Eco-friendly Diwali, Posters making on -Do's and Dont's to reduce noise pollution etc were organized and students participated in these with enthusiasm.

A special assembly on celebration of Eco friendly Diwali included a character chat emphasizing the ill effects of bursting crackers. Students were assigned different roles to enact in the character chat which they can practice in real life. This character chat was followed by a poem - **फिर खुशियों के दीप जलाओ** and video presentation by the students of class 7 on ‘The right way to celebrate Diwali’. The assembly proceedings proved to be a good reminder that we must take the pledge to celebrate Diwali in an eco friendly manner and take this as a social responsibility and protect our environment.

VAN MAHOTSAV CELEBRATIONS

Van Mahotsav celebration is an ideal opportunity to instill the values of social responsibility in the students towards safeguarding trees and our ecosystem. A special Van Mahotsav assembly was organized virtually on 29th July, 2021 to spread awareness about the role played by trees in balancing the ecosystem as well as the biosphere as a whole.

The assembly was hosted by the students of Eco club Sajal Lunia and Drishti Lunia of class X. The assembly started with the school's Sarvadharm

prayer. This was followed by an awareness presentation on the impact of deforestation, greenhouse effect and global warming as well as the reasons and impact of Climate change on the environment and humankind. The students were made to understand and appreciate the importance of planting and nurturing trees through a Hindi poem recitation by Tejas Anand of class II and English recitation by Kanav Khanna of class IV. To highlight the role played by trees in our lives, a sanskrit shloka was recited by Prisha Arora of class VII. The assembly was addressed by the school Principal, Dr(Mrs.) Anju Tandon. In her address, she motivated the

young students to contribute in saving the natural oxygen providers and encouraged them to plant saplings and nurture the potted plants at home. On this occasion different activities were organized for the students from nursery to class 12th like colouring activity using different types of flower and fresh green leaves, show and tell activity, poem recitation, making of bookmark activity with a quote to save environment and quiz on environment sensitivity. These activities helped to instill the value of social responsibility towards our environment in the students.

Herbal Garden

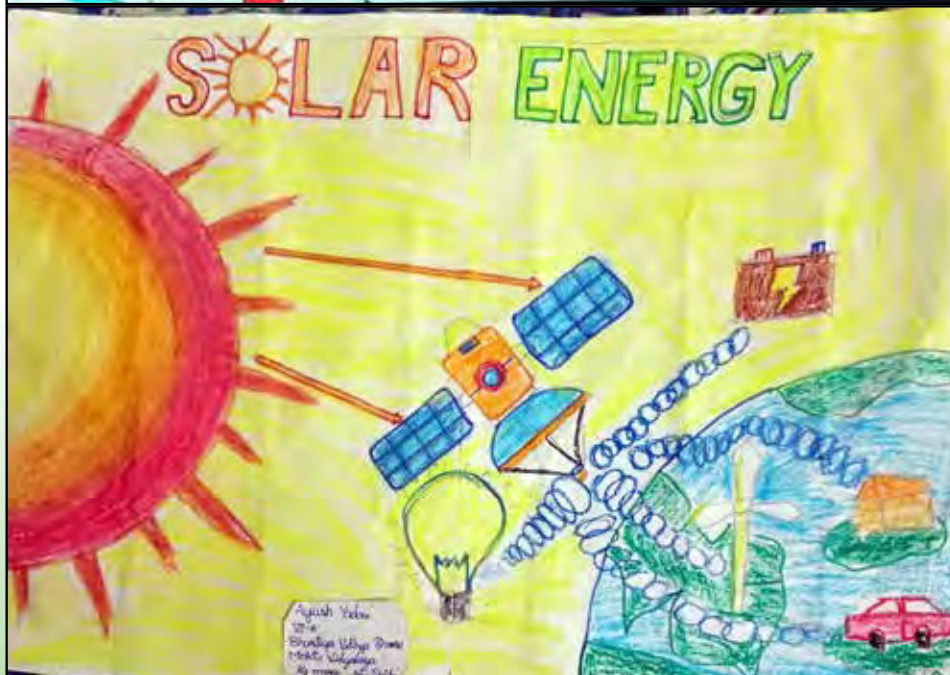

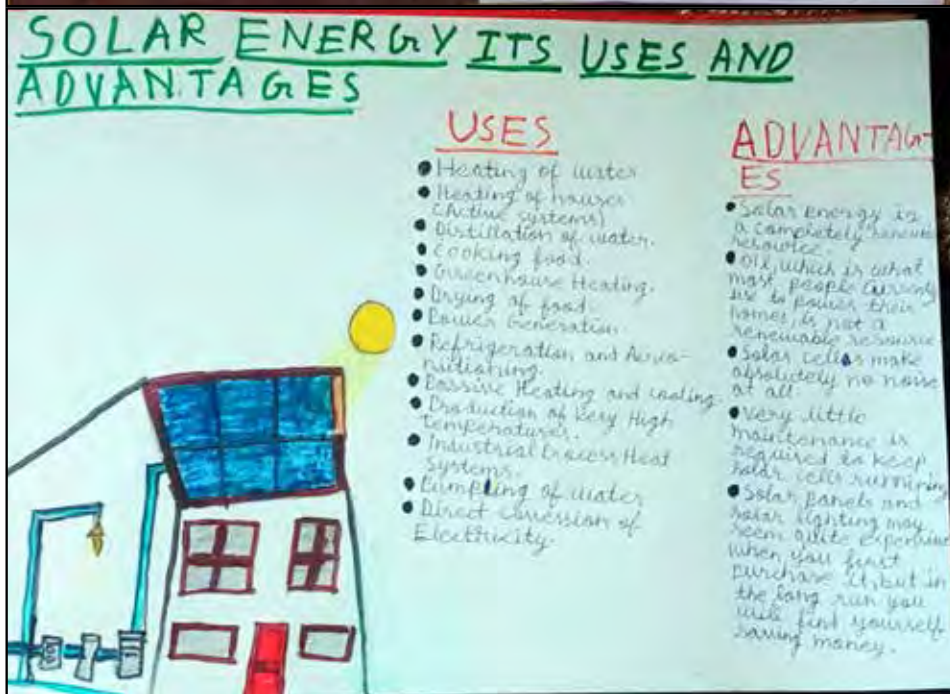

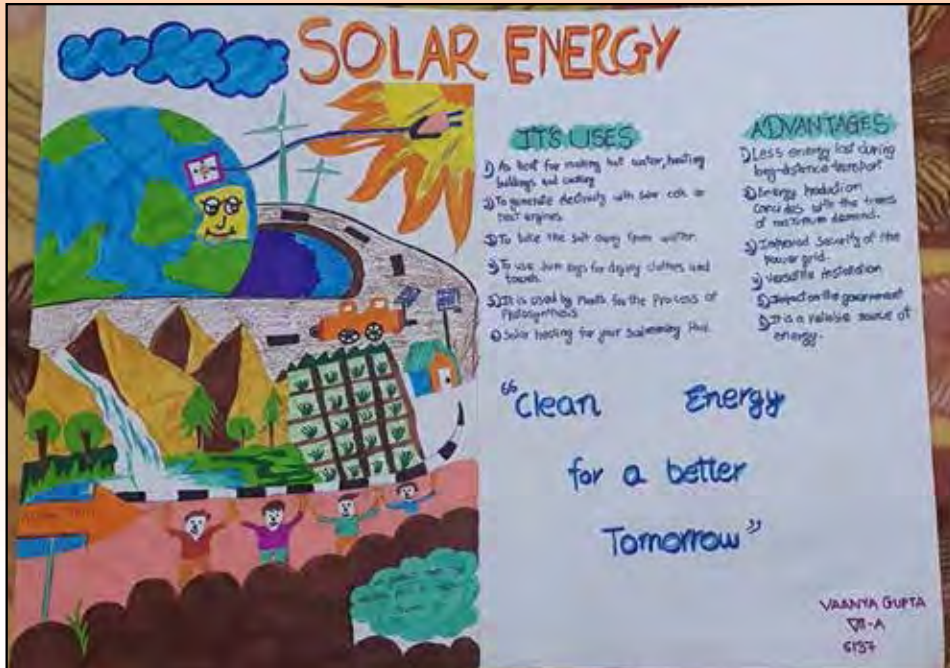

Herbs are loaded with vitamins, minerals, antioxidants etc. which boost our immunity and fight against microorganisms like viruses and bacteria. We can grow our own herbs in the garden or in small containers at home and use herbs as medicines and food. To develop gardening skills and love for nature in the minds of young learners and understand the health benefits of Herbs, various activities such as- “Growing my own Herb”, Collage making on ‘Immuno booster Herbs during Covid 19’, Nutritious Recipe making and Herb Quiz were conducted in online classes in the month of April 2021 and July 2021 for classes 1 to 10. The

activities were planned and coordinated by the School Herbal Garden Team.

The main objective of these activities were to help learners understand that Gardening is educational and develops new skills in them at this tender age. It boosts their self confidence if they spend time growing their own herbs. For students it was an enriching experience as the activity motivated them to grow their herbs at home and use them in food and as medicines.

AWARENESS GENERATION PROGRAMME CONDUCTED BY ENERGY CONSERVATION CLUB

Energy conservation club of Bharatiya Vidya Bhavan's Mehta Vidyalaya conducted an Awareness Generation Programme in house activity period on **30 December, 2021**. This awareness programme was an initiative under Bharat Amrit Mahotsav Green Good deeds to promote environmental awareness and to mobilize people's participation for conservation of environment.

Class III, IV, V, VI and VII prepared charts on the theme **"SOLAR ENERGY-ITS USES AND ADVANTAGES"**.

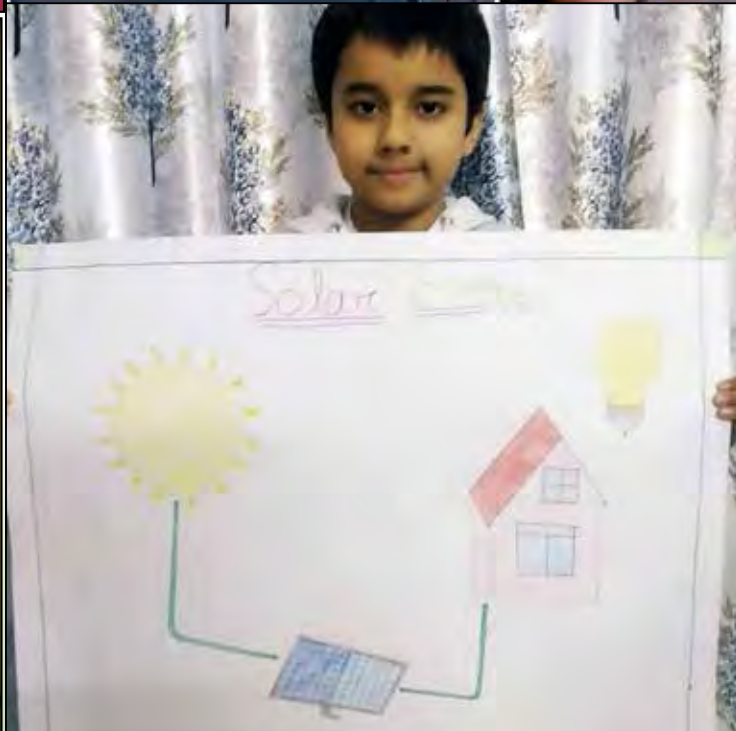

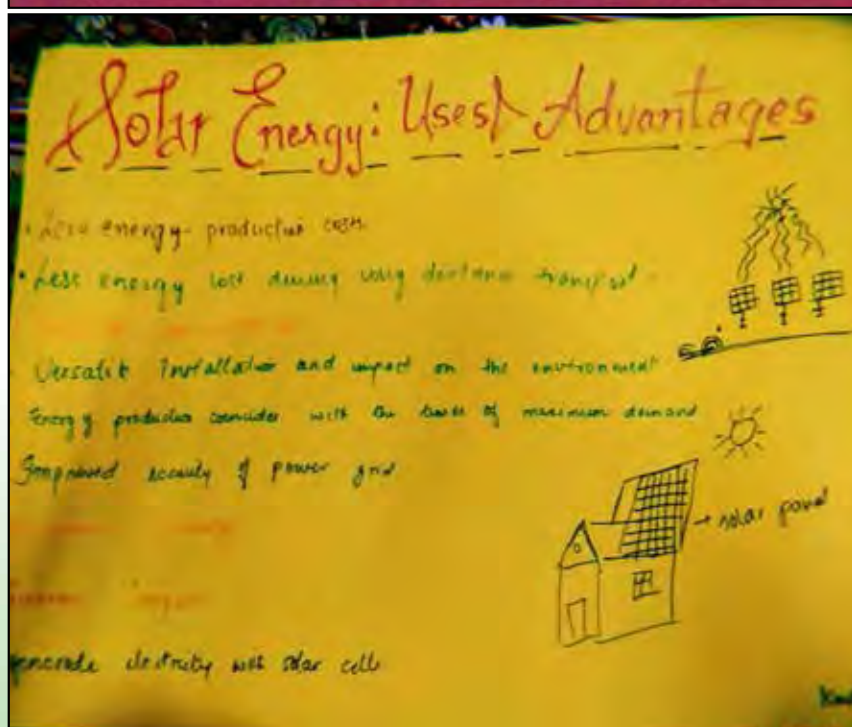

Class V and VIII were given the activity of **performing four Green deeds** like keeping computer on Hibernation mode when not using it for a long time, storing food in refrigerator at ideal temperature, unplugging electronic devices at home when going on long vacation and switching off water geyser after use. They performed these deeds and **made a photo collage** of themselves doing these Green deeds.

Class IX students made posters on the theme **"SAVE LPG"**.

All the children participated in these activities enthusiastically and

showcased their creativity by using a variety of colors and other eco-friendly materials to present their ideas on sheets.

These activities were coordinated by Mr. Amit Jain, Mrs. Saumya Marwah, Mrs. Jyotiee Verma and Mrs. Preeti Gupta and under the guidance of Principal Dr. Anju Tandon and Vice Principal Mrs. Alka Jayaswal.

- Teaching strategies in Science by Sahodaya on July 10, 2021
- Online training on Virtual Labs for teaching and learning organised by NCERT with CDAC Mumbai. Online on December 27, 2021 to December 31, 2021

MS. NIDHI PANDE

- CBSE Training- Technology for Blended Learning in Collaboration with Google Online on April 20, 2021
- CBSE-NEP Webinar series 'Innovative Pedagogy' on April 20, 2021
- In-service course for Biological Sciences, Experiential Learning by Mrs. Anju Tandon Online on June 03, 2021
- EKLAVYA 3030 webinar series Online on September 26, October 3, October 10, October 17 and October 24, 2021
- Online training on Virtual Labs for teaching and learning organised by NCERT with CDAC Mumbai, from December 27 to December 31, 2021

MS. DEEPTI SRIVASTAVA

- Bharat Ka Amrut Mahotsav by Wetland Authority of Delhi Online on April 15, 2021
- CBSE Training- Technology for Blended Learning in collaboration with Google Online on April 20, 2021
- In-service course for Biological Sciences, Experiential Learning by Mrs. Anju Tandon on June 03, 2021
- Awakened Citizen Programme 2 days Online Teachers' Training for Year - 2 by Ramakrishna Mission on June 07, 2021

- In-Service 'Effective Communication in Teaching' on July 24, 2021
- Science Teachers' Congress on October 09, 2021

English Faculty Members (Ms. Sharmila Saha, Ms. Uma Sengupta, Ms. Saumya Nair, Ms. Mona Patras, Ms. Tulsi Baura, Ms. Richa Jain, Ms. Heena Jain And Ms. Esha Purohit) Attended Following Webinars:

- "Effective Communication in Teaching" organized by Bharatiya Vidya Bhavan's Mehta Vidyalaya on July 24, 2021
- "Changes in Assessment Pattern" organized by CBSE on September 24, 2021
- "Let's Learn to Create Effective and Interesting Assignment Sheets for our students using 'Top Worksheets' an easy-to-use Digital tool" organized by AIEF on September 25, 2021
- "Adapting Materials for the Remote and Hybrid Classroom" organized by Orient Blackswan on November 20, 2021
- "National Education Policy 2020- Holistic Learning for Schools" organized by Orient Blackswan on October 29, 2021
- "Readers of Today, Leaders of Tomorrow" organized by Orient Blackswan on December 10, 2021
- CBSE Reading Mission 2021-22 on September 20, 2021
- Mrs. Sharmila Saha & Ms. Uma Sengupta attended webinar on Framing MCQ by Sankalp Sahodaya in collaboration with Career Launcher on September 28, 2021

Hindi & Sanskrit Faculty Members - Ms. Dimple Juneja, Ms. Neeta Srivastava And Mrs. Neelam, Dr. (Ms.) Anju Bala, Ms. Neeru Nigam, Ms. Renu Sharma, Ms. Rakhi Kapoor And Ms. Vijaya Lakshmi Sharma Attended The Following Webinars-

- Ms. Dimple Juneja attended webinar on Integrating Technology Beyond Real organised by Sam Urja on January 14, 2021

- Dr. Anju Bala attended संस्कृत व्याकरण प्रशिक्षण कार्यशाला on January 7, 2021
- Wetland Conservation Training- Workshop for Master Trainers Chairmanship of Additional Secretary (Environment) on April 15, 2021
- Catharsis, Unpacking Emotions and Embracing Tranquilities CBSE workshop conducted by Sunita Pandey and Dr Vinod Prasoon on May 29, 2021
- Hindi Lesson Plan Design workshop with Special Focus on the New Curriculum organized by Viva Publication on June 5, 2021
- Mindful Diet conducted by Dr Shikha Sharma on June 9, 2021

IT Faculty Members -Ms. Smita Malik, Ms. Parineeta Sengupta, Mr. Mukesh Chugh, Ms. Aditi Agarwal And Ms. Gunjan Kakar Attended The Following Webinars:

- Building Synergies for an AI ready India by Edusoft on April 6, 2021
- Introduction to Coding using Scratch — Oracle Corporate Citizenship team on July 8, 2021
- Introduction to Coding using Scratch — Oracle Corporate Citizenship team on July 9, 2021
- Python & SQL by Edusoft on October 21, 2021
- Artificial Intelligence by CBSE on November 17, 2021
- CBSE workshop on IT by on December 22, 2021
- Exploring different Digital platforms by R.K. Publication on January 27, 2022
- ERP software Vedanta on March 24, 2022

Social Science Faculty Members Attended The Following Webinars:

MRS. SAUMYA MARWAH

- NPSC India-Elucidating the assessment criteria by NPSC on May 06, 2021
- Experiential Learning on June 03, 2021
- Cyber bullying on June 11, 2021
- Role of CBSE in standardisation of curriculum on July 03, 2021

- Resuming safe school — NPSE on September 18, 2021

MS. JASMIN NISHA

- Assessment Reforms with special reference to CBSE scheme of 2021-22 by CBSE on August 6, 2021
- Digital Transformation using New Technologies by CBSE on August 11, 2021
- Exam Factor Demo with BVBMV on August 26, 2021
- Webinar on Competency Based Questions: Social Science by CBSE on October 7, 2021
- Webinar on Role of Parents in Promoting Positive Mental Health among Children by Dr. Sona Kaushal by BVBMV on October 9, 2021

Class IX	July 8-9, 2021	Introduction to Coding using Scratch	Organized by Oracle Corporate Citizenship Team
Classes III to IX	August 19, 2021	PPT presentation on – Demo of Drop Hold Cover	Disaster Management Team
Classes VI to VIII & other Hubs school	Nov 30, 2021 & Dec 17, 2021	Series of webinars on 'Electronics and Robotics'	Hubs of Learning, Mehta Vidyalaya
Classes V & VI	December 23, 2021	One-day Coding Workshop (Block-based coding and game creation- Subway Surfer)	Junior Robo, the IT Department
Classes VI to VIII	December 22 -23, 2021	Sessions on 'Doodling app' and 'Snake Game'	IT Department of Mehta Vidyalaya in association with Avishkaar
Classes VII & VIII	December 23, 2021	Java Script based cod- ing and game creation (Flappy bird).	Junior Robo, the IT Department

Virtual Celebration Of Mathematics Day 2021

Every year schools throughout India celebrate the National Mathematics Day to commemorate the birth anniversary of the great mathematician Srinivasan Ramanujan on 22nd December 2021.

This year also students of Bhartiya Vidya Bhavan showcased their love for mathematics on a virtual platform and enthusiastically participated in various competitions and activities to prove that mathematics is the mother of all sciences.

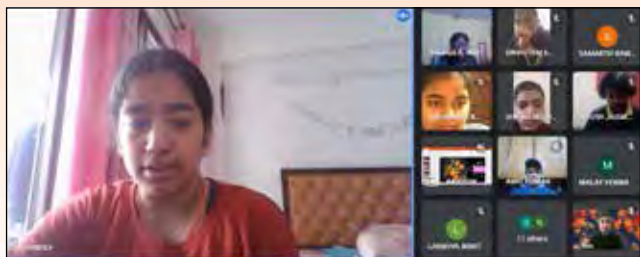

The young brigade of class I prepared self-learning aid to explain the concept of addition. Students of class II did role enactment activity, explaining the mathematical operations. Students of classes III & IV presented poems on the importance of mathematics in daily life and how it is the backbone of our society. Students of class V did role enactment where they dressed up as Mathematicians and also demonstrated how in future mathematics and technology together will help to develop our nation.

Students of class VI did an art integrated activity wherein they made beautiful rangoli designs with various 2 D geometrical shapes. The students of class VII presented a group activity recreation of a story with a mathematical theme. Students of class VII prepared PPT showcasing the importance of Vedic Mathematics as a tool for enhancing calculation skills and mental ability. Students also prepared videos for measuring surface area of 3 D shapes. Students of class IX combined various solid figures to make some interesting figures. Students of class XI participated in the online quiz competition, a combination of technology and mathematics. All the students who did exceedingly well in various activities and competitions were awarded E – certificates for their efforts.

All these activities were planned and coordinated by HOD Mathematics, Mrs. Bandana Kumar and executed by the Mathematics Faculty.

Celebration Of International Year of Millets 2023 NY Under Pradhan Mantri Poshan Shakti Nirman (Pm Poshan)

Bhartiya Vidya Bhavan's Mehta Vidyalaya, New Delhi, enthusiastically participated in the International Year of Millets 2023 NY under Pradhan Mantri Poshan Shakti Nirman (PM POSHAN) on **27th Jan, 2022**. Students who were mentored by their teachers of various grades had participated in multifarious activities for instance preparing food stalls, class discussion, collage making, poster making, slogan writing, poem composition etc. All teachers took sessions on Healthy Nutrition to sensitize students and their parents about the myths and facts of healthy nutrition, nutritious balanced diet for lactating women/ pregnant women/ adolescents and children; dwarfism, malnutrition, anaemia, handwashing, good food habits etc. These online sessions created awareness amongst students and motivated them to eat nutritious food.

Details of the above-mentioned activities along with images and videos are as follows:

Sl.	Activity	Date	Details
1	Collage Making	27/01/2022	Students made collages on Balanced Diet/ Nutrition for pregnant ladies/ Nutrition for lactating mothers/ Nutrition for Adolescents/ Diet for Children. (Class-VI)
2	Slogan Writing	27/01/2022	Students participated in slogan writing activity on Balanced Diet, Dwarfism, Malnutrition, Anaemia, Hand Wash, Good Food Habits etc. (Class-VII)
3	Poem Composition	27/01/2022	Students composed poems on Myths and Facts related to Healthy Nutrition. Videos and facts were shared with students for sensitization towards myths related to healthy nutrition. (Class- VIII)
4	Class Discussion	27/01/2022	Discussion on Myths related to healthy nutrition done by the students in online classes. Presentation on the same was shared with students. (Class- IX)
5	Poster Making	27/01/2022	In depth knowledge provided to the students by our teachers on Balanced Diet, Dwarfism, Malnutrition, Anaemia, Hand Wash, Good Food Habits etc. (Class- IX)
6	Food Stall	27/01/2022	Information on preparing food stalls on various dishes required for a balanced diet for lactating women, pregnant women, adolescents, school going children was shared with students. Students presented their food stalls on discussed topics.

National Science Day 2021

The National Science Day 2021 was celebrated in Bharatiya Vidya Bhavan's Mehta Vidyalaya on 11th November 2021, through the online platform. The theme for National Science Day 2021 was "Future of STI: Impacts on Education, Skills, and Work". The National Science Day 2021 aims to motivate the students to gain hands-on experience in the field of science.

Keeping in mind the spirit of science, several activities were conducted such as enactments related to science, quizzes, scientific rangoli, posters and several hands-on activities and experiments were conducted to celebrate science day. The event commenced with a video message from our Principal, Dr. (Mrs.) Anju Tandon who congratulated students and the science department for their participation. She motivated students to have a scientific bent of mind and explore different scientific phenomena in day-to-day life through various hands-on activities. This was followed by best wishes from our Vice Principal, Mrs. Alka Jayaswal who guided and encouraged students to adopt sustainable development as we progress in science and technology and nurture our nature, simultaneously. An overview of different events and participations of science week was given by the HOD, Mrs. Aarti Chopra.

Glimpses of different activities such as enactments related to science, quizzes, scientific rangoli, posters and several hands-on activities and experiments were shared with students across K-12 level. The celebration of science week kept the spirit of scientific temperament alive among students during the testing times of the pandemic.

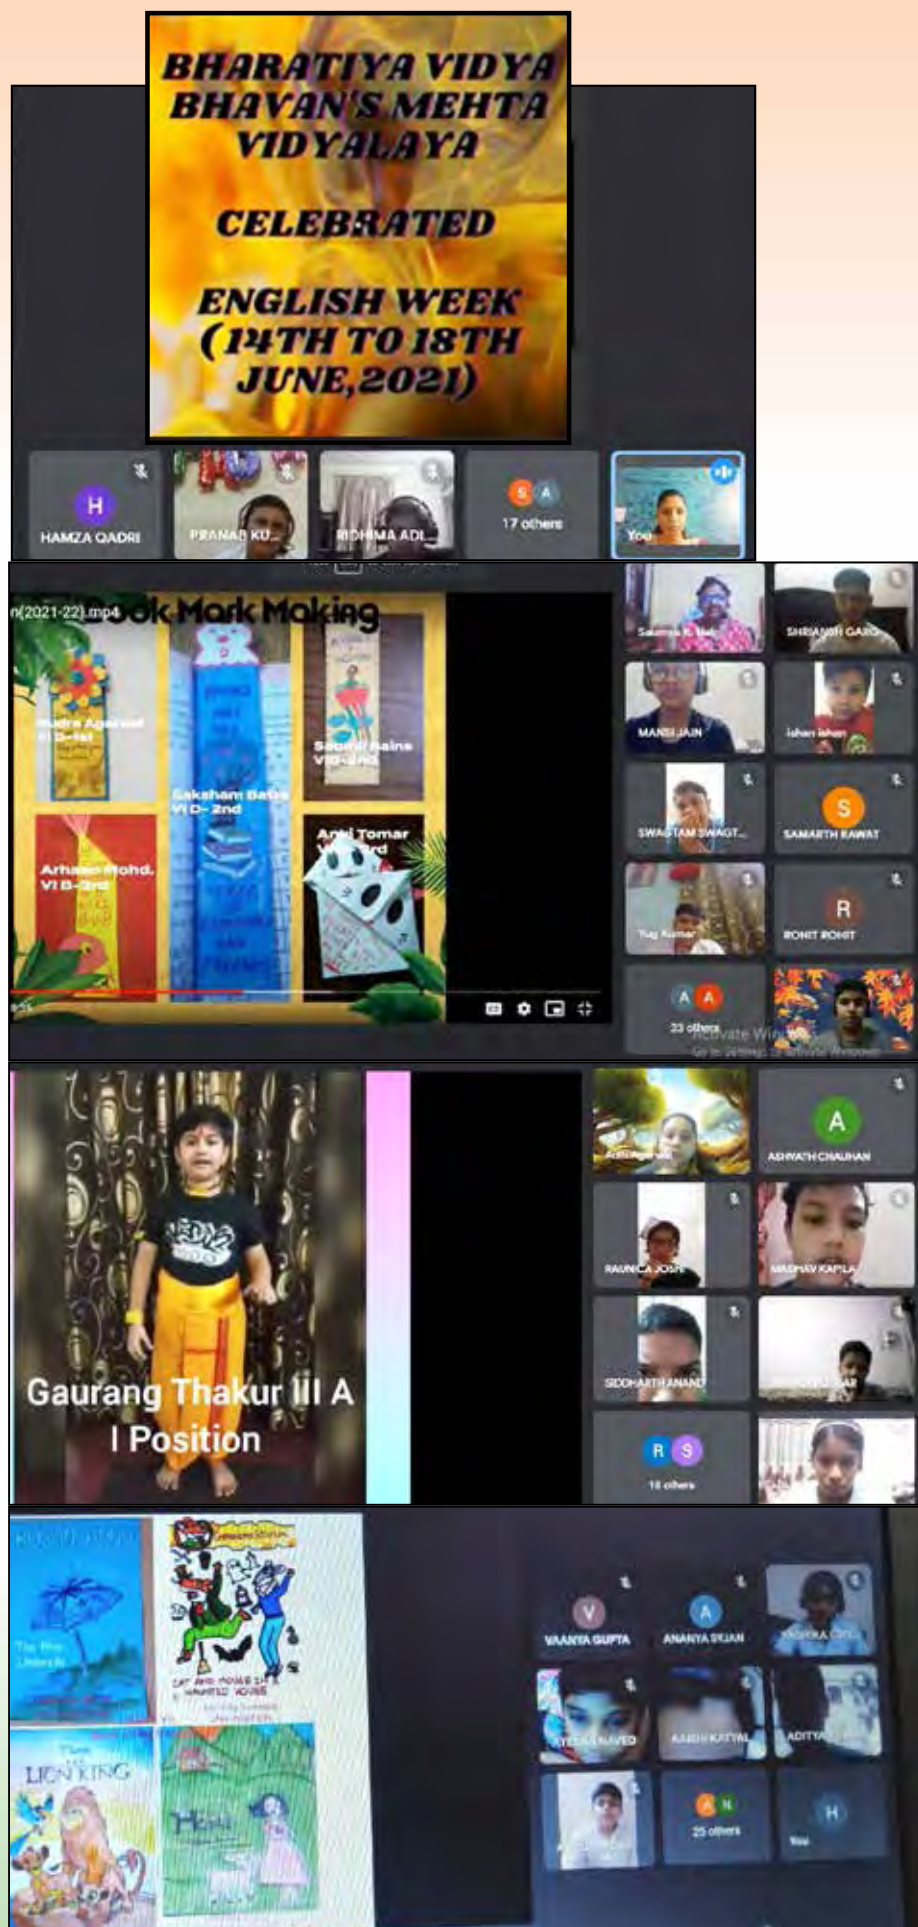

National Reading Day

Recognizing the importance of reading and to mark the importance of **National Reading Day**, the English department of Bharatiya Vidya Bhavan's Mehta Vidyalaya celebrated the English Reading Week from 14th to 18th June 2021 under the guidance & supervision of Mrs Sharmila Saha, HOD, English department.

The wonder and magic of reading books was exhibited in the classes from III to XII through an array of reading and literary activities. The aim of these activities was to encourage students to rekindle the spirit of reading, enhance literacy skills, to stimulate their imagination and to foster their artistic expression.

Throughout this week long celebration the students developed an understanding of how books can entertain and inspire all of us. Students of our school also actively participated in various events organized by Bhavan's Panchkula to mark the National Reading Day on 19 June 2021 on the online platform. The active participation of the students was a testimony of their zeal and fervor.

IT DEPARTMENT REPORT

During pandemic times, education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms.

At Bharatiya Vidya Bhavan's Mehta Vidyalaya all functions and events were organized with great zeal. The online events were organized by different departments in coordination with IT department.

The curriculum of IT Department includes:

Hand on Experience for classes 1 & 2, Computer literacy programme for 3-8, AI for classes 6-8 as per CBSE Curriculum, Computer Application in Classes 9 & 10, Web Application as skill subject in classes 11 & 12, Computer Science with python as elective subject in Classes 11 & 12.

School IT department has been the pillar and the link, providing forehand & backend support to all staff members in following areas:

- Helping in Conduct of online classes, webinars, activities.
- Conducting all major school functions online – Farewell, DMMITS, Teacher's day, Annual Day, Munshi Memorial Competitions.
- Conducted Teacher's training for different Online platform usage
- Using Gsuite platform – IDs created for all students & teachers
- Maintaining School Facebook & You tube Channel – for uploading all major activities and events.
- Training staff for using ERP Software & maintain the same
- School's Google Drive is created & maintained wherein

**Dhruvi Goel Class - VI Section - B
(First Position)**

all class links , attendance , planning files , data such as photos & videos are uploaded

➤ School website Maintenance & Updation

The project **MUSKAAN** was introduced as part of CSR project undertaken by the school IT Department in association with Rolls Royce, CAF India and Caritas India to enhance learning among children with learning disabilities and slow learners. Bhavan's Mehta Vidyalaya is the first school in South Asia to collaborate with Rolls Royce for this unique venture and project.

IT Department of school organised the **Dewang Mehta Memorial Inter-School IT Symposium** on 10th August, 2021 in collaboration with NASSCOM. The 21st edition of this mega event saw an overwhelming response from 45 leading schools of India including Bhavan's schools

Pan India and 6 international schools.

In BVB (MV) according to guidelines of DoE, IT Department is organising activities to creates **Cyber Awareness** among the staff and the students. We are conducting lot of activities in which our students are actively participating and workshops are being conducted for the staff also.

CYBER OLYMPIADS – 2021

IT ACHIEVEMENTS

Students of Bharatiya Vidya Bhavan's Mehta Vidyalaya participated in Cyber Olympiad 2021, under the coordination of IT Department. The following students secured ranks and medals for the same.

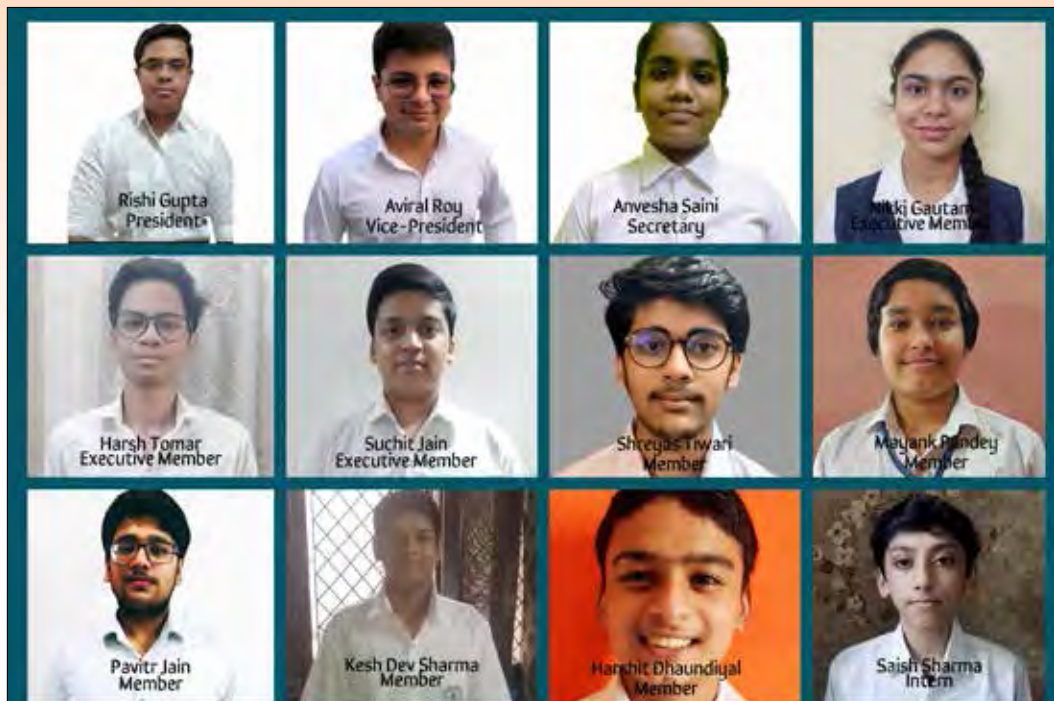

SILVERZONE OLYMPIADS-2021

TECHBOTIX

The Robotics Club of our school encourages students whose passions dwell in creating a machine that has a brain of its own. Under the guidance of Mrs. Smita Malik and Mr. Mukesh Chugh, the Club offers indispensable guidance, workshops and tutorials along with tools, equipment and workplace to the students.

The following are the members of the **TECHBOTIX CLUB**

TECHEDGE

The Techedge club has been supporting and helping students achieve technological excellence for more than a decade under the guidance of Mrs. Parinita Sengupta. Our endeavour has constantly been to unleash that latent tech genius in every possible student. To this end we organise a number of intra and inter school competitions, assemble talks, excursions, quizzes

and empower our students with the latest IT updates. In a world of technical banality, we strive to create new ideas and innovations among our students.

The following are the members of the **TECHEDGE CLUB**

FINE ARTS DEPARTMENT

2021-22

The Work Experience department is the very pillar of the school as it carries forward the cultural ethos of Bharatiya Vidya Bhavan's Mehta Vidyalaya, which is Sanskrit and Sanskriti. The department is headed by Mrs. Kirti B. Sarkar. The department instills creativity in various work experience subjects like Drawing, Dance, Vocal Music, Instrumental Music, Craft, Robotics, Band, Tabla and Woodcraft.

At the very onset of the curricular training the primary students are introduced to the various art forms such as dance, music, clay, craft and drawing. As the students graduate to class 6th, they choose their preferred work experience, and learn the skill till class 10th. This develops a vocational skill in them which can be taken up later as a passion or as a profession.

The department also presents all major cultural shows that are held in school. Various competitions relating to the creative fields are looked after by the department. All the national festivals, Basant Panchami, Christmas, Annual functions, Farewell, Swaranjali and various other functions to celebrate various Festivals and occasions are taken up and students are trained to give best performances. Various foreign delegates have been gifted with beautiful paintings and have witnessed some of the finest dance and musical performances by our students.

Art integration in various subjects is an integral part of the syllabus of all the subjects in Fine Arts, Maths, Science, S.S.T, English, Hindi, and many subjects have been integrated through art. It is a very important aspect of the learning process, it decompartmentalizes the learning and makes it interesting for the students, and is a must as per C.B.S.E. curriculum. This year the art integrated activities were uploaded on the C.B.S.E portal from classes 1st to 12th. These activities made it possible for the Board classes to get their admit cards.

Kalanaipunya is a dream project of our Principal Dr. Mrs. Anju Tandon. It is based on skill development in students. It involves teaching different kinds of skills to the students right from the primary to the secondary level. Under this project the commerce and the Fine Art departments get together. The Fine Art

department teaches various hands-on skills from recycled paper and other waste material. Artifacts like paper bags, Jewelry, paintings, shagun envelopes, wax candles, pencil decorations, jute bags, fridge magnets, coasters etc. are taught by the Fine Art department. These artifacts are then marketed by the commerce department. During the online classes, the students are constantly learning various hands-on activities so that they are equipped with skills to produce products for the Kalanipunya project.

The students participated in various prestigious Inter school as well as the Zonal inter school competitions organized by the D.O.E. Under the department students **won Eleven First Prizes,**

Three second prizes and one third prize. An art work was also selected for the NPSC calendar.

The Department took workshops for teachers in Dance, Music and Art during the Teachers' training programme. The teachers were taught to make Paper bags and learn bhajans.

The Art department also did wall painting on the walls of the sports ground. The wall painting was done on the theme based on the different sports activities played in school. This work was appreciated by the school management.

AZADI KA AMRIT MAHOTSAV 5th -10th DEC. 2021

FIT INDIA SCHOOL WEEK 2021

The school celebrated Azadi ka Amrit Mahotsav-Fit India school week for parents, students & teachers organized by the physical education department. Fitness week was celebrated from December 5, 2021 to December 10, 2021.

On 6th December, a physical fitness programme for 11th class was organized. Walk and Run, Sprint, long jump and other exercises.

On 7th December, walk/run/fitness/aerobics was organized for parents and teachers.

40. PRITHVI SINGH (VI-B) is a seasoned child actor who has acted in the movie 'Barah by Barah' directed by Gaurav Madan. This little star made

his media debut in 2018 with the Rooh Afzah advertisement. Since then he has starred in four short films and advertisements like Camey socks, Nature fresh oil, India Pix, HT City, Borosil, Japan International Cooperation Agency Kumamon Achhi Aadat and UNICEF TV commercial. He is also doing the episodes for Top parenting App. He was adjudged the best actor in August 2022 during Harappara International Film Festival for the short film "Wake up Call India". We wish him all the best in his film career!

39. RITIKA JUNEJA, a school pass out of **2011 Batch** has jointly published two articles in Financial Express dated 1 August, 2021 and the Indian Express dated 16 August, 2021. She has also collaboratively written & published a book – "From Food Scarcity to Surplus – Innovations in India, Chinese & Israeli Agriculture". Her role model happens to be her former Economics Teacher, Mrs. Keerti Chaturvedi. The entire Mehta Vidyalaya Fraternity wishes her best of luck for all her future endeavours!

HUG WITH WARMTH

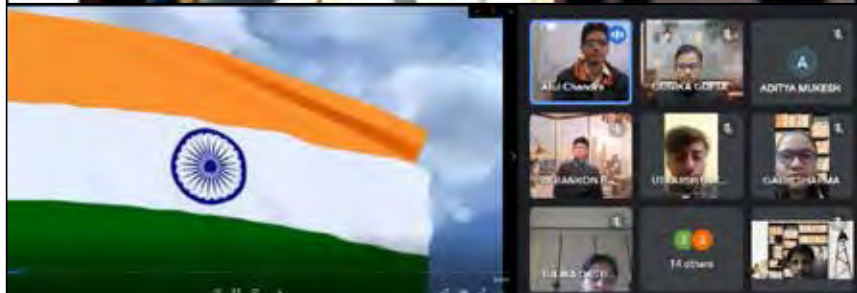

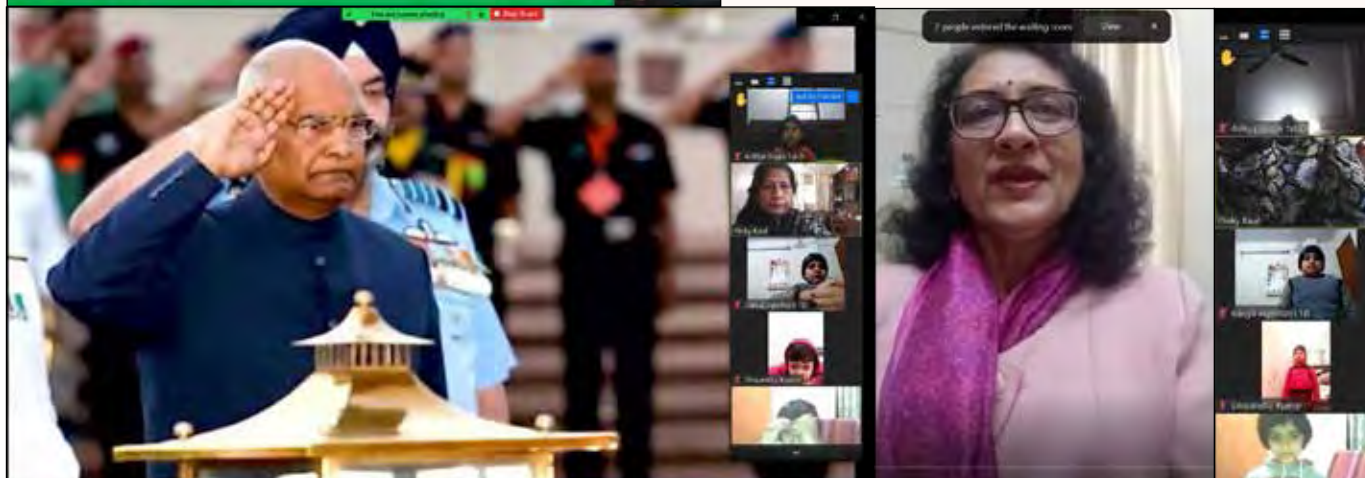

For more than a decade, Mehta Vidyalaya has been organizing Hug with Warmth Drive, wherein students share their old woollen clothes and blankets during the severe winters with the needy and less fortunate people around their locality/ colony, such as house help, watchman of locality, car cleaners, rickshaw pullers, vegetable vendors etc. The school strongly believes that such activities instil a habit of sharing and caring in students.

Republic Day Celebration 2022

73rd Republic Day was celebrated virtually by Mehta Vidyalaya with immense patriotic fervour and zeal on 25th January, 2022. As a part of “Azadi ka Amrit Mahotsav”, a plethora of activities and presentations were showcased to infuse the spirit of unity, brotherhood and patriotism among the students.

The programme began with a speech by the Head Boy, Kushagra Gajjar, followed by an inspiring video presentation on “National War Memorial”, by the senior school appointments. Students participated in the virtual flag hoisting and sang the National Anthem.

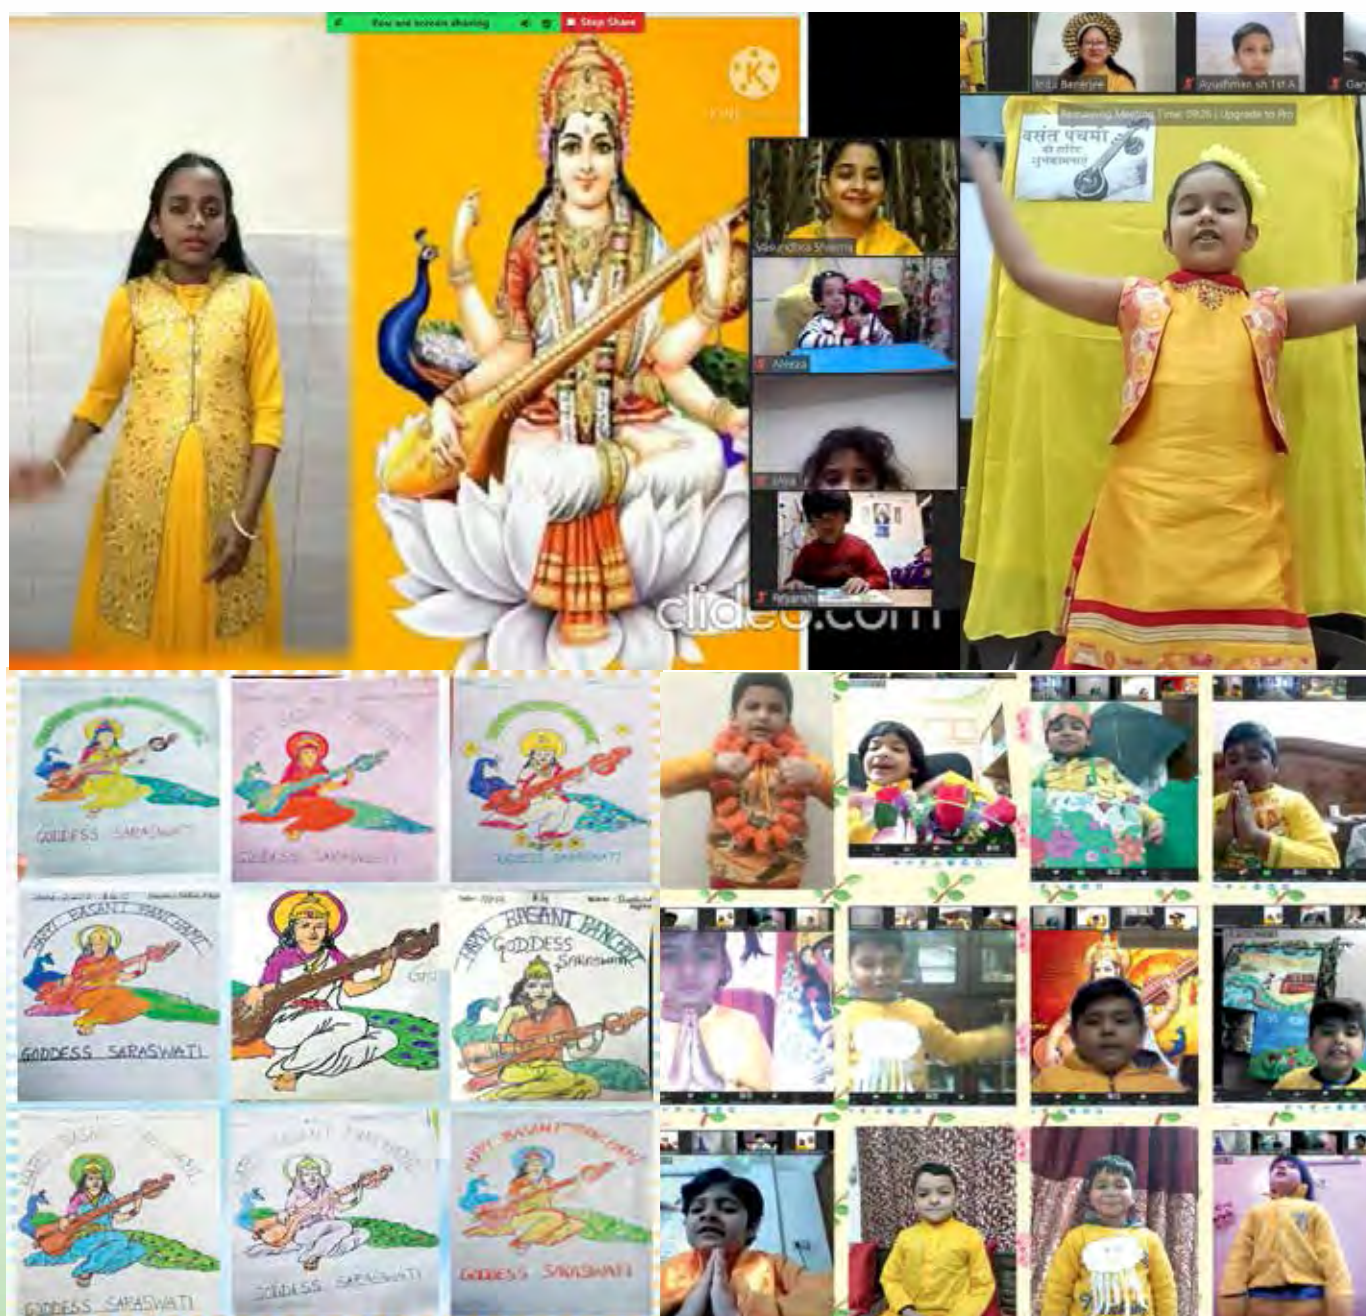

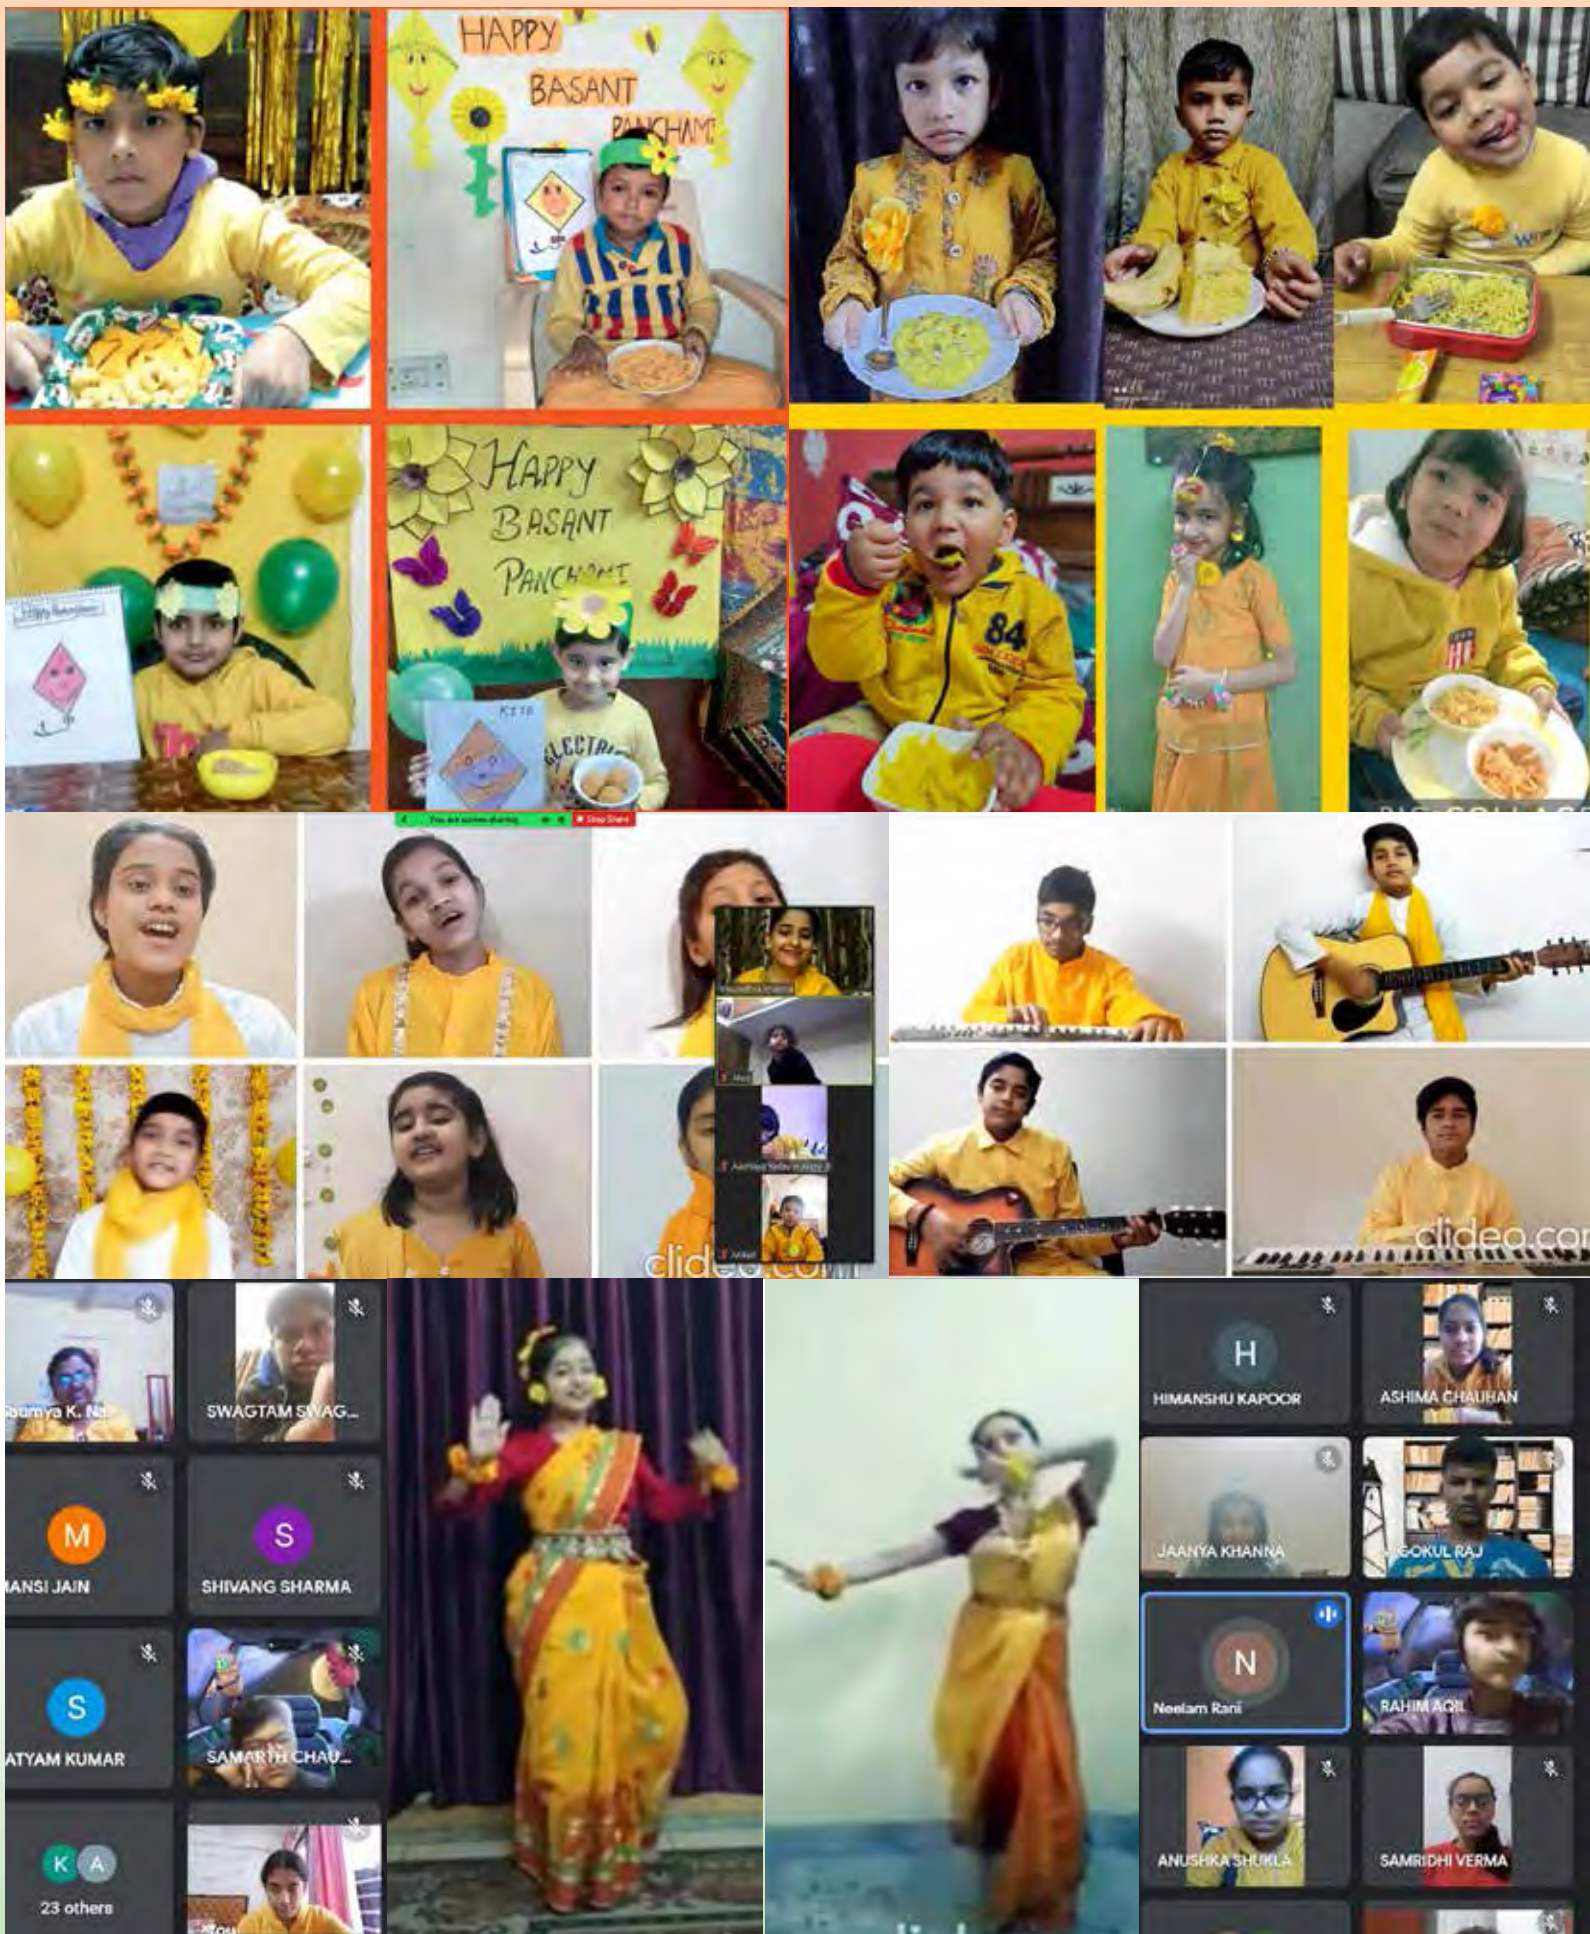

Students from kindergarten paid homage to the great heroes of our nation by dressing up as the national leaders. Students of classes I & II presented cultural diversity of different states of our country through their presentation ‘Desh Mera Rangila’. Students of classes III to XII presented a beautiful dance performance which was an amalgamation of various dance forms. A musical tribute was presented to our great soldiers with a patriotic song by the students of classes III to X.

BASANT PANCHAMI CELEBRATION

Basant Panchami marks the advent of the spring season and is also celebrated to worship Maa Saraswati, the goddess of knowledge and wisdom. The students of the pre - primary wing celebrated this auspicious day with great joy and fervour on 3rd February, 2022. The significance of the festival was explained to the children through different activities. Learners dressed up in yellow attire and learnt the significance of the day. The tiny tots made beautiful drawings of Goddess Saraswati, recited poems and wrote paragraphs on the topic "Basant Panchami". It was an enriching experience on the virtual platform for the learners.

Celebrating the occasion, a Powerpoint presentation was shown to the students. Araadhya Choudhary of class V A presented a beautiful poem describing the festival. Under the training of Mrs. Purnima Roy, Hiya Pasricha and Anisha Ahuja of class IX presented a dance performance to pay tribute to Goddess Saraswati. Students of classes III to X presented Saraswati Vandana under the guidance of Mr. Deepak Aggarwal.

Farewell Ceremony Class XII

Our school gave a virtual farewell to the outgoing students of Class XII on 4th February, 2022.

The Chief Guest for the occasion was Brig. Umesh Singh Bawa, a recipient of Veer Chakra; Sena Medal and an illustrious alumnus of Mehta Vidyalaya Batch 1974. Wishing the outgoing students, the best of luck for their future, Dr. (Mrs.) Anju Tandon, School Principal advised them to face adversities in life with aplomb and panache. Shri. Ashok Pradhan, Director, BVB blessed the students and motivated them to uphold humanistic values and be good human beings. In his address, Brig. Umesh Singh Bawa shared inspiring anecdotes and encouraged the outgoing batch to make their

life decisions based on their capabilities, to have confidence in themselves and faith in God, to have the moral courage to stand up for what is right, to do course corrections and be determined and focused towards individual aims.

The occasion saw the release of Bhavidya, the bi-annual school newsletter. Citations were read out by the class teachers and the exhortations read in Sanskrit and English followed by students' avowal. Mrs. Alka Jayaswal, Vice Principal proposed the vote of thanks. The entire event was coordinated by Mrs. Aarti Chopra, Mr. Ajay Bhardwaj & Mrs. Aradhana Gambhir.

REPORT ON MUSKAAN PROJECT

The project MUSKAAN was introduced in 2016 as part of a CSR project undertaken by the school in association with Rolls Royce, CAF India, and Caritas India to enhance learning among children with learning disabilities and slow learners.

Bhavan's Mehta Vidyalaya is the first school in South Asia to

implement this project under the dynamic leadership of our Principal Dr(Mrs) Anju Tandon and Vice Principal Mrs. Alka Jayaswal.

The school has been continuing the project since then & moving forward to another phase in the Year 2021. The Muskaan activities are coordinated by Project coordinator Mrs. Smita Malik along with subject specialist teachers which include - Mr. Mukesh Chug, - Electronics & Robotics, Mrs. Tulsi Baura,- Special Educator, Mrs. Shilpi - Science and Mrs. Swati Gupta,-Maths.

Various activities undertaken under the project are –

Training of Teachers, Learning by doing – children learn concepts of science, maths & electronics using Kits provided – Excursions for the students, Exhibitions of projects made by students, regular feedback & interactions with students. The project “MUSKAAN” has been successful in bringing smiles to the faces of slow learners and children with learning disabilities while enhancing their knowledge & interest in the subjects.

NOMINATION OF MUSKAAN PROJECT FOR CSR AWARD 2021 – EVALUATION BY FICCI

MUSKAAN project funded by Rolls Royce has been nominated for a CSR award. An evaluation in this regard was done by FICCI wherein teachers and students of our school who were associated with the project were interviewed on a virtual platform by the FICCI team. All the students and teachers shared their experiences with the project.

“PLASTIC WASTE MANAGEMENT”

To create awareness among the students about the importance of maintaining clean surroundings for the wellbeing of all by elimination of single use plastic and protection of the environment through Waste- to –Wealth pathway via – Reuse, Recycle and Recovery, a variety of activities based on the theme “Plastic

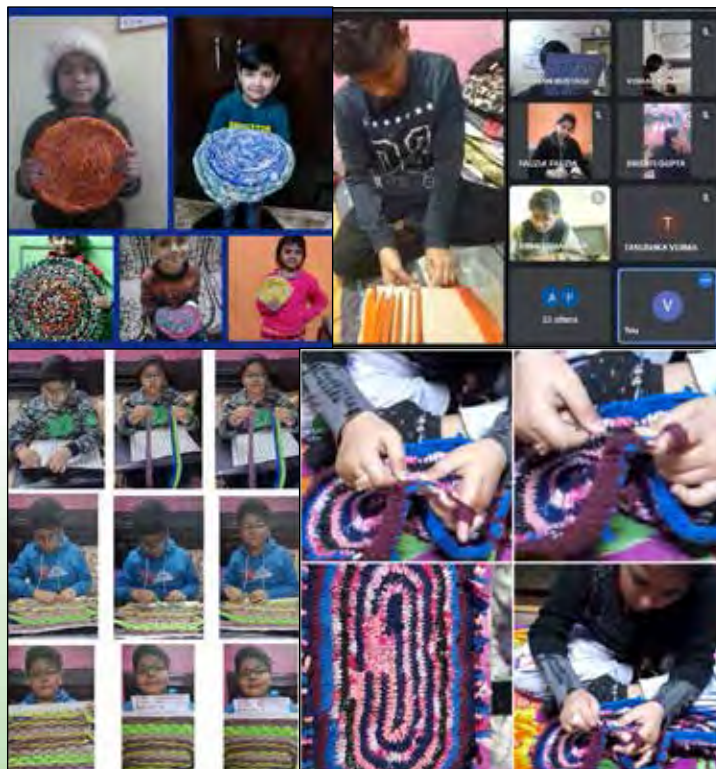

Waste Management were conducted for different grades on the online platform from 9-8-21 to 28-8-21. These activities included Pledge on ‘Say No to Plastic’, Speech on Innovative Ideas for Plastic Waste Management, Book Mark making, Poster Making on Eco friendly alternatives to Plastic, Slogan writing, Essay writing on Strategy of 6 R’s- Reduce, Reuse, Recycle, Recover, Redesign and Remanufacture, PPT presentation on Plastic waste management and Interactive Discussion on elimination of single Use Plastic.

These activities helped in sensitizing the young learners in making eco-friendly plastic waste management a sustainable practice for the good of the planet and provided opportunity to the students to showcase their creativity and express their views on Plastic waste management. The students enthusiastically participated and thoroughly enjoyed doing the activities.

AZADI KA AMRIT MAHOTSAV ACTIVITY- “MAT/RUG MAKING USING OLD CLOTHES”

As our country is celebrating 75 years of Independence, this year the Republic Day was celebrated under the broader ambit of “Azadi ka Amrit Mahotsav”. The students from classes I - IX enthusiastically participated in making a craft project “MAT/RUG MAKING USING OLD CLOTHES” under the concept of “Waste to Best” and “Waste to Wealth” to showcase their sense of patriotism for the nation and gratitude towards the Jawans for their selfless dedication and commitment to serve the nation. The students unleashed their creativity by reusing clothes that had ended their utility for them and prepared beautiful Mats. This activity helped in creating eco-friendly consciousness and habit among the students by understanding the importance of Reuse and Repurpose as an essential way towards a frugal living. This activity was conducted by the Waste Management Committee along with the Activity Coordinators.

"WASTE SEGREGATION AND COMPOST MAKING AT HOME"

With the aim to create eco friendly environment consciousness among the students, to maintain clean surroundings for the wellbeing of all by managing waste at source and heading towards zero waste lifestyle, the members of the Waste Management Club organized the "Waste Segregation and Composting activity for class Nursery and KG students, "Waste Segregation and Garbage bins making" for class I and II students and "Compost Making Activity" for the students of class III-IX and class XI on the online platform on 15-07-21.

To connect the students with practical hands-on experience in waste segregation and composting, powerpoint presentations explaining waste segregation (for junior classes) and composting process (for primary classes onwards) were shown to the students which highlighted how composting is being done in our school. This was followed by a video which explained the steps of compost making. The class teachers discussed composting and then the students performed the activity. The details regarding the material required for the activity were briefed to the students beforehand and they were well prepared with the items. Students thoroughly enjoyed the activity of segregating waste, making blue and green bins and performing the first step of Composting. They looked forward to completing the composting project.

To assess students' understanding of the same, an assessment form was given to students of class I and II and a quiz based on the theme 'Heading Towards Zero Waste' for classes III-XI. Students enthusiastically participated.

To motivate the young learners and to make their learning an active experience by engaging parents

with them, student and parent feedback for class 1 to 9 and class 11 were taken after the activity through Google Forms. Through this activity the students were able to understand the process of food waste recycling works and gave them an appreciation for the environment and satisfaction of doing their little bit as a friend of the environment.

From the Quill
**Bharatiya Vidya Bhavan's
Mehta Vidyalaya – a paean**

Brick by brick, the base was laid,
The temple of learning made,
By its dynamic founder
With a lofty vision – a pioneer.
Thus, began the noble journey,
To nurture young minds to shine.

From a humble start and gradual growth,
The temple grew from strength to strength.
New wings were added,
And laurels won applauded.
It had carved its place unique,
For learning many came to seek,
A place where they could be themselves,
Bring forth their skills and potentials.

Steering the ship,
With brilliant workmanship,
Various captains at the helm,
Each era, a new realm.
Setting their sights on bigger goals,
Each playing their distinctive roles.

A happy band from far and near,
Began each day with Sarva Dharma prayer.
Keeping abreast of time,
Sanskrit and Sanskriti its aim,
And with technology modern,
Became an institution to pride on.

It stands now tall and strong,
Towards new horizons moving on,
With a crew dedicated
To its vision and mission,
With perseverance and passion,
To seek new heights

Galaxy Of Unanswered Questions

In my state of seclusion,
I stared up at the sky,
The planets caught my attention,
And now I wondered why,
What is the pattern of their revolution?
What sets them up so high?
I tried to think of an explanation,
And I let out a sigh.

In my state of I seclusion,
I stared up at the sky,
Sitting with deep concentration,
When an apple fell by,
Now I knew the explanation,
And I let out a sigh.
TANVI SHARMA, 8 D

The Lurking Foe

We may be young or old,
But we must be bold,
Against the lurking foe.
We can't go to malls,
Nor can we go to waterfalls,
Because this virus is a scaring,
Sending down our spines a shivering

If you have to go out, thing twice,
Wear your mask, be wise.
After coming home sanitize,
And wash your hands thrice.
COVID-19 is the name,
It is playing a hide - and seek game.
By following the rules,
We can ensure endgame.

Ashima Chauhan, 11 A

The Magician

He's the creator,
The one painting this world.
The one striking his brush-
On this canvas called universe.
Creating us the dolls of love and humanity,
Creating the art called life.

And truly in each voice I hear
thy magic tune.
I hear it in the endless emerald oceans
And the magnificent mountains,
I hear it in the rain embracing-
The petrichor earth.
I hear it in the gliding sky, and
I can hear it in myself.

Following his magic tune,
Here I am standing barefoot
Near the horizon,
Where I want to get absorbed
In the motherly and mystical-
Arms of my creator.
The magician of the universe,
The God of his passionate lovers.

By- Anushka Shukla, 11B

I LOVE MY LAND

She's is a rich and rare land,
Oh, she's a fresh and fair land!
Her beauty is defined by Kashmir,
And the delicious kheer.

In Mumbai, the land of Shivaji,
There's mouthwatering vada pav and pav
bhaji.

People roam in beautiful traditional dresses,
Where something even silence expresses.
The open valleys are filled with fragrance of
flowers fresh,

Here nature's beauty is at its best.
Every season is a matter of joy,
Even the birds seemed to enjoy.
This is the native land of mine,
Filled with bright sun shine.

Here love is like a star,
That spreads its light near and far.
Extending love and care is the duty of every
citizen,

Here there is no criticism.
Every religious festival is grand,
This is why I love my land.

Tanvi Sharma, 8 D

You Be the One

The fear of being alone,
The fear of losing someone you love.

The fear of people hating you,
The fear of everybody leaving you.

Thinking about it all just hurts,
So please be there for someone.

Be the one there for somebody who is alone.

Make them feel loved and special,
Make them feel like they are extraordinary,

And lastly never leave them till the end.

If you are around someone fighting the fear of being alone,

Give them the happiness they deserve,

And trust me-

You will get the happiness and love you deserve!

Sonakshi Sengupta, 7 C

My little brother

Twinkling bright
black eyes,
My little angel
is super wise.
Only two pearly teeth
that always shine,
Lovely lips look rosy fine.

Tiny legs and tiny hands,
Very fast in making friends.
His awesome world is full of fun,
He still crawls but makes me run.

My little commander loves surprise around,
I ensure all hygiene and clean ground.
Little prince knows how to greet,
He sways his body to dancing beat.
I begin my day with his charming smile,
I keep noting his every new step in my file.

Snigdha Prasad, 6 C

Book review of 'WONDER' by R. J. Palacio

I read the book 'Wonder' written by R.J. Palacio. It's main message really moved me; "You Can't Blend in When You Were Born to Stand Out". This story is about a boy named August Pullman who has been facially deformed since birth. He has a small family of his mother and father and his sister.

His parents have always been protective of him and never sent him to school in fear of the social stigma and decided to home-school him. Still, he joins a school to start his fifth grade. But things don't go easy, the students are terrified of him and call him mean names like 'Orc'. They make a horrible game called the 'Plague' and the rules are- if they touch him, they have thirty seconds to find a hand sanitizer or soap and water to clean themselves or they would also catch an "infection".

It takes a long time for his classmates to get used to his face.

Gradually, August makes some good friends- Summer Dawson and Jack Will. But like every other story, there is a villain- Julian Albans, the worst of the lot and the creator of "Plague". He is always mean to August and cracks mean jokes about his appearance. But ignoring all this mockery, August remains focused, he goes on to become an exceptional student and does not care about what everyone thinks about him. His hard work finally pays off at his fifth-grade graduation ceremony where he wins the "Henry Ward Beecher Award" for his strength through the whole year. He earns the respect of everyone at school and the students stop teasing him.

This book teaches us that whoever we are, however we may look, we can do anything we believe in. I recommend it for all age groups as the story of August is highly motivational and inspiring.

"Yatha Drishti Tatha Shristi"

Good morning everyone, Respected Judges, Teachers and my dear Friends.

I, Rudransh from class VIII, am here to speak about **"More than how things look it's about how to look at things"**

"Yatha Drishti Tatha Shristi" One of the famous Vedic quote from Bhagwat Gita Which means that what perspectives you have, whether it's negative or positive, the world will appear like that only.

Moving further, let me start with a short story about perspective. Once, two sales executives were sent to a place to survey the shoe market. After returning, they presented their brief reports to the seniors. First executive stated that the market is not suitable for shoes as no one wears the shoes in that area while the second executive portrayed the great possibilities with a remark that

there is a huge potential for the development of a market for shoes. He stated that although no one wears shoes, they can set their own monopoly because no one is their competitor and they can run the market the way they wish.

So friends, the whole matter is about our perspectives. Any situation is far less important than our interpretation of it. If you want to be happy, be! No matter, how the situation is. It's only you, how you look at it and how you perceive it that matters the most. If you are joyful then the darkest times of your life will serve as a key to the light. As the saying goes, every coin has two sides and the fact that it is inevitable. So, it's better to live with it and accept it happily. By this you can transform yourself to a completely different personality. Let me give you an example. There are different ways how one perceives a half-filled glass. Some will say it's half empty while some will say it's half full. It all depends on the mind-set of the person how he or she analyses the things. If you have a positive outlook then you will be able to look for opportunities in any challenging situation. And this is the mantra of life which helps you to attain success in the long run. Let me ask you all another question. Have you ever seen the various different ways people use stairs? Well, stairs are for everyone but it's our way of thinking how we use the stairs, we use it to ascend or descend. And that's your decision.

To conclude I would like to say, "If you change the vision, the view will change, if you change the thinking, the stars will change, there is no need to change the boats, but if you change the direction, then the shore changes."

Thank you.

Rudransh Tiwari, 8 D

(Won 2nd position at 30th A.C Deb Memorial Inter-School Oration for delivering the above piece)

THE NEEDLE TREE

Once, there were two brothers who lived at the forest's edge. The older brother was always unkind to his younger brother. He took all the food and snatched all the good clothes.

One day the older brother went into the forest in search of firewood to sell in the market. As he walked through the forest, he chopped off the branches of every tree, until he came upon a magical tree. The tree stopped him before he chopped its branches and said, 'Oh, kind sir, please spare my branches. If you spare me, I will provide you with golden apples.'

The older brother agreed but was disappointed with the apples the tree gave him. Overcome by greed, the brother threatened to chop the entire tree if it didn't provide him with more apples. But, instead of giving him more apples, the tree showered him with hundreds of tiny needles. The brother fell to the ground, crying in pain as the sun began to set.

Soon, the younger brother became worried and went in search of his older brother. He searched until he found him at the trunk of the tree, lying in pain with hundreds of needles on his body.

He rushed to him and started to painstakingly remove each needle with love. Once the needles were out, the older brother apologized for treating his younger brother so badly. The magical tree saw the change in the older brother's heart and gifted them both all the golden apples that they would need.

This Too Shall Pass

Oh God! That same line again. Eden shook her head slightly, rolling her eyes. She turned away from the screen.

It was Friday a.k.a movie night. Eden and her family were watching a movie and eating pizza and burger that they had ordered. They had chosen Friday because, well, Eden and her brother didn't have to go to school the next day and her father didn't have to go to office. It was perfect. They could be up till late at night and not worry about not being able to get up early the next day. No tension, nothing.

'Movies are so cliché', Eden thought, grimacing. It was another one of those scenes where everyone starts getting emotional, hugging, blinking their eyes to stop the tears from pouring out, sniffing slightly. Someone says some cheesy, cliché line like "Never give up.", "Keep trying.", "It's all right.", "It's going to be okay.", "I am here.", "Believe in yourself.", "Everything happens for a reason.", blah blah blah!

What was the point of movies, anyways? Just to show emotions like these?

All those lines that people keep saying and most of all to children! Like seriously? Get a life. These lines are so cliché. It's annoying to see them again and again.

Eden wanted to fast forward it all but couldn't because she wasn't the only one watching, so she bore the scene making a face all the time.

6 months later

Movie night had been postponed. Eden had exams in school. Eden's physics teacher had an accident, so she couldn't complete the syllabus. The chapter they were studying was a really tough one.

Eden slouched sitting at her desk. There were dark circles under her eyes and her hair was all over the place. It couldn't even be called a nest because no bird would want to lay eggs there. She had to submit several assignments and prepare alongside for her tests.

It was 2 a.m. Everyone else was asleep. Eden was in her room, pouring over her books, trying to remember what she had left to do. She could feel the familiar exhaustion settling over her, her eyes kept closing and as she got up from her seat to wash her eyes, her body staggered sideways. When Eden came back, she could still feel the remnants of sleep in her eyes.

Eden awoke with a jerk. She removed the paper stuck to her cheek. She had fallen asleep. Eden groaned. How could she?

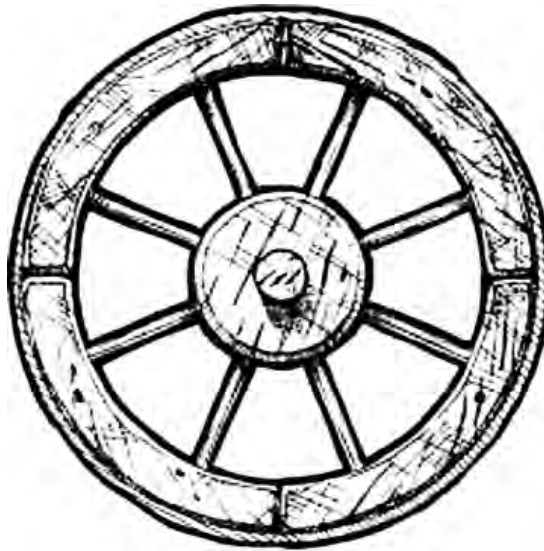

I have so much work left. How am I going to complete it? Why did I have to fall asleep, huh? Why??

It was Tuesday and her coaching exams were on Saturday and Sunday, all subjects, while her school exams were starting from Monday. Eden felt her headache come back. She had been having a lot of headache these days. Her chest felt hollow and her mind was muddled.

Eden thumped her hand against the desk, feeling tears welling in her eyes. It wasn't like her. It wasn't like her at all. She was supposed to be feeling prepared by now, ready to ace the exams! She was a topper. What had changed?? Why couldn't she do it?? Why??

Eden got up. She knew she couldn't stop the tears right then. She needed a shower. She would never cry in front of her parents. But she could cry in the shower.

And that's what happened.

Eden cried till she felt her tear ducts had stopped working.

She cried and the water muffled her cries.

Eden sat on her bed, looking at the test results for the hundredth time. She kept looking even though she was sure she had learned every word by now and could recite it from heart. Her coaching results were out. It was worse than the previous time.

Her rank was 40. She had got -2 in physics out of 20. Chemistry was below average. Maths was good and in the other subjects she'd fared alright.

Eden was sure she wasn't breathing. Her mother was standing in the doorway watching her hold the paper.

They already knew the results. Her parents. Her father had shaken his head slightly, an inexplicable look on his face. Frightening, nevertheless. He had hoped she wouldn't notice the head-shake but she did notice alright. She was watching them as closely as they were watching her, if not more closely than them. Her father said something and then he was gone leaving her mother. Eden could see the sadness in her mother's eyes. She hid it the best she could but not good enough. Eden was like a hawk watching her for the smallest movement.

They would never say it but Eden could feel it. The atmosphere was thick with it. She could feel it, taste it, smell it. It was everywhere, in everything, flooding her senses.

Disappointment!!!

It's okay. Eden tried to tell herself. It's just a phase. It will pass.

A phase that had been going on for 6 months? The devil in her mind leered. Give up hope. You are not going to bounce back like you used to. You know, this is different. You have really sunk in too deep.

Eden closed herself to the voice, running away from the truth it held. The truth that scared her.

Eden watched her mother struggle to say something.

"It's okay. You will do better next time. Don't worry about it."

She was saying the same thing her father had said before he left, only the words were different. She gave her a slight smile that didn't feel right, didn't quite look right. Her mother too must have realized that it wasn't working. She sighed and came to sit down beside Eden.

"I know senior year hasn't been easy on you. And I know that you haven't been able to concentrate much. I know it feels like you are only getting worse. But it's just a phase albeit a long one. It might stay a long time but Eden, I know you. You will make it through. You always do." This time, Eden's mother gave her a smile that felt real. The devil started to say something but Eden struck him down. She felt herself nod, fighting back tears.

"Oh, Eden. It's going to be alright. I promise. Me and your father know it."

Her mother smiled again, the playfulness back in her.

"Okay, that's enough. Who's going to help me set the table? We still have a party to ready, remember? Your exams have ended. It's celebration time." And then her mother was gone.

Eden took a deep breath. How funny! She thought. She now understood why people kept repeating those words. They didn't seem so cliché now.

It was funny that once she had thought those words to be dramatic but little did she know, that those were the only words that would evade her, slipping away when she needed them the most. She needed someone to say them, someone who loved her, understood her more than she did herself because then they were real. Then they held hope that she hadn't been able to give herself, hope that even the devil won't ever be able to take away. Hope that would set her on her path again.

Vani, 9 D

Let's Play

Playing is great, playing is fun,
Playing is good for everyone.
Playing gives us a healthy life,
Play is a medicine with no price!
Playing in a sandpit, gives us fuel,
Just play with your heart without any rules!

Be it swimming or chasing in a race,
Playing is like rising up to space.
Playing cricket is a great joy,
Outdoor games are better than mobiles.
Taking a wicket or holding a catch,
Drive us to always win every match.
Playing chess or
Other mind games, revive our brains.

Nature has blessed us with amazing bodies
So, play and enjoy everybody!
Playing is like magic of some kind,
It blows away all sorrows, if any in mind.
When we deck-up to play basketball, we are filled with confidence.
Each team player grinds to make a goal,
While trying to hide it from the other team and hurry pushing the ball.

Run a marathon to set your own limits and go far,
Or compete in a car race, to become inspiring and charming like a star.
Sports is a gift of God as far as I think,
As it nourishes our souls in just a single blink.
It gives us courage and keeps us healthy at any age.

Rahul Pokhariyal, 9 A

WHO AM I

I am a son who loves his parents,
I am a father who loves his children,
I am a brother who loves his sister,
But above all, I am a soldier who loves his nation.
In a war there is chaos and when my country needs,
I would stand by my fellow soldiers ready to bleed,
I proudly say I would protect my nation,
Standing and fighting for my country's reputation.
I stand with my hand on my heart as my nation sings,
I fight on land, on sea and in the sky.
When I die, people around my family cry,
But I say, do not grieve, nor have tears in your eyes,
For I am not a father, nor a brother, nor a son,
But a soul born to carry out his mission.
I am a soldier in this life and in the next,
Serving my country till my last breath.

Mohd Ayyub, IV B

Stars And Scars

Oh! you bright objects-
Shining above my eyes,
Telling me stories of you and the sky.
I love our relationship,
Sometimes it's you, sometimes it's me-
Talking to each other with glee.
Trying to solve mysteries of life,
I've realised having a companion doesn't hurt, right?

It was until the realisation struck me,
That the friend I was thinking of as a star-
Was the scar of my past,
Upon realising the reason of my mysteries,
I let go of that star and the scar.

From then on,
I opened my book but-
A new page and a pen,
Hence, a new journey of mine began.

- Shachi Joshi 11A

संपादकीय

भारतीय संस्कृति के संरक्षण एवं संवर्धन, उचित मार्गदर्शन तथा समाज की सच्ची सेवा का स्वप्न आँखों में संजोकर श्री के.एम. मुंशी जी ने भारतीय विद्या भवन की स्थापना की थी। आज़ादी के अमृत महोत्सव के इस काल में हम गर्व से कह सकते हैं कि भवन ने मुंशी जी के सपनों को साकार करते हुए व अपने दायित्वों का निर्वहन करते हुए अपनी सच्ची देशभक्ति का परिचय दिया है।

हमारे छात्र जहाँ एक ओर मानवीय जीवन मूल्यों से जुड़े हैं, वहीं तकनीकी ज्ञान और विज्ञान के क्षेत्र में भी अग्रणी हैं। हमने उनका पोषण कुछ इस प्रकार किया है कि वे कठिन परिस्थितियों में भी ज़मीन से जुड़े रहकर बुलंदियों को छूने का धैर्य एवं साहस रखते हैं। अपने नन्हें लेखकों के विविध मनोभावों और विचारों को 'भाविद्या' के इस गुलदस्तें में हमने सजाया है, आशा है उसकी सुवास आपको आनंदित करेगी।

अंगड़ाई लेती लहरों से जूझना, हौंसले का प्रमाण है।
लहरों के संग बह जाना तो, कायरों का काम है।

हिंदी-संस्कृत दिवस रिपोर्ट (2021-22)

हिंदी दिवस 14 सितम्बर को मानया जाता है। इस अवसर पर भारतीय विद्या भवन, मेहता विद्यालय के प्रांगण में इस साल भी 26 अगस्त से 9 सितम्बर, 2021 के दौरान हिंदी की विभिन्न प्रतियोगिताओं का आयोजन डिजिटल मंच पर किया गया। कक्षा नर्सरी से 12वीं कक्षा के छात्रों ने बढ़-चढ़कर भाग लिया। छात्रों के लिए हिंदी व संस्कृत की विभिन्न रोचक प्रतियोगिताओं का आयोजन भी किया गया। छात्रों के आयु वर्ग के अनुकूल प्रतियोगिताएँ आयोजित की गई थीं। विशेष बात यह रही कि इस वर्ष भी प्रत्येक कक्षा के सभी छात्रों को प्रतियोगिता में भाग लेने का अवसर प्रदान किया गया। जिसका वर्णन इस प्रकार है- कक्षा नर्सरी के लिए बाल गीत गायन, कक्षा के.जी. के लिए गणेश (रोल प्ले), कक्षा पहली के लिए दैनिक जीवन में हमें स्वच्छ और स्वस्थ रखने वाली वस्तुओं का प्रस्तुतिकरण, कक्षा दूसरी में बाल हास्य रस कवि सम्मेलन, कक्षा तीसरी में देश भक्ति गीत, कक्षा चौथी में हिंदी साहित्यकार (रोल प्ले), कक्षा पांचवीं में विज्ञापन प्रस्तुति, कक्षा छठी में आधुनिक युग का कथा वाचक, कक्षा सातवीं में समाचार प्रस्तुत करते हुए वीडियो बनाना, कक्षा आठवीं में पॉडकास्ट (कहानी पढ़ना), कक्षा नवीं में कैलीग्राफी, कक्षा दसवीं में हिंदी कहानीकार की कहानी का नाट्य मंचन तथा 11वीं में उद्घोषक एक नई सोच व 12वीं कक्षा में किसी कवि की कविता का सस्वर वाचन प्रतियोगिता रखी गई। इसके साथ ही संस्कृत में भी अनेक प्रतियोगिताओं का आयोजन किया गया। जिसमें छठी कक्षा में संस्कृत बाल गीत/सुलेख प्रतियोगिता, कक्षा सातवीं में संस्कृत देश भक्ति गीत/स्तोत्र-गायन प्रतियोगिता, कक्षा आठवीं में संस्कृत श्लोक उच्चारण/सूक्ति लेखन, कक्षा नवीं व ग्यारहवीं में श्लोकों पर आधारित वॉल हैंगिंग/तोरण तथा कक्षा दसवीं व बारहवीं में पुस्तक निर्माण (कवि परिचय सहित) किया गया। विजेता छात्रों को प्रमाण-पत्र भी दिए गए। इसके साथ-साथ प्राथमिक व उच्च माध्यमिक कक्षाओं में विशेष-प्रार्थना सभा

का भी आयोजन ऑनलाइन किया गया। हिंदी दिवस के अवसर पर प्रधानाचार्या श्रीमती डॉ. अंजू टण्डन जी एवं उपप्रधानाचार्या श्रीमती अलका जायसवाल जी ने अपने संदेश में हिन्दी भाषा के महत्व पर अपने विचार प्रकट किए। इस प्रकार विद्यालय में हिंदी दिवस बड़े उल्लास के साथ मनाया गया।

विभागीय प्रतिष्ठा

1. वर्ष 2020-21 में 'शिक्षक दिवस' के उपलक्ष्य में हिंदी विभागाध्यक्षा श्रीमती डिम्पल जुनेजा को विद्यालय की ओर से 'सरला शंकर पुरस्कार' सर्वश्रेष्ठ शिक्षक पुरस्कार देकर सम्मानित किया गया।

2. वर्ष 2021 में 'संस्कृत शिक्षक संघ' द्वारा डॉ. अंजू बाला को बोर्ड परीक्षाओं में उत्तम परिणाम हेतु 'संस्कृत शिक्षक रत्न सम्मान' से सम्मानित किया गया।

3. 'स्टोरी मिरर एप' द्वारा 'सर्वश्रेष्ठ पाठक पसंद - 'कवि सम्मान' द्वारा श्रीमती विजयालक्ष्मी शर्मा को सम्मानित किया गया।
4. 'साम्राज्ञा हिंदी दैनिक समाचार पत्र' द्वारा 30 जून, 2021 को 'मेधावी सेवा पुरस्कार' द्वारा श्रीमती विजयालक्ष्मी शर्मा को सम्मानित किया गया। इसकी घोषणा ग्रीष्मकालीन हिंदी दैनिक और गुप के फेसबुक पेज पर की गई।

मानवता से पुनर्मिलन

हो रहा हनन संस्कारों का,
व्यवहारों का, आचारों का।
है भटक गया यह मानव है,
अपने मूल्यों की कसौटी पर,
बंध गया पूर्णतः नवयुग की
तकनीकियों की नीतियों से।
भूल गया है आज कहीं, अपने ही संस्कारों को
रिश्तों को, नातों को, दोस्ती के पैमानों को
चलो कोशिश कर, इस मानव को
इसका इतिहास बताते हैं।
वो क्या था? और क्या बन बैठा?
इसकी एक झलक दिखलाते हैं।
है कठिन बहुत और यह संघर्ष बड़ा
डटकर रह तू वहीं खड़ा, ज़िद है
कुछ भिन्न करके दिखलाना है,
विश्वास के उन्माद से,
मानव का मानवता से,
पुनर्मिलन करवाना है।
पुनर्मिलन करवाना है।

-ऋतु सहगल
शिक्षिका

ईर्ष्या नहीं प्रतिस्पर्धा करो

ईर्ष्या नहीं प्रतिस्पर्धा करो
अपनी कमियों पर खुलकर चर्चा करो
नित सीखने को आतुर रहो
मन में कहीं गुरुर न हो
मिले अवसर तो छोड़ो नहीं
अपनी हार पर औरों को कोसो नहीं
छोटा रास्ता मंज़िल के लिए चुनो नहीं
धैर्य से परिश्रम पथ पर ही डटो वहीं
मेहनत एक-न-एक दिन काम आएगी
जीत के साथ स्थिरता भी संग लाएगी
दूसरों से और अपनी ही गलतियों से सीख लो
मेहनत करो, कभी न किसी से अहसान की भीख लो
कर भलाई के काम नित दिल सभी का जीत लो
मरने के बाद भी नाम तुम अपना अमर करो
ईर्ष्या नहीं प्रतिस्पर्धा करो....

-विजयालक्ष्मी शर्मा
शिक्षिका

पेड़ और पौधे

पेड़ और पौधे मित्र हमारे, सदा करते हैं उपकार
ये न हो तो धरती का, पलभर में होगा संहार।
पेड़ प्रदूषण से बचाते, पेड़ ही दवाइयाँ देते।
वर्षा को आकर्षित करते, पानी ये बरसाते हैं।
इनकी छालों से ही तो कागज-पत्र बनता है,
तभी तो बच्चों हम सबको पुस्तक ज्ञान मिलता है।

-फलांश सिंह, पाँचवी 'ड'

गुरु बिना गति नहीं

गुरु बिना गति नहीं,
 इस सत्य को झुठलाएँ कैसे?
 इनके बिना जीवन में आगे बढ़ पाएँ कैसे?
 माता-पिता ने जन्म दिया, पालन-पोषण किया,
 और हमें इस जीवन रूपी नौका में बैठा तो दिया,
 पर अब इस नौका को चलाएँ कैसे?
 इतने बड़े समंदर से पार पाएँ कैसे?
 गुरु बिना गति नहीं झुठलाएँ कैसे?
 चलना तो हम सबने ही धीरे-धीरे सीख लिया,
 पर किस मार्ग पर कदम बढ़ाएँ, यह पता लगाएँ कैसे?
 गुरु बिना गति नहीं झुठलाएँ कैसे?
 डाँट भी खूब पड़ी, जब शैतानी की,
 पर उनसे पीठ पर शाबाशी भी तो मिली।
 हमें तो उड़ना सिखा दिया इन्होंने
 अब ऊँचे आसमानों में सोचते हैं
 इनका कर्ज चुकाए कैसे?
 गुरु बिना गति नहीं झुठलाएँ कैसे?
 गुरु ने संभाला जब गिरने लगे,
 मार्गदर्शन किया जब हम भटकने लगे,
 हौंसला बढ़ाया जब उम्मीद हारने लगे,
 अब इनका ये उपकार उतारा जाए कैसे?
 गुरु बिना गति नहीं झुठलाएँ कैसे?

-हिमांगी, बारहवीं 'अ'

जल है तो कल है

जीवन का आधार जल है,
 जल है तो बेहतर कल है।
 जल नहीं तो मरना पल-पल है,
 यह प्रकृति का सुंदर फल है।
 बच्चे, बूढ़े, स्त्री, पुरुष,
 अब तो सभी ने मानी बात।
 दो सबका साथ,
 मत करो पानी को बर्बाद।

वर्षा में धरती पर आता,
 धरती से अंबर तक जाता।
 यह निरंतर चलता रहता,
 यह जल चक्र कहलाता।

जल को बचाने का संकल्प,
 यह है श्रेष्ठ विकल्प।
 जीवन का आधार जल है,
 जल है तो बेहतर कल है।

-याशिका वैद, नवीं 'ब'

बचपन

खुशी से जी ले अभी,
 यह बचपन दोबारा ना मिलेगा कभी।

वो खुशी से हँसना,
 वह मजेदार सी बातें,
 पढ़ते-पढ़ते बीती हुई,
 वह परीक्षा की रातें।

शिक्षक के संग मजे से पढ़ना,
 मन में उम्मीद रखना कि हमें आगे है
 बढ़ना।

बचपन के समय कितनी मस्त होती है जिंदगानी,
 बड़े होकर रह जाती है वह बस एक सुंदर कहानी।

खुशी से जी ले अभी,
 यह बचपन दोबारा ना मिलेगा कभी।

-प्रिशा अरोड़ा, आठवीं 'अ'

बादल आए

बादल आए, बादल आए
छम-छम बूँदें बरसाएँ, गर्मी से राहत दिलाएँ।
जिनकी फ़सलें सूख रहीं हैं, उनको हरा-भरा बनाने आ
इस सूखी धरती की प्यास बुझाने आए।
बादल आए, बादल आए
छम-छम बूँदें बरसाएँ, गर्मी से राहत दिलाएँ।
बादल आए, बादल आए
पशु-पक्षियों को नचाने आए, कागज़ की नाव तैराने आए।
त्योहारों का मौसम साथ लाए, सावन के झूले-झुलाने आए।
चारों ओर प्यार फैलाने आए,
बादल आए, बादल आए,
छम-छम बूँदें बरसाएँ, गर्मी से राहत दिलाएँ।

-प्रिशा सूद, चौथी 'ब'

खुशियों की बारिश

मौसम आया, मौसम आया,
खुशियों का यह मौसम आया।
गर्मी धीरे-धीरे हुई कम,
बारिश देखो हुई रिमझिम।
मोर नाचे, कोयल गाएँ,
झरने जोर से शोर मचाएँ।
नन्हीं कली मुस्काई है,
फूलों ने दी बधाई है।
हम भी नाच दिखाएंगे,
छप-छप पानी उड़ाएंगे।
सोनू आओ, मोनू आओ,
सारे बच्चे खुशी मनाओ।
हम खेलेंगे हम कूदेंगे,
बारिश में हम भीगेंगे।
मौसम आया, मौसम आया,
रिमझिम करता बारिश लाया।

-चारवी खेमका, चौथी 'अ'

बारिश की यह झिलमिल बूंदें

सूरज की गर्मी से तपती धरती,
चारों ओर है हाहाकार।
हर प्राणी के नेत्र हैं तकते,
बादल जो लाए वर्षा अपने साथ।
धरती सूखी, नदी है सूखी,
कहीं नहीं दिखता है पानी।
हाथी, शेर, बाघ, चीता
सब खड़े नदी के द्वार।
मोर नाचने को है तत्पर,
कब आएंगे घुड़सवार,
ठंडी पवन मेघ लाते,
बारिश को अपने साथ।
बारिश की झिलमिल बूँदें,
कर देती धरती का शृंगार।
हरे-भरे पेड़ लहराए,
नदी भी चलती अपनी चाल।
बादल से आती बारिश,
करती है सबका उद्धार।
बारिश की झिलमिल बूँदें,
तुम ना छोड़ना धरती का साथ।

-मोहम्मद अयूब, चौथी 'बी'

मंजिल

रास्ते तो सिर्फ राह दिखाते हैं,
मंजिल तुम्हें खुद पाना है,
सुकून की तलाश के लिए,
हृद से गुजर जाना है।
न रास्ते की लम्बाई देखनी है,
न समुद्र की गहराई देखनी है,
बस तपते सूरज की लौ में,
अपने सपनों को सेकना है।
मिलेगी मंजिल एक दिन,
यह यकीन संग रखना है,
हर हार-जीत में, लोगों की
कड़वाहट भी चखना है...।

-अंकिता तोमर, पाँचवीं 'ड'

जिंदगी

कल एक झलक जिंदगी को देखा,
वो राहों पर मेरी गुनगुना रही थी।
फिर ढूँढा उसे इधर-उधर,
वो आँख मिचौली कर मुस्करा रही थी।
एक अरसे के बाद आया मुझे करार,
वो सहला के मुझे सुला रही थी।
हम दोनों क्यों खफा हैं एक-दूसरे से,
मैं उसे और वो मुझे समझा रही थी।
मैंने पूछ लिया - क्यों इतना दर्द दिया तूने?
वो हँसी और बोली - तुझे जीना सिखा रही थी।

-पूर्वी, छठी 'ब'

सफ़र...

ओ राही तू हार कर न बैठ,
तू झुक कर न अपने में सिमट,
है थक गया तो आराम कर,
ऐसा भी नहीं कि तू रास्ता भूल जाए,
सफ़र की याद मिटाए,
अपनी मंजिल को भूल जाए।
भूल-भुलैया भी है, अंगारे भी,
आँधी और तूफ़ान भी,
इस चिंगारी को आग बना,
इसमें ही झुलस जा।
सोचना नहीं कि किस्मत के मारे सब बैठे हैं,
किस्मत उनके लिए भी बदली है,
बदलेगी जो कर्मठ हैं,
माना बहरी है, पर पूरी नहीं,
कान इसके भी खुलेंगे, खड़े होंगे,
बस कर्मों से शोर मचा, गर्जन करा।
कौन कहता है नैया पार नहीं होगी,
मेहनत तू कितनी भी करे, हमेशा हार ही होगी,
दूसरों को मत समझा, अपने पर विश्वास बढ़ा,
अंतस्थ शक्तियों पर शक करेगा,
तो कौन तेरी सुनेगा?
क्यों बावला बन इधर-उधर घूमता है,
क्यों सबकी तू सुनता है,
आ थम जरा ओ राही, अपनी भी सुन
आ बात करें - क्यों कुछ करने से तू डरे?
आधा रास्ता तब पूरा किया,
जब चलने का निर्णय लिया,
बस अब राह खुद बनानी है,
दृढ़ निश्चय के साथ कदम बढ़ा,
हाँ, राह धुँधली है, पर ये भी आगे निखर जाएगी।

-हिया पसरीचा, सातवीं 'ब'

बेटियाँ

रौनक होती हैं घर की बेटियाँ,
इन्हें तुम ऐसे रुलाओ ना,
पढ़ा अगर बेटों को रहे हो,
तो इनको भी पढ़ाओ ना।
गौरव ऊँचा होगा तुम्हारा,
जब आगे ये जाएंगी,
बेटी पैदा होने पर,
तुम ऐसे मुँह लटकाओ ना।
हर बार डाँटकर मर्यादा उनको याद दिलाते हो,
बेटों को भी कभी तुम,
थोड़ा सा समझाओ ना।
बेटे लाड़ले और बेटी क्यों पराई,
बेटियों को भी उनके हक का प्यार दिलाओ ना।

—दृष्टि गुप्ता, दसवीं 'ब'

बेटियाँ कमजोर नहीं हैं

बेटी पैदा होने पर दुख आज भी
क्यों मनाया जाता है?
बेटियों को कमजोर आज भी
क्यों बनाया जाता है?
बेटी तो पिता का होती हैं स्वाभिमान
फिर क्यों उन्हें सताया जाता है?
उनके सपनों को
संस्कारों के भार से तोड़ दिया जाता है।
हमारी संस्कृति में ऐसा,
तो नहीं बताया जाता है,
धैर्य-त्याग करना,
उन्हें बचपन में सिखाया जाता है।
बेटियों को इतना कमजोर आज भी
क्यों बनाया जाता है, क्यों बनाया जाता है?

—अक्षिता त्रिपाठी, दसवीं 'ब'

मेरी नानी

नानी-नानी, मेरी नानी
सबसे प्यारी मेरी नानी।
सबका ध्यान रखती नानी,
काम बहुत ही करती नानी।
सुबह जल्दी उठ जाती है,
फिर रात तक थक जाती है।
अच्छी स्वस्थ है मेरी नानी,
डॉक्टर भी है मेरी नानी।
भगवान जी की दोस्त है नानी,
हम बच्चों की भी दोस्त है नानी।

—शाश्वत आर्या, तीसरी 'ड'

प्यारी बहन

मेरी प्यारी बहन है अन्हा,
सबकी बड़ी दुलारी है।
बात-बात पर ज़िद है करती,
पर फिर भी जान हमारी है।
रोज़ झगड़ता हूँ उससे,
जब आकर मुझे सताती है।
कहती है मुझको प्यारे भैया,
और हँसकर गाने गाती है।
बहना ताकत है तू मेरी,
करूँगा रक्षा सदा मैं तेरी।
तुझसे खुशियाँ मेरे घर की,
तू है सबकी नन्हीं परी।

—मोहम्मद रेहान सिद्दीकी, छठी 'स'

पहेलियाँ

अनमोल जिंदगी

मैं दूसरों के प्रति सहयोगी रहता हूँ,
हमेशा से ही दूसरों की मदद के लिए तैयार रहता हूँ।
जरूरतमंदों की जितनी भी मदद
कर सकता हूँ, करता हूँ।
अपने पुराने बस्ते, कपड़े और किताबें देता हूँ
गरीबों के लिए हमेशा दयालु रहता हूँ
लालच किसी भी चीज़ में नहीं करता हूँ
हर पल भगवान जी का शुक्रिया करता हूँ
उन सभी चीज़ों के लिए जो मेरे पास हैं।
कभी भी दुखी नहीं होता हूँ, उन चीज़ों के लिए
जो मेरे पास नहीं हैं।
प्यार और शांति सबके साथ रखता हूँ
जिंदगी बहुत अनमोल है
मैं अपने आप को बहुत खुश किस्मत समझता हूँ
-विराट शर्मा, पांचवीं 'ब'

1. रोज सवेरे मैं आता हूँ, जग को रोशन कर जाता।
गर्मी में हूँ खौफ़नाक पर, सर्दी में सबको भाता॥
2. गोल-गोल चमकीला चेहरा, रात में बच्चों को लेकर सोता।
गहरे नीले आसमान में, वो देता रहता है पहरा॥
3. काली-काली एक चुनरिया, जगमग-जगमग मोती।
आ सजती धरती के ऊपर, जब सारी दुनिया सोती॥
4. न दिखती हूँ न बिकती हूँ, न तो मैं गिर ही सकती हूँ।
गगन दूर तक जाकर भी, मैं लौट वापस आ सकती हूँ॥
5. जब सब जाते तब मैं रहता, न कुछ खाता न कुछ पीता।
घर की मैं करता रखवाली, बच्चों जरा बजाओ ताली॥
6. एक फूल काले रंग का, सिर पर ही है सुहाता।
खिलता धूप और वर्षा में, छाया में मुरझाता॥
7. काला रंग मेरी है शान, सबको मैं देता हूँ ज्ञान।
टीचर करते मुझ पर काम, नाम बताओ चतुर सुजान॥
8. मेरे घर का द्वार खुला है, आओ चाहे न आओ।
आते तो घर में छा जाओ, न आओ तो पछताओ॥

उत्तर- 1. सूरज 2. चाँद 3. रात 4. हवा
5. ताला 6. छाता 7. ब्लैक बोर्ड 8. पुस्तकालय
-मेघा, छठी 'ब'

आज़ादी

पंछी हैं कैद अगर, तो उड़ने में कर मदद तू।
रात है काली अगर, दिया जला कर रोशन कर तू।
बीत गए बिचारे उलझ कर, औरत, आदमी या हो कोई बच्चा
सबके जीवन का कर सम्मान तू।
तोड़ दे दीवारें सारी, आगे विजयी राह पर।
उन वीरों ने क्या पाया, अगर तू अब भी डर में खोया,
उठ जा तू छू ले आसमान, आज़ादी है सबका हक।

-मेघा, छठी 'ब'

कोरोना ने बदली जीवन शैली

पिछले दो वर्षों में लगभग सभी देशों की जीवन शैली में परिवर्तन आया है। लोगों की दिनचर्या घरों की चार दीवारी में ही सिमट कर रह गई थी। सारा काम मोबाइल और लैपटॉप पर ही आश्रित हो गया था। फिर चाहे वो बच्चों की पढ़ाई या हॉबी क्लास हो, घर का राशन या बिलों का भुगतान हो, जीवन बिना किसी निर्धारित दिनचर्या के मानो रुक-सा गया था। न किसी से मिलने की उमंग न कुछ नया करने की चाह। चारों तरफ दर्द, सन्नाटा, बेबसी और डर था। कोरोना ने एक ओर तो हमें हमारी परंपरा से फिर जोड़ा वहीं दूसरी ओर जीवन का मूल्य समझाया। हमने पुराने संस्कारों को फिर अपनाया। जैसे- नमस्ते करना, खाना बनाना, रंगोली, मेहंदी, पेंटिंग आदि में रुचि लेना। साथ में ताजा व पौष्टिक आहार खाना। डिजिटल मार्केटिंग और बैंकिंग ने जीवन को और सरल बनाया तो दूसरी ओर प्रेम और त्याग से लोगों में एकता देखने को मिली। आज कोरोना के उस भयानक समय से निकलकर भले ही जीवन सामान्य होने लगा है, पर उन दो वर्षों के अनुभव को हम शायद सालों तक नहीं भुला पाएंगे।

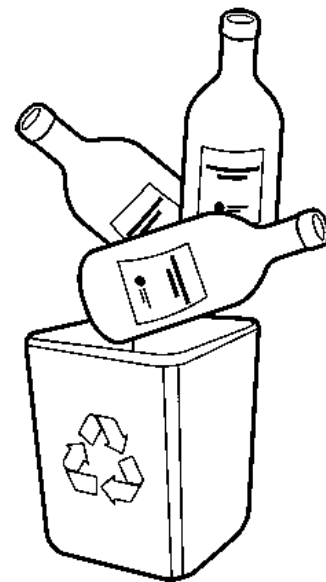

—ईशान खंडेलवाल, दसवीं 'स'

काँच और पर्यावरण

जैसे पर्यावरण की सुंदरता उसकी स्वच्छता, निर्मलता और पारदर्शिता में है उसी प्रकार काँच का महत्व उसकी स्वच्छता समता और पारदर्शिता में है। काँच का आविष्कार संसार के लिए एक बड़ी घटना थी। आज के वैज्ञानिक उन्नति में काँच का बहुत अधिक महत्व है। काँच का निर्माणकाल ईसा से 7000

पूर्व हुआ था। काँच एक अक्रिस्टलीय ठोस पदार्थ है। विभिन्न उपयोगों में काँच का प्रयोग आज एक महत्वपूर्ण तत्व के रूप में किया जाता है। जैसे - घर की सजावट, खिड़की व दरवाजे, बुनियादी ढाँचे, इलेक्ट्रॉनिक उपकरण, कार्य मशीनरी, स्वास्थ्य उपकरण, पैकेजिंग आदि। यह कास्टिंग और शीतलन द्वारा उत्पादित

एक ऐसी सामग्री है, जिसे फिर से नरम कर फिर से नए रूप, रंग व आकार में ढाला जा सकता है। यह किसी भी रसायन से प्रभावित न होने के कारण कई दवाइयों (होमियोपैथी), वैज्ञानिक प्रयोगों में बहुत महत्वपूर्ण भूमिका निभाता है। यह 100% पुनर्नवीनीकरण सामग्री है जो कि प्लास्टिक का बहुत अच्छा विकल्प है। यह पर्यावरण को प्लास्टिक जैसे विषैले पदार्थ से बचाता है। यह कीटाणुरहित होता है, जिसे साफ़ करके बार-बार प्रयोग किया जा सकता है। आज के युग में हम काँच के बिना रहने की कल्पना भी नहीं कर सकते। चाँद और मंगल ग्रह तक की जानकारी हमें विशेष लैंस युक्त काँच से ही प्राप्त हुई है। कितने ही आधुनिक उपकरण काँच के बिना बेकार हैं। जिनके होने की कल्पना भी काँच के बिना नहीं की जा सकती।

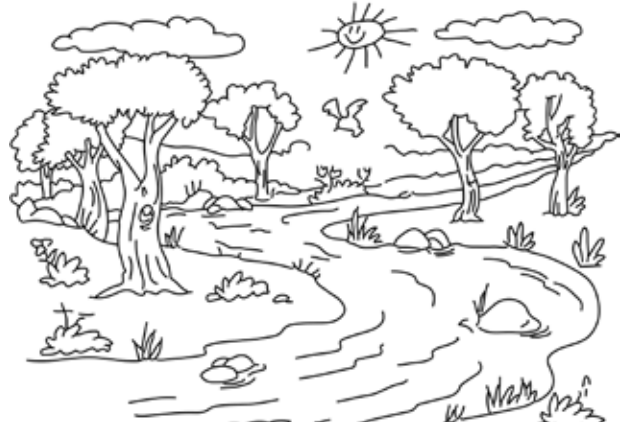

—ईशान, दसवीं 'स'

गर्मी का कहर

रमेश नाम का एक अमीर व्यक्ति अपने बेटे राम के साथ रहता था। उनके घर में एक कामवाली आया रहती थी, जिसका नाम राधा था। काम वाली अपना काम कर रही थी तभी राम ने कहा, 'मेरे लिए कोल्ड ड्रिंक तो लाना, आपको तो पता ही है गर्मी में मैं तो पानी पीता ही नहीं बस कोल्ड ड्रिंक ही पीता हूँ।'

एक दिन राधा अपनी बेटी के साथ काम करने आई, तो रमेश ने राम से टी.वी. बंद करके अंदर कमरे में बैठने को कहा राम ने पुछा, 'पर पिताजी मैं ऐसा क्यों करूँ? रमेश ने उत्तर में कहा- 'अगर तुम ए.सी. और टी.वी. चलाओगे तो वह लड़की तुम्हारे पास आकर बैठ जाएगी और मुझे पता है कि तुम्हें तो बिल्कुल पसंद नहीं है कि कोई तुम्हारे पास बैठे। तुम अपने कमरे में जाकर बैठो।'

थोड़े दिन बाद राम की तबीयत बिगड़ने लगी तो डॉक्टर ने कहा 'इन्हें कोई फ्रिज की चीज़ मत देना, मगर ठंडी चीज़ें देना।' तो रमेश सोच में पड़ गया कि फ्रिज की चीज़ नहीं देनी है और ठंडी चीज़ देनी है। ऐसा क्या हो सकता है? जब राधा को यह बात पता लगी तो वह राम को घड़े के पानी में सत्तू मिलकर रोज़ देने लगी और उसे वह रोज़ ताज़े फलों का रस भी पिलाती थी। उसकी तबीयत जल्दी ही ठीक हो गई। रमेश ने राधा से कहा- 'देखो, मैंने बड़े डॉक्टर से जाँच करवाई तो राम ठीक हो गया, तब राम झट से बोला कि यह दवाई मैंने बिल्कुल नहीं खाई। दवाई तो मेरी अलमारी में पड़ी है। यह तो सब राधा की वजह से हुआ है। उसने मुझे रोज़ ताज़े फलों का रस पिलाया और मटके के पानी में सत्तू डालकर पिलाया। यह बड़ा स्वादिष्ट था। यह सुनकर रमेश राधा से हाथ जोड़कर माफ़ी माँगता है। वह उससे कहता है कि मैंने तुम्हारे साथ इतना बुरा किया फिर भी तुमने मेरे बेटे की तबीयत ठीक करने में सहायता की, धन्यवाद। तो राधा कहती है हमारे लिए तो मटके का पानी ही फ्रिज का पानी है और प्राकृतिक हवा ही ए.सी. की हवा है।

शिक्षा- कभी भी किसी को अपने से कम नहीं समझना चाहिए।

-आरव कनौजिया, छठी 'ब'

नदी

ऊँचे पर्वतों से निकलकर मैदानों में बहती है।
आँधी-तूफ़ान कुछ भी आए, हँस-हँस के ये सहती है।
जंगल-पहाड़ों में न रुकती, सदा ही चलती रहती है।
ऊँचे पर्वतों से निकलकर मैदानों में बहती है।
अपने निर्मल जल से यह जीवों की प्यास बुझाती है।
कभी न रुकती कहीं पर भी, न कभी यह थकती।
कहीं भी जाकर देखो इसको, बहुत प्यारी लगती।
कोई नहीं है इसके जैसा, सारी दुनिया कहती।
ऊँचे पर्वतों से निकलकर, मैदानों में बहती है।
इसके बिना सब कुछ अधूरा, ऐसी इसकी माया है।
इसका निरादर कभी न करना, जीवन की ये साथी है।
घर-घर में खुशियाँ यही लेकर आती है।
ऊँचे पर्वतों से निकलकर मैदानों में बहती है।

जीवन्मन्त्राः

श्लोक-1

उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत।

क्षुरस्य धारा निशिता दुरत्यया दुर्गं पथस्तत्कवयो वदन्ति॥ -

कठोपनिषद्

व्याख्या- उठो, जागो, वरिष्ठ पुरुषों को पाकर उनसे बोध प्राप्त करो। धुरी की तीक्ष्ण धार पर चलकर उसे पार करने के समान दुर्गम है यह पथ। ऐसा ऋषिगण कहते हैं।

श्लोक-2

न जायते म्रियते वा कदाचिन्, नायं भूत्वा भविता वा न भूयः।

अजो नित्यः शाश्वतोऽयं पुराणो, न हन्यते हन्यमाने शरीरे॥

व्याख्या- आत्मा के लिए किसी भी काल में न तो जन्म है न मृत्यु। वह न तो कभी जन्मा है, न जन्म लेता है और न जन्म लेगा। वह अजन्मा, नित्य, शाश्वत तथा पुरातन है। शरीर के मारे जाने पर वह मारा नहीं जाता।

श्लोक-3

दुर्लभं त्रयमेवैतत् देवानुग्रहहेतुकम्।

मनुष्यत्वं मुमुक्षुत्वं महापुरुषसंश्रयः॥ -विवेकचूडामणि

व्याख्या- यह तीन दुर्लभ हैं और देवताओं की कृपा से ही मिलते हैं- मनुष्य जन्म, मोक्ष की इच्छा और महापुरुषों का साथ।

श्लोक-4

अव्यक्तादीनि भूतानि व्यक्तमध्यानि भारत।

अव्यक्तनिधनान्येव तत्र का परिदेवना॥ -श्रीमद्भगवद्गीता

व्याख्या- सारे जीव प्रारम्भ में अव्यक्त रहते हैं, मध्य अवस्था में व्यक्त होते हैं और विनष्ट होने पर पुनः अव्यक्त हो जाते हैं। अतः शोक करने की क्या आवश्यकता है।

कक्षा - सातवीं 'ब'

जन-भाषा - संस्कृतभाषा

इदन्तु सर्वं विदितमेव यत् संस्कृतभाषा विश्वस्य सर्वासु भाषासु प्राचीनतमा भाषा अस्ति। इयं सर्वासां भाषाणां जननी मन्यते। कालक्रमेण संस्कृत-भाषायाः प्रयोगं न्यूनं अभवत्। अद्यत्वे इयं भाषा केवलं विद्यालयस्य पाठ्यक्रमे एव दृश्यते। अस्याः भाषायाः प्रचारं प्रसारं आवश्यकम् अस्ति। अन्यथा एकस्मिन् दिने इयं लुप्ता भविष्यति। विद्यालयेषु अस्याः भाषायाः पठनं-पाठनं अनिवार्य-विषयरूपेण भवेत्। येन इयं भाषा सर्वदा जीवितुं भवेत्। संस्कृतभाषायाः प्रचाराय प्रसाराय अस्माकं विद्यालयः सर्वदैव भाषा जनभाषा भवेत् इति मम प्रार्थना प्रयत्नशीलोऽस्ति। संस्कृत जयतु संस्कृत, जयतु भाप्तम्।

-वेदिका शर्मा

कक्षा - ग्यारहवीं 'अ'

संस्कृत-श्लोकाः

पृथिव्याम् त्रीणि रत्नानि जलमन्नं सुभाषितम्।

मूढैः पाषाण-खंडेषु रत्नसंज्ञा विधीयते॥

अर्थ- इस धरती पर तीन रत्न हैं- जल, अन्न और शुभ वाणी; पर मूर्ख लोग पत्थर के टुकड़ों को रत्न की संज्ञा देते हैं।

ॐ गुरुर्ब्रह्मा गुरुर्विष्णुः गुरुर्देवो महेश्वरः।

गुरुर्साक्षात् परब्रह्म तस्मै श्री गुरवे नमः॥

अर्थ- गुरु ही ब्रह्मा हैं, गुरु ही विष्णु हैं और गुरु ही भगवान् शंकर हैं। गुरु ही साक्षात् परब्रह्म हैं। ऐसे गुरु को मैं प्रणाम करता हूँ।

सत्येन रक्ष्यते धर्मो, विद्याऽभ्यासेन रक्ष्यते।

मृज्यया रक्ष्यते रूपं, कुलं वृत्तेन रक्ष्यते॥

अर्थ- धर्म की रक्षा सत्य से, ज्ञान की अभ्यास से, रूप की स्वच्छता से और परिवार की रक्षा आचरण से होती है।

-वान्या गुप्ता, कक्षा-आठवीं 'अ'

चौरा: हास्यास्पदतां याता:

दक्षिणभारते विजय - नगरं नाम प्रसिद्धं राज्यम् आसीत्। तस्य अधिपतिः कृष्णदेवरायः विदुषां गुणवतां च समादरं करोति स्म। तस्य सभायां विकट - समस्यानां समाधाने निपुणः तेनालीरामः स्व-कौशलेन दर्शकान् विस्मय - विमुग्धान् कुर्वन् आनन्दयति स्म। तेनाली - रामस्य चातुर्य-कथासु एका कथा अत्र प्रस्तूयते। एकदा अनावृष्टि - कारणात् विजय-नगरस्य जनाः (प्रजाः) अति - त्रस्ताः भवन्ति। समीपस्थ - प्रदेशानाम् उद्यानानि क्षेत्राणि च शुष्काणि जातानि।

तेनालीरामस्य गृहं तुंगभद्रायाः नद्याः तीरे आसीत्। तस्य उपवनम् अपि शुष्कतां जातम्। उपवनस्य मध्ये एकः कूपः आसीत्। तस्मिन् जलम् अति निम्न-भागे आसीत्। एकस्मिन् दिने तेनालीरामः कूपस्य समीपे स्थितः विचारयति स्म यत् सेचन - कार्याय श्रमिकाः कुतः प्राप्तः भविष्यन्ति। तस्य पुत्रः अपि तदा तत्र समीपे आसीत्। सः पश्यति यत् त्रयः जनाः ध्यानेन तस्य गृहं पश्यन्ति। एते चौराः इति आशङ्क्य सः पितरं संकेतेन दर्शयति। तेनालीरामः किञ्चित् उच्चस्वरेण पुत्रं सम्बोधयति यत् रात्रौ चौराः इतस्ततः भ्रमन्ति। अस्माकं पार्श्वे या बहुमूल्य-रत्नानां पेटिका अस्ति तां शुष्के अस्मिन् कूपे क्षिपामः, तत्र सा सुरक्षिता भविष्यति। इति उक्त्वा तौ गृहाभ्यन्तरं प्रविष्टौ, क्षणेन तौ विशालां पेटिकाम् उत्थाप्य उपवने आनीतवन्तौ कूपे च क्षिप्तवन्तौ। चौराः एतद् दृष्ट्वा प्रसन्नाः भवन्ति। पिता, पुत्रः च गृहान्तः प्रतिशतः। चौराः रात्रौ रज्जुं पलोटनीं (बाल्टी) च आदाय कूपान्ते प्रविष्टवन्तः, अल-निष्कासने च प्रवृत्ताः भवन्ति। तेनालीरामः पुत्रेण सह पश्चिम - द्वारात् उपवनं प्रविश्य नालिकासु जलसञ्चलनस्य व्यवस्थां पश्यति।

चौराः पेटिकां प्राप्तुं सर्वा रात्रिं रज्ज्वा जल - निस्सारणस्य कार्ये लग्नाः भवन्ति। तेषां श्रमेण उपवनस्य प्रत्येकं पादपः जलेन सिक्तः भवति। अन्ते चौराः पेटिकां कूपात् बहिः आनेतुं सफलाः भवन्ति। परं यदा ते पेटिकायाः आवरणम् उद्घाटयन्ति तदा तत्र पाषाणान् दृष्ट्वा तेषां हृदयम् विदीर्णम् इव भवति।

भारतीया संस्कृतिः

अयं निजः परो वेति गणना लघु चेतसाम्।

उदारचरितानां तु वसुधैव कुटुम्बकम्॥

यया संस्कृत्या सभ्यतया च भारतीयाः जनाः संस्कार परिष्कारं च लभन्ते सा एव भारतीया संस्कृतिः।

‘सम्’ इत्युपसर्गपूर्वकात् कृ धातोः क्तिन् प्रत्ययेन संस्कृतिः’ शब्दो निष्पद्यते। कस्यापि देशस्य राष्ट्रस्य वा जनैः योऽपि व्यवहार आचारश्च क्रियते

तत् सर्वं तस्य देशस्य संस्कृतिः इति कथ्यते। विश्वस्य सर्वासु संस्कृतिषु भारतीया संस्कृतिः सर्वाधिकप्राचीना उत्कृष्टा च वर्तते। अस्याः वैशिष्ट्यमेतदेव यद् अनेकैः वैदेशिकैरनेकैः एनां नष्टं प्रयत्नं कृतम्, किन्तु एषा न नष्टा, अपितु अद्यापि अक्षुण्णा एव दृश्यते।

वस्तुतः अस्याम् ईदृशानि तत्त्वानि सन्ति, कानिचित् यैरेषा दीर्घकालानन्तरमपि अद्य स्वोत्कृष्टतां अक्षुण्णतां च धारयति। अमूं सम्यक् अवलोकनार्थं अस्माभिः संस्कृतस्य अध्ययनं अपेक्षितम्। संस्कृतभाषायाः प्रतिकाव्यं स्वस्मिन् भारतीयसंस्कृतेः उदात्तरूपस्य गाथा वर्तते।

भारतवर्षस्य प्रतिग्रामं अस्याः स्वरूपं कथयति। वस्तुतः अद्यापि स्वसंस्कृतिं प्रति गौरवं अनुभवामः अस्याः मूलाधारो वेदाः सन्ति वेदाश्च विश्वस्य प्राचीनतमानि पुस्तकानि सन्ति इत्यर्थं संस्कृतिरेषा विश्वसंस्कृतिषु प्राचीनतमा विद्यते। ऋग्वेदे भणितमस्ति “सा प्रथमा संस्कृतिः विश्वधारा”।

भारतीया संस्कृतिः कृषिप्रधाना, अनेन अत्र कृषेः अतिमहत्त्वं अस्ति। अत्र गोः गंगायाः वैशिष्ट्यं परिदृश्यते। अत्र तीर्थानां देवनाञ्च वन्दनं भावातिरेकेन भवति। एतत् अस्याः संस्कृतेरेव वैशिष्ट्यम्, यत् अनि अपि वैशिष्ट्यानि परेषां संस्कृतीनाम् अनया स्वीकृतानि वर्तन्ते। अस्यां संस्कृती ये जनाः निवसन्ति, ते सर्वे परम संतोषं अनुभवन्ति, कुतः अत्र न कोऽपि भेदभावः परिदृश्यते। ‘वसुधैव कुटुम्बकं’ इति भावनया ओतप्रोता च इयं संस्कृतिः दरीदृश्यते। मानवतायाः अत्र पूजा भवति। भारतीयसंस्कृतेः मूलमन्त्रम् एव अस्ति—

सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामयाः।

सर्वे भद्राणि पश्यन्तु मा, कञ्चिद् दुःखभाग्यभवेत्॥

—मनोज कुमारः

शिक्षालयः

अहम् प्रतिदिनं विद्यालयं गच्छामि।

गुरोः जटिल-प्रश्नम् पृच्छामि।

अहम् मित्रेण सह क्रीडामि,

सदैव सत्यम् च वदामि,

तत्र बहवः अध्यापिकाः माम् पाठयन्ति,

ताः सुहृदयाः अपि च सन्ति।

मम विद्यालये बहवः छात्राः पठन्ति,

ते प्रतिदिनम् गुरून् नमन्ति,

तत्र एव सरस्वतीमंदिरम्,

नमामि अहम्, नमामः वयम्,

पाठयति मम गुरुः सदैव

सत्यस्य पालनम् कुरु इति।
